IMPORTANT!!

The Sugar Springs Arts & Craft Show is Coming, The Sugar Springs Arts & Craft Show is coming!

July 1, 2017, the Recreation Committee is presenting its 31st annual Arts and Crafts Show.

BE SURE TO PUT THIS ON YOUR CALENDAR, PHONE, TABLET OR COMPUTER

There will be old faces and new faces showing their original Arts and Crafts and useful household items. Browse through the booths and while you are at it, enjoy the concession stand, ice cream booth and be sure to save room for the Bake Sale items.

Over the years, the Arts and Crafts show has been the perfect start to the Holiday weekend and gets rave reviews from all who attend.

The fun will start next to the tennis courts at 10:00 am Saturday, July 1, 2017 and will continue through 3:00 pm that afternoon. Come out and bring the kids, neighbors and friends and plan for a great time!

Sugar Springs Campground

OPEN YEAR ROUND

We are now taking camping reservations for the Campground by telephone at (989) 426-4232. Please let your friends and family know they have this option to ensure that a camping spot will be waiting for them. They can secure their reservation by paying for their entire stay as much as a year in advance. Propane, campfire wood and bags of ice are available for purchase at the Campground.

CAMPGROUND FEES

	Daily	Weekly	Monthly	Group Daily*
Members	$18.00	$105.00	$350.00	$16.00
Guest	$20.00	$118.00	$390.00	$17.00
Public	$21.00	$126.00	$465.00	$18.00
Surcharge	$11.00	$42.00	$132.00	$11.00

From Dec. 1st thru Feb. 28th a surcharge will be added to the above fees

SSPOA NEWS

From the General Manager

Robert Neeb,
CMCA, AMS, PCAM
General Manager

As you will see as you read this month's Sugar Scoop, May was a very active month, here in Sugar Springs. Memorial Day weekend was busy; the Hearth was packed, and the 7:00 A.M. breakfast special on Saturday, and Sunday was a hit. The golf course tee sheet was full, with only a few cancellations. There was enough outside play, along with members and their guests that the beverage cart was out, and did quite well. Members and their guests were respectful of others; fireworks were not as bad as in previous years.

We still have a few things to completely get the Association open for this year; the last sections of the tennis court wind nets, the swimming area buoys need to placed, when the water is warm enough for staff to spend all day in it. The golf course and building & grounds crews have busy mowing and maintaining, which is a large job; especially during the early season growing season.

The calendar is full of golf events in June and don't forget that our Sugar Springs fireworks are on Saturday, July 1st this year, beginning at dusk. The Annual Craft Show & Bake Sale is also Saturday, July 1st.They are shot off on the berm by the Berkshire beach club. Volunteers are needed for this year's Goose Roundup on Tuesday, June 13th. Signup sheet is available in the POA office.

From the Board of Directors

Jim Issitt
Board President

June is here and Sugar Springs is vibrant. We have already seen a lot of activity and the best is yet to come. The Chamber of Commerce outing and the Veterans Tournament were both huge successes for the Golf Course. The Welcome Back Dinner and Dance, as well as the Memorial weekend Ice Cream Social were well attended and enjoyed by all who participated.

Still to come is the annual Arts& Crafts Show and the Bake Sale on July 1st. The Fireworks on the lake will be better than ever. September 2nd is the Bi-annual Rummage Sale to benefit the Recreation Committee's activities, so save the date and donate those garage sale items you may have.

Look around: the lakes are alive, the golf course is busy, and the Hearth is thriving. There is something for everyone here, so enjoy and support your Sugar Springs community. And, most of all, have a wonderful summer.

Choice beef with American cheese or chicken, breaded or grilled with Swiss cheese and grilled onions—$6.50

A&E Committee

NOTES FROM THE ARCHITECTURAL AND ENVIRONMENTAL CONTROL COMMITTEE

Well, spring is springing. This is the time of year we Sugar Springers think about all the “chores” we like to do at our favorite spot in Michigan. Clean-up, Fix-up, cut-down, re-paint or re-model. Your friendly A & E committee would like to remind you that we have guidelines for some of these activities and some require a permit from us and potentially other agencies. Some of the things you need to contact us about are:

- You need a permit to re-roof or change the color of your house.
- You need a permit to remove trees greater than 4” that are not dead.
- If you are planning to construct a camping pad you need to apply for a Lot Modification Permit and you also need to contact the Gladwin County Conservation District.
- In fact if you are planning to do any earthwork greater than flower beds you should contact the Conservation District, phone number (989) 426-9461, Kim Krenz.

The guidelines for maintaining your property, whether you are a camper or full timer, are outlined in the A & E Committee Construction Pamphlet, SSPOA Regulations and Policies Pamphlet and the Covenants and By-Laws. These rules are to protect the Sugar Springs Environment so we may all enjoy what we have. If you have any questions about permits or construction activities please call us or come see us on Tuesday mornings in the lower level of the Activities Building.

Have a Great Spring!!

Airpark Committee

Pilot's Corner

A Bird's Eye View

Birds, bees, butterflies... Mother Nature sure has some unique and colorful flying creatures. Have you wondered what it would be like to get airborne and hover over the ground like a bee or a bird? Well, you may soon get the chance to do just that.

On Saturday, August 19, 2017, the Airpark Committee will be hosting its 9th Annual Fly-In Breakfast and will be offering ***tethered hot air balloon rides***. In the past, the Committee offered only 4 people an opportunity to ride in a hot air balloon. This year, the Committee decided to do something different. The tethered rides will allow many more people the opportunity to hop in the basket and ascend high above the ground to get a bird's eye view of Sugar Springs.

Everyone is welcome to join us for a morning of fun at the Airpark. Tethered balloon rides will be offered from around 6:30am to 8:00am. Breakfast will be served from 7:00am until Noon. Airplanes will be on display for some awesome Facebook selfies.

See you at the Airpark!

Rebecca
Airpark Committee

Golf News

Dear Member's/Property Owners,

Welcome to Summer at Sugar Springs. The Golf Events get into full swing this month as well as the start of the 2017 Junior Golf Camps near the end of June. The Scoop will have the entries and past event results.

Sugar Springs Golf Club was host to the Annual Gladwin Veterans Appreciation Fundraiser on May 22nd. Long time Sugar Springs resident Bill Eyre, a World War 2 fighter pilot was here again to kick off the event with the ceremonial tee shot. This event was sponsored by the SSMGA/SSWGA raised $2,870 for our local and in need veterans here in Gladwin County.

Please remember we take tee times 7 days in advance by calling the Pro Shop at 989.426.1162. We do ask that you arrive 15 minutes ahead for your tee times or if you are playing in an event or league play.

June is also the start of our full league schedule, below is the list of Days and League information: (Tournament Days there are no Leagues)

Monday – 8:15 Shotgun – Men's/Ladies Groups and Open Golf – Course Closed in the afternoon for course maintenance.

Tuesday – Ladies League Front and Back Nine, open play 11:30 AM and on.

Wednesday – Men's Morning Skins Sign-up and Men's 9 Hole PM – Open Play in the Morning up thru 1:45PM.

Thursday – Men's Morning 18 Hole League 8:30AM. Nine and Dine Couples Sign up 3:15 Start

Friday – Open Play – Friday PM. Couples 5:00 PM.

Swing Easy,

Mark Bayer, PGA

Military Appreciation Event

Sugar Springs

Garden Club

The Sugar Springs Garden Club normally meets on the third Thursday of the month, from May through October.

We meet at 9:30 a.m. in the activity building.
Bring a friend and join us.

For questions call Elaine Gagnon 989/246-8686.

Stitchers & Quilters

May Schedule		June Schedule	
10	General Meeting		
12	Bunko Party 1:00 P.M.	14	General Meeting & Garage Sale
17	Summer Wall Hanging		
24	Make Fabric Cards	21	Friendship Day
31	Tuffet Class	28	Quilt Show: Wrap Up

Join us in the Activity Building Meetings! Projects, & Classes begin at 11:30 a.m.

Calling All Quilters!

The Sugar Springs Stitchers and Quilters once again invite all area quilters to submit their handiwork to the Gladwin Area Showcase of Quilts! This year's show will be on July 7th and 8th, at the Columbus Hall, 751 S. M-18, just a mile south of M-61. Past shows have featured well over 100 quilts from residents within a hundred miles of Gladwin. In addition to quilts, we also showcase other forms of needlework – knitting, crochet, embroidery, etc.

Our show is non-juried, but does feature Viewers' Choice prizes in all categories. We accept all sizes and styles of quilts, but cannot accept quilts that have shown in our previous shows. There is no charge to enter your quilt.

Entry forms may be obtained through area quilt stores, or by contacting SS resident Kathy Baker at (989) 246-1070. Entry forms must be received by June 16.

We look forward to seeing you – and your quilts! – at the quilt show!

Recreation Committee News

SUGARCISE

Monday, Wednesday & Friday

9:00 am in the Lancer Room

of the Activity Center.

Join us for an hour of fun and improve your fitness level. Start with a warm up to get those muscle groups ready, then swing into a "FUN" cardio segment. That's right we said "FUN CARDIO". Finish with exercises to improve muscle tone in those "areas" we all need to work on.

Attention Mah Jongg Players

Mah Jongg

The game of Mah Jongg will be played on Tuesday evenings at 6 pm in the Lancelot Room.

YOGA WITH CAROL KAHN

Classes begin on Thursday June 8th from 1 to 2 PM in the Sir Lancelot room. The class will run thru August 24th. The cost is $50.00 for 8 weekly classes. Wear loose clothing and bring a Yoga mat or towel to lay on. Sign up is the first class on June 8th. Any questions call Carol Kahn at 585-292-9642.

The Sugar Springs Recreation Committee invites you to attend their monthly Birthday Dinners held on the last Monday of the month, at 5:00 pm. Join us at the Hearth Restaurant for dinner and we will provide the dessert. Have fun with friends, or make new ones as we celebrate those who have had their birthdays throughout the month.

TEAM TRIVIA

Join your Sugar Springs neighbors on Wednesday evenings at 7:00 pm

in the Activity Building

Cost is $2/person

Cash prizes ~ Snacks

Question topics run from Golf to Geography, Science to Sports, Money to Movies, Landmarks to Language, Entertainment to Endangered Species, Food to the Funnies, Drinks to Dogs, TV to Travel, Vegetables to Vegas, and More.

Come, be on a team, and have some fun with us.

SPONSORED BY THE SUGAR SPRINGS RECREATION COMMITTEE

SUGAR SPRINGS CRAFT SHOW BAKE SALE

The Recreation Committee will be sponsoring a Bake Sale in the Activity Building on Saturday, July 1st from 10:00 – 1:00 in conjunction with the Annual Craft Sale. Please stop by and check out our selection of cakes, pies, cookies, candies, jams, and other treats.

Please consider donating baked goods for this event. These can be brought to the Activity Building on Friday, June 30th from 4:00 to 6:00 or on Saturday, July 1st beginning at 8:00. This is a 100% profit activity for the committee to raise funds for recreational events for all Sugar Springers.

We will also be having a basket raffle so stop in and purchase your tickets.

2017 Sugar Springs Health Fair

Friday, June 16, 2017

9 a.m. – Noon

Sugar Springs Activities Building, Lancelot Room

1930 Sugar River Road, Gladwin
(see map on reverse)

A few simple numbers paint a picture of your overall health. They can predict your risk for heart disease, stroke, diabetes or osteoporosis and provide the information you need to live a longer, healthier life. Once you know your numbers, we can help you develop a personalized action plan to improve them or to keep them in a healthy range.

For more information, contact the Community Education Department at **(989) 246-6291**.

Free Screenings:

- Blood Pressure Screening
- Bone density heel scan
  Participants should wear easy to remove shoes and socks

Informational MidMichigan Booths:

- Home care services
- Diabetes care and prevention
- Women's health services
- Infusion therapy and oncology nurse navigator services
- Heart and vascular program
- Sleep disorders

Online Health Assessments

By knowing your health risk factors today, you can take the first step towards a healthier tomorrow. Take one of our FREE 5-minute online health assessments to better understand your heart health, peripheral artery disease risk, weight category, knee and hip pain or breast, colorectal and lung cancer risk.

2017 BOCCE BALL SEASON SIGN-UP

It's time to think about Bocce Ball. The 2017 season will consist of 6 games and run from June 12th through July 28st, with the playoffs and banquet in August. If you already have a 4 person team, please use this form to list member information and indicate your captain. If you are interested in playing and don't yet have a team, please sign up as a group of 3, 2 or even as an individual and teams will be set-up. If you are not able to commit to a full season, but would be interested in subbing, please sign up on the Substitute Player section. It is a great way to socialize and get a little exercise!

Any questions? Contact Dick Fawcett: Home: 989.426.5386, Cell: 989.329.0152 or Email: dadfawcett@gmail.com.

Lakes Committee News

The Wood Lake Art above is our own Lancer and Lake Lancelot made in Harbor Springs, Michigan thru The Grommet. If you are interested in one go to the website: www.thegrommet.com and search for wood lake art. The one above is 8”x11” wood framed, cost $58 plus state tax, and received from The Grommet in about one week.

The Drain Commission is in the process of repairing the Spillway gate and Bypass valve.

See the notice about the Boater Safety class July 8th in this Sugar Scoop.

We need volunteers for the Goose Round-up on June 13. Call the POA office and they will give you the right people to contact.

We now have boat banters or car signs to let you know we are on the Lake or doing Lake business.

All have a great summer on the water with safety in mind at all times. We will see you on the water checking on NWS, water testing, buoys, and other things. We on the Lakes Committee are there for all of you so we all can enjoy our fine Lakes.

NOTICE

Lake Lancer/Lancelot 2017 Treatment Program

The property owners in this area are planning to have the waters chemically treated to control lake weeds and/or algae. This notice is being circulated in accordance with Department of Environmental Quality (DEQ) procedures. Due to the uncertainty of weather, the treatment schedule is approximate. Please watch your shoreline for the posting of the 8.5 x 11 inch, yellow or green signs. The signs will indicate the date of the treatment, the products used, and any restrictions on the use of treated water for swimming, watering lawns, etc. One or more treatments involving water restrictive products may be applied. Please be aware that only products approved by the State of Michigan and the Federal government are being used. We have experienced ***no adverse effects on people, fish, wildlife or domestic pets since applying these products.*** We anticipate using one or more of the products listed. Please read the restrictions. Again, the restrictions that apply to the products actually used in a particular treatment will be found on the signs posted on the day of treatment.

2017 Tentative Treatment Schedule

Treatments will be occurring throughout the summer months, beginning in May through September. Please watch your shoreline for posting signs with specific restrictions. Please also note that you will see PLM on your lake many times this summer. We will not always be treating the lake, but performing many surveys, water quality testing, etc. Thank you for your understanding as we work to preserve and protect your lakes. The following TENTATIVE SCHEDULE is being provided so everyone is aware of the Plan of Action for Sugar Springs this season. Please be aware that many factors could adjust this schedule and it is only tentative. We do our best to stick with this schedule, but plant growth, weather, permits, etc all impact this schedule. The lakes have been tentatively scheduled for the following weeks of:

May 8: Survey
May 22: Weed & Algae Treatment
June 12: Survey
June 19: Weed & Algae Treatment
June 26: Possible Algae Treatment
July 10: Survey
July 17: Weed & Algae Treatment
August 7: Survey
August 14: Survey
August 28: Possible Algae Treatment
September 18: Survey

WATER USE RESTRICTIONS

- **Navigate /2,4-D:** Swimming or bathing: 1 day. Household use, irrigation, lawns and turf: 0 Days. Growing crops and non-crops "gardens": Indefinite unless assay indicates 100 ppb or less. Potable water: Indefinite unless assay indicates less than 70 ppb. Fish consumption: No restrictions.
- **Sculpin G/2,4-d amine:** Swimming or bathing: 1 day. Household use, irrigation, lawns and turf: 0 Days. Non-crops "gardens": 2-14 Days depending on treatment conditions. Growing crops: assay of less than 100ppb. Livestock watering: See product label. Fish consumption: No restrictions.
- **Renovate/Triclopyr/Navitrol:** Swimming or bathing: 1 day. Irrigation of Established lawns and turf: 0 Days. Household use & Irrigation excluding grasses: 120 days or once assay determines product to be non-detectable. Fish consumption: No restrictions.
- **Renovate MaxG/Triclopyr & 2,4-d amine:** Swimming or bathing: 1 day. Household use, irrigation, lawns and turf: 0 Days. Non-crops "gardens": 2-14 Days depending on treatment conditions. Growing crops: 120 days or until assay indicates 1ppb or less Triclopyr and 100ppb or less of 2,4-D. Livestock watering: See product label. Fish consumption: No restrictions.
- **Diquat dibromide:** Swimming or bathing: 1day. Animal consumption of treated water: 1 day. Domestic water use and irrigation of turf & ornamentals: 3 days. Crop irrigation: 5 days.
- **Stingray:** Swimming or bathing: 1day. Animal consumption of treated water: 1 day. Domestic water use and irrigation of turf & ornamentals: 14days. Crop irrigation: 14 days.
- **Hydrothol 191/Dimethylalkylamine salt of Endothall Aquathol K/Dipotassium salt of Endothall AquaStrike/Dipotassium salt of Endothall:** Swimming or bathing: 1 day. Household uses, irrigation, livestock watering: 2 weeks.
- **Flumioxazin/Clipper or Schooner:** Swimming or bathing: 1day. Domestic water use and irrigation of turf & ornamentals: 3 days. Crop irrigation: 5 days.
- **Nautique/copper carbonate, Komeen/copper as elemental:** Swimming or bathing: 1 day.
- **Habitat, Aquapier/Imazapyr:** Swimming or bathing: 1 day. Irrigation: 120 days unless assay indicated a level of 1ppb or less.
- **PLM Blue, Cygnet Select**: water dye (tracer), **Copper Sulfate Alonglife**: copper sulfate, **Cutrine Plus-Ultra, Captain-XTR, Algimycin, Earthtec, SeClear and SeClear G, Formula F-30, K-Tea**: chelated copper, **Cygnet Plus, PolyAn**: Adjuvant, Pak 27, **AquaSticker, Green Clean L and Green Clean 5.0**: oxidizer, **AquaPrep**: enzymes & non-ionic surfactants, **Nutrisorb,, M.D. pellets**: gram negative, naturally occurring bacteria. **PLM Enzyme**: enzymes, Phoslock: phosphorus locking technology. **NO RESTRICTIONS!!**

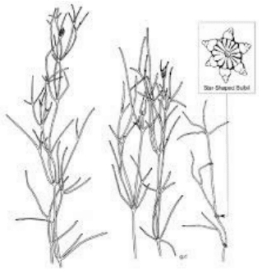
2017 Proposed Treatment Plan

Lake Lancer and Lancelot have very different plant communities and each lake is independently managed for those plants with a focused planned. Lake Lancelot has an infestation of Eurasian watermilfoil and Curlyleaf pondweed. Lake Lancelot has fewer native plant species present and a large focus of the program is improving the native plant community for the overall health of the lake and fishery. Lake Lancer has an infestation of Variable leaf milfoil as well as EWM and Curlyleaf pondweed. The native plant community in Lake Lancer is diverse and some species do cause a recreational concern mid season. Focus is being made on those species and prioritizing management to maintain diversity and reduce density when able. PLM will be aggressively managing each lake using the latest technologies to ensure the best possible management program is offered to your association. While we are working at controlling numerous plants and algae and that growth will vary seasonally with weather; we encourage all residents to assist in the management your lake frontage with promoting healthy lake front living practices (reducing fertilizers, green belts, removing debris, raking your beach, etc). Let's all work together to continue to improve your beautiful lakes!

www.plmcorp.net

Starry Stonewort— Exotic Plant WATCHLIST

Starry stonewort has been quickly spreading throughout Michigan and is one of the primary focuses of management on Lake Lancelot and Lancer. Starry stonewort (Nitellopsis obtusa) looks like a rooted plant but it is actually an algae. The plant is native to Europe and Asia and was first discovered in the St. Lawrence River in 1978. In 1983, it was found in the Detroit River and has since infested many Michigan lakes. Starry stonewort resembles the native aquatic plant Chara. Unlike Chara, which is generally considered to be a beneficial plant, starry stonewort has a tendency to inhabit deeper portions of the lake and can form dense blankets several feet thick. These mats can severely impede navigation and limit growth of more beneficial plants. Starry stonewort anchors to the sediments through rhizoids (primitive root structures) which can also absorb nutrients. Like Chara, starry stonewort also absorbs nutrients from the water through its cell walls. Starry stonewort has tiny, star-shaped, tan colored reproductive structures called bulbils that are firm to the touch when compared to its soft branches. These reproductive bulbils have been shown to stay viable for several years in lake sediments. It is unclear what effects starry stonewort may have on a lake's fishery. However, the encroachment of starry stonewort into fish spawning beds may be a cause for concern. Both algaecides and mechanical harvesting appear to be somewhat effective in controlling starry stonewort. However, given its propensity to produce massive amounts of growth, efforts to keep this invasive algae at bay will be difficult and potentially expensive. We are constantly on the lookout for new infestations of SSW for quick action. Please keep your eyes on the look out!



Riparian Responsibilities

Yes, if you live on a lake, YOU have responsibilities. Properly maintaining your lawn near the lake is an essential part to a healthy aquatic ecosystem. Some ways you can help your waterbody include:

- **Do not feed the ducks and geese. Remove dog, geese and duck droppings from lawns, docks, etc. Excess feces will increase nutrients within the lake. Please, do not sweep it into the lake!**
- **Create a natural buffer close to the water's edge and remove grass/turf touching the water's edge. A natural setting will filter excess nutrients from entering the water and help decrease erosion. The greenbelt should consist of native plant varieties of shrubs, flowers or trees that do not shed their foliage into the water. Natural buffers are also an excellent way to deter geese from making a stop on your beach front. Geese do not like areas where they cannot see the predators coming towards them.**
- **If you do fertilize make sure you are using Phosphorus free fertilizer. One pound of phosphorous may produce over 775 pounds of algae-"The slimy green stuff". If you must fertilize, apply nitrogen fertilizer when the grass is actively growing to minimize loss of nutrients to nearby waters. Avoid application of fertilizer prior to rainy days.**
- **RAKE YOUR BEACH! Remove aquatic plants, leaves/branches and other debris that washes up along the lakeshore so less decomposition occurs in or near the lake.**
- **Always use silt fences when building a new home or doing any yard-work that would cause erosion. Encourage the use of stone, brick and similar porous materials when building a landscape to minimize urban water collection.**
- **Keep all burn piles and debris piles away from lake. Do not burn near the water. The ash is concentrated nutrients!**

Boating Safety Class

When: Saturday, July 8th

Time: 9am to 3pm

Where: Lancelot Room of the Activity Center

Cost: Class is free, $5 for lunch paid in advance

Who may attend the class?

Age requirement for the course is at least
6 months before your 12th Birthday to adults.

Results: Obtain your Boating Safety Certificate

Come in or call
the POA Office to register!

Sponsored by the
Sugar Springs Lakes Committee

Sugar Springs Memorial Committee

Donations for Memorials can be made at the POA building.

Memorial Funds are used in many areas at Sugar Springs.

Current Memorial Suggestion List

Sugar Springs Beautification Projects - American, Michigan & Sugar Springs flags

Sugar Springs Beach Areas - Sugar Springs Golf Course

Sugar Springs Recreational Area - Sugar Springs Chalet Area

Our Memorial Committee members are looking for a couple of individuals who would be interested in serving on this committee. We have four meetings during the year (May, July, September & November) where we go over the current and future projects, financials etc.

Roscommon Area Events in June

Roscommon Steel Drum Concert

This group is very unique to Northern Michigan. One band is comprised entirely of local adults. The other band is all high school students. They recognized all across the state for their outstanding performances at festivals and concerts. The students and director arrange their own music makes it one of a kind.

CONCERT INFORMATION
Concerts are at 7:00pm CRAF Center lawn, rain or shine, inside for inclement weather.
Concerts are FREE to the public but a goodwill offering is taken to meet incidental expenses. Refreshments are available
This series is supported in part by the Michigan Council for Arts and Cultural Affairs and the Northeast Regranting Agency and the Roscommon tan Recreation Authority
For more information contact the CRAF Center at (989) 275-4975 or view the series @ www.roscorec.org

Jazzed Because

The Jazzed Because Quartet has an original style that compliments cover tunes and makes them as original as their own songs that cover a wic musical styles, as well as decades of sound evolutions. In the belief that Jazz is the freedom of spontaneous expression. Truly an experience fo ers as well as the musicians themselves, Jazzed Because is technical, but not overly, classy, but not stuffy, professional, yet very entertaining a suitable for any and all venues that require the very best in smooth jazz with a touch of fun.

CONCERT INFORMATION
Concerts are at 7:00pm CRAF Center lawn, rain or shine, inside for inclement weather.
Concerts are FREE to the public but a goodwill offering is taken to meet incidental expenses. Refreshments are available
This series is supported in part by the Michigan Council for Arts and Cultural Affairs and the Northeast Regranting Agency and the Roscommon tan Recreation Authority

Butman Township News

SUMMER 2017 TAXES

It's that time again, Summer 2017 Taxes will be mailed to the current owner of record on file at the Butman Township. They are due in this office no later than September 14th without penalty, postmarks are NOT accepted. A 1% penalty is added for September and each month thereafter that it remains unpaid. It is very important that any changes of address be sent to the township prior to June 28th in order for all taxes to be delivered to the proper address. Changes of address requests MUST be in writing and either mailed to the township or sent to via email to butmantreasurer@gmail.com for us to change our records. We no longer take change of address by phone due to the many problems this has caused.

SEWER BILLING & COLLECTION OF DELINQUENT ACCOUNTS

The fiscal year of Butman Township runs from July 1st to June 30th of each year. The program used for the sewer billing requires us to "clear out" any charges from the past fiscal year and start the new fiscal year at the current amount due for July 1st. Any balances are **delinquent** as of June 30th, but are no longer shown on the owner's sewer bill. A letter concerning the delinquent sewer billing amount is sent to the current owner of record outlining the procedure in collecting that delinquency. Substantial penalties and interest are assessed and if these delinquent amounts are not paid by October 1st of each year the delinquent amount, including the penalty and interest, will be placed on your Winter 2017 tax bill.

CREDIT / DEBIT CARDS NOW ACCEPTED

To pay a sewer billing chose one of the following ways: (PLEASE note a $3.95 charge applies to all sewer payments done by credit/debit cards) You must have your account # to finish this, if your account is 90528 please add a 0, example 090528 will be your account number.

Call 1-844-294-9239 OR

Go on-line to: https://ipn2.paymentus.com/rotp/bts

See page 2 for tax information

Butman Township News continued:

To pay a tax billing (**ONLY AVAILABLE FROM JULY 1ST THROUGH FEBUARY 28TH EACH YEAR)** with a 3% billing charge: You must have your parcel number such as 060-090-000-528-00 to make a payment.

Call 1-844-294-9245 OR
Go on-line to https://ipn2.paymentus.com/rotp/btt

AFTER February 28th payments may only be made at the Gladwin County Treasurer's office or via their website http://gladwincounty-mi.gov/ then to the Treasurer's page for further instructions.

BUTMAN TOWNSHIP 2017 MOSQUITO ABATEMENT PROGRAM

Mosquito Abatement Program

Consists of Seven Key Elements

1. **Early spring surveying in the township to locate potential mosquito breeding habitats.**
2. **Testing and monitoring of any known sites that have standing water for the presence of mosquito larvae.**
3. **Larvacide treatment of standing waters, ditches, and woodland pools that test positive for mosquito larvae.**
4. **Adult mosquito surveillance and monitoring using an extensive array of New Jersey Light Traps (NJLT) and CDC Traps. The number of adult female mosquitoes in the traps will be monitored two days a week. Only female mosquitoes bite. In addition, a sampling of mosquitoes found in the traps will be tested for West Nile Virus on a periodic basis.**
5. **A truck-mounted short-lived adulticide spray will be applied to knock down the mosquitoes on Thursdays at dusk from May 25th- August 31st, weather permitting. This type of application is defined as a space treatment that uses an Ultra Low Volume (ULV) machine. The chemical used for this treatment is Kontrol 4-4. The active ingredients are Permethrin 4.6% and Piperonyl Butoxide Technical 4.6%. There is no re-entry restriction listed with this product.**
6. **In the event disease-carrying mosquitoes are found in any area of the township, a total comprehensive adulticide spraying application will occur.**
7. **If you are pregnant, have health concerns, asthma, allergies, emphysema, or compromised immune systems because of chemotherapy or other medications, or environmental concerns: call Rose Pest Solutions at 1-800-437-6938, E-Mail them at mosquito@rosepest.com , pick up a form at the township hall, or visit the township's website www.butmantwp.com to get:**

- **Shut-Off List – to have the adulticide spray shut off in front of your property.**
- **Notification List – to know when there will be adulticide spraying in your area, so you are able to close doors and windows and bring your pets inside.**
