We Need You

"Do you have a strong back, good sense of smell and an understanding wife?" This was an appeal for volunteer firefighters back in the 1800's.

Well, today we still need volunteers and you just might be the perfect candidate. Butman Township and Sugar Springs, in particular, depend on volunteer Medical First Responders (MFR's) and Firefighters. The ideal candidate will do both but we have positions for those that would like to specialize.

We are an on call department. That means, when the pagers go off signaling an emergency, those that can respond will respond. You can be a full time resident, a seasonal resident or a weekend resident. We will work with your schedule.

We will provide the necessary training and equipment. We also provide uniforms and a small per run stipends. You will get the satisfaction of knowing that you can make a difference, you can save a life. Please consider joining the men and women of the Butman Township Fire Rescue.

Interested? Stop by the firehouse, the Township Hall or contact Chief Gregg Pollock at (989) 246-0960

SSPOA NEWS

Jim Issitt
Board President

From the Board of Directors

Open letter to Sugar Springs Member Only. You do not have permission to post on Social Media.

2017 was a good year for the SSPOA. The Hearth Restaurant continued its improvement and posted again in 2017 the best year in our history. The Association also recorded a $200,000 surplus in revenue over expenses; money which will be used to help fund our 2018 capital expenditures.

In 2017, the Association replaced the original cooler and freezer boxes that store food items at the Hearth. The old units were becoming too expensive to continue to try and repair. We also purchased a used mower for the golf course to replace a unit that had out-lived its useful life.

In 2017 the Board of Directors

- continued to put money into specific reserve accounts to pay for future projects.
- It created a policy by which a member can record a board of directors meeting
- Revised its cost of reproducing documents
- Continued its requirements for lot consolidation of tax sale lots
- Made size requirement changes to the camping lot pump house to make it more member friendly
- Sent a proposal to the membership which changed the voting period for “camping on lot” realm votes from 3 to 7 years. The proposal was approved by the membership.

Public Nuisance Ordinance #35

FIREWORKS AND NOISE

PREAMBLE

The purpose of this ordinance is to protect the public health, safety and general welfare of the inhabitants of the Township, the land and resources lying within the township, to prescribe penalties for the violation thereof and to repeal all ordinances or parts of ordinances therewith. This Ordinance shall include, but not limited to, restrain and prevent vice and immorality, gambling and noise and disturbance. To prevent and quell riots; to preserve peace and good order; and to protect the property of this township and persons within said township. This Ordinance replaces Noise Ordinance #22 as amended.

SECTION A: FIREWORKS PROHIBITED ACTS:

1a. In accordance with the State of Michigan (MCL 28.457) defined as a populations of less than 50,000 located in a count with a population of less then 750,000, Butman Township enacts this Ordinance regulating and including prohibiting the ignition, discharge and use of consumer fireworks, including, but not limited to, an Ordinance prescribing the hours of the night as follows:

Between the hours of 1 a.m. and 8 a.m. on the day preceding, the day of, or the day after a national holiday as follows:

"National Holidays" are those defined in 5USC6103

1. **New Year's day, January 1**
2. **Martin Luther King, Jr Day, the third Monday in January**
3. **Washington's Birthday, the third Monday in February**
4. **Memorial Day, the last Monday in May**
5. **Independence Day, July 4**
6. **Labor Day, the first Monday in September**
7. **Columbus Day, the second Monday in October**
8. **Veterans Day, November 11**
9. **Thanksgiving Day, the fourth Thursday in November**
10. **Christmas Day, December 25**

The Township of Butman prohibits any discharge of fireworks, or any sort and at any time on Butman Township Properties.

This Exclusion and/or Exception will be subject to and governed by any/all changes to the State of Michigan (MCL 28.457), as amended.

2A

Violation and Penalties

Upon receipt of a Formal Complaint filed (form available at the Township Offices of by mail), the following procedure will be followed:

1aa. The Ordinance enforcement Officer will notify the violator in writing of a Complaint filed and request immediate action to correct and/or cease violations to this Ordinance.

2aa. If a 2nd formal complaint of a similar action, The Township Ordinance Officer (and/or a Butman Township Board of Trustees), will notify the Gladwin county Sheriff's department to immediately investigate and correct the incident for the repeated violation. Said Sheriff's Department investigation will be at the

expense of the Township. Therefore, a resident must file a formal complaint with the township for action, and not directly with the Sheriff's department.

3aa. If 1aa and/or 2aa does not resolve the Violation of this Ordinance and a 3rd Complaint of a similar action is filed, the incident will be considered a Misdemeanor and upon conviction, shall be subject to a fine not exceed Ninety (90) days in jail plus court costs.
Following the notification to the offender, each day a violation continues to exist shall constitute a separate violation of this Ordinance and proceed to each step outlined above.

A Township Ordinance Officer or Butman Township Board of Trustee will notify the Gladwin County Sheriffs Department to immediately investigate and correct the incident. The incident will be considered a Misdemeanor and upon conviction shall be subject to a fine not to exceed Five Hundred Dollars ($500.00) and/or by imprisonment in the County Jail for not more than Ninety (90) Days.

Following the notification to the offender, each day a violation continues to exist shall constitute a separate violation of this Ordinance.

SECTION B: NOISE (OTHER) PROHIBITED ACT:

1B
It shall be unlawful between the hours of 11:00 p.m. and 8:00 a.m. for any person to create, maintain or permit any loud, unnecessary, unnatural or unusual noise of such character, intensity, or duration, either steadily or intermittently at any place which annoys, disturbs endangers or impairs the comfort, health convenience, safety, welfare, enjoyment and peace and quiet of other persons in the vicinity.

2B
It shall be unlawful at any time of the day or night, for any person to play a radio, CD, audio tape, television, computer of musical instrument in such a manner or at such a volume as to disturb the quiet, comfort and repose of neighboring inhabitants of at a volume which is plainly audible to persons other than those who are occupants of the home, room or vehicle in which devise or instruments played and who are voluntary listeners thereto.

3B
It shall be unlawful at any time of the day or night to keep any animal, dog or bird which by causing frequent or long-continuing noise, or barking, causes a disturbance as defined in paragraph 2B above.

4B Exemptions:

4-1bb Any activity that is a "farm operation" with the Michigan Right to Farm Act, 1980 P.A., no 93,

MCL 286.471 et seq, shall be exempt from the application of this Noise (other) Section of the Ordinance.

4-2bb This ordinance shall not apply to any activity which generates noise or sound of that activity is specifically regulated or controlled, in whole or in part, as to allowable noise or sound levels, or allowed during certain hours of operation or use, by State Law or regulation, city, village or township ordinance. To this extent that there is partial regulation of noise of sound generation, then this ordinance may be applied to that activity but not in conflict with State law, regulation or ordinance of the local jurisdiction in which the activity occurs, such as Fire, Police, or Siren Safety Warnings.

5B VIOLATIONS AND PENALTIES:

Upon receipt of a Formal complaint is filed (form available at the Township Offices of by mail), the following procedure will be followed:

5-1bb. The Ordinance Enforcement Officer will notify the violator in writing of a Complaint filed and request immediate action to correct and/or cease violations to this Ordinance.

5-2bb If corrective action is not taken following 1bb, the Township Ordinance Enforcement request, and upon presentation to the Board of Trustees, legal action for a proceeding to Misdemeanor and upon conviction, shall be subject to a fine not to exceed Five Hundred Dollars ($500.00) and/or by imprisonment in the County Jail not more than Ninety (90) Day.

5-3bb Each day a violation continues to exist shall constitute of separate violation of this Ordinance.

ORDINANCE SAVINGS/SEVERABILITY CLAUSE:

The provisions of this ordinance are hereby declared to be severable and if at any cost, sentence, word section, or provision is declared null and void or unenforceable, for any reason, by a court of competent jurisdiction, the remaining portions of said ordinance shall remain in force. In addition, sections of this Ordinance are severable, providing any section, sentence, paragraph, phase of clause if declared unconstitutional, unlawful or unenforceable b law enforcement, courts, or other legal jurisdiction, but will not affect all other sections sentences paragraphs, phases or clauses within this Ordinance.

ORDINANCE EFFECTIVE DATE:

This ordinance will take effect 30 (thirty) days following publication hereof in the Gladwin County Record on __October 21__, 2015.

We, Shirley Kyle, Supervisor and Sharon Hobin, Clerk for the Township of Butman, Gladwin County, Michigan hereby declared Ordinance #35 as Amended and Adopted as of _October 14_,2015, and effective 30 days from the date of adoption.

Shirley Kyle, Supervisor Township of Butman

Sharon Hobin, Clerk Township of Butman

Hawaiian Omelet	2 egg	3 egg
Ham, pineapple and Swiss cheese	$5.99	$6.99

Build Your Own Omelet

Choose from: spinach, mushrooms, onions tomatoes, red & green bell peppers, black olives, artichokes, pineapple, banana peppers, jalapeno's, bacon, ham, sausage, turkey, taco meat, shaved beef, ground beef, Italian sausage, Canadian bacon, corned beef hash. Also choose from the following cheeses: American, Swiss, cheddar jack, provolone, feta, bleu cheese crumbles

	2 egg	3 egg
Choose any 4 items (additional items $.60 each)	$6.50	$7.50

* Ask your server about menu items that are cooked to order or raw. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase you risk of foodborne illness

AECC Committee

Welcome back to all who are returning from (hopefully) warmer climes. The committee has a few reminders for the upcoming summer season.

Camping Permits – Current year Camping Permits are required to be displayed as long as there is a camping unit on the lot. The permit must be easily visible from the road and identifiable as to which property it is associated. We suggest within 10 feet from the driveway and 10 feet from the front property line.

The snow season is finally over so trailers that are allowed in the driveway switches from snow mobile to boat. Utility trailers are never allowed for permanent storage in driveways.

Campers can be parked in home driveways for cleaning and trip preparation for two weeks only.

Fly or drive in for this fundraising event

Members will be serving you an all you can eat hot breakfast with pancakes, sausage links, eggs, hash browns and drinks.
Adults: $7.00 – Kids $3.00 (under 12)

Games for the kids, raffle and prizes

The first session of the Junior Golf Camp information is included below:

Sugar Springs Golf Club - Junior Golf Camps 2018

Session II – July 9th – July 12th

Ages 7 – 12 – 8:45AM – 9:30AM

Ages 13 – 16 – 9:45AM – 10:30AM

Each Session Cost $85 and includes: Golf Instruction, Daily Snack and Drink, Golf Balls upon successful graduation from 4 day clinic and on course play. Each session is limited to 8 children.

The Golf Course will begin closing Monday's at 12:45PM after the holiday for course maintenance work which will include spraying, verticutting and top dressing and other maintenance practices for the golf course. **The course and range are closed at this time**. The pro shop will be open until 1:30 PM on Mondays.

Swing Easy, Mark Bayer, PGA

Head Golf Professional

LADIES MONDAY MORNING SIGN-UP GOLF

Ladies Monday morning sign-up golf is for golfers of all abilities who wish to learn, or sharpen their game of golf, as well as meet other fellow golfers.

You DO NOT need to be a Sugar Springs member or belong to the Women's Golf Association to sign-up for 9 or 18 holes of golf.

The cost is your cost of golf with a cart, plus weekly prize money if you wish to participate.

All attempts will be made to have you golf with friends and golfers of your ability.

This is fun golf and we do not golf in the rain or severe weather. To maintain play speed, we ask that you pick up after 8 strokes and always play READY GOLF.

Sign up today by calling the Pro Shop (989) 426-1162

Lakes Committee

Boating on Lake Lancelot and Lake Lancer
Operating Regulations & Rules of the Road

Safety is the primary consideration to having a safe and enjoyable outing. The excitement, fun, and the thrills come in at a distant second. Enjoy our lakes!

Township ordinance prescribes slow/no wake speeds between the hours of 7:30 pm to 11:00 am daily.

A person shall not operate a Personal Watercraft (PWC) during the period that begins one (1) hour before sunset and ends at 8:00 am.

No skiing, tubing or towing without an observer.

Do not operate your boat or PWC within 100 feet of stationary objects, docks, swimming areas, shorelines or anchored boats unless operating at slow/no wake speeds.

Operate your watercraft in a counter-clockwise fashion for all water activities.

Observe all slow / no wake signs.

Do not operate your boat if you have been drinking.

Racing is prohibited.

Non-motorized craft (sailboats, rowboats, canoes, etc.) have the right-of-way over motorboats.

Any boat being overtaken has the right-of-way.

Personal Watercraft must obey the same rules as other boats.

A PWC shall not cross a wake closer than 150 feet from the boat making the wake.

No boat shall operate without proper lighting between sunset and sunrise.

Riding on the Bow is illegal if the vessel is not equipped with bow seating and is operating at greater than slow/no wake speed. It is illegal to ride on the gunwale.

Persons born after December 31, 1978, may not operate a PWC unless they have obtained a boating safety certificate.

The rider on a PWC is not to be sitting ahead of the driver (pg 23) of the boater safety booklet

Lake Lancer Boating Rules

ORDINANCE #13

High Speed Boating - Lake Lancer

DEPARTMENT OF NATRUAL RESOURCES

LAW ENFORCEMENT DIVISION

SPECIAL LOCAL WATERCRAFT CONTROL

Regulation No. 26 – GLADWIN COUNTY

Wc-26-95-002 *Lake Lancer*: **HOURS FOR HIGH SPEED BOATING**

On the water of Lake Lancer, all within sections 15, 16, 17, 20, 21 and 29, T.19N, T. 20N, R.1 W, Butman Township, Gladwin County, it is unlawful between the hours of 6:30 p.m. and 10 a.m. of the following day to:

A. Operate a vessel at high speed

B. Have a town or otherwise assist in the propulsion of a person on water skis, a water sled, kite, surfboard, or other similar contrivance.

The hours should be 7:30 p.m. to 11:00 a.m. of the following day when Eastern Daylight Savings Time is in effect. "High speed boating" is defined by the Marine Safety Act to mean a speed at or above which a motorboat reaches a planning condition.

Lake Lancer Boating Rules

Butman Township, Gladwin County, Michigan

Lake Lancer

An ordinance to regulate the speed of vessels and to provide for the safe use of the waters in Butman Township, Gladwin County: enacted under the authority of Act 303, Public Acts of 1967, as amended (M.S.A. 18.1287 (17)), being identical to State Administrative Rules filed in the Office of the Secretary of State.

THE TOWNSHIP OF BUTMAN ORDAINS:

SECTION I

All words and phrases used in this ordinance shall be construed and have the same meanings as those words and phrases defined in Act 303, P.A. 1967, as amended, M.S.A. 18.1287 (8).

SECTION II

Regulation No. 26, Gladwin County.

R 281.726.1. **Lake Lancer** slow—no wake speed zone.

Rule 1. On the waters of Lake Lancelot and the canals and channels connected thereto, section 16, 17, and 20; T20N, R1W, Butman Township, Gladwin County, it is unlawful for the operator of a vessel to exceed a slow—no wake speed when within 100 feet of any shore, dock, raft, buoyed or occupied bathing area, or vessel moored or at anchor, except when water skiers are being picked up or dropped off, if that operation is otherwise conducted with due regard to the safety of persons and property and in accordance with the laws of this state.

SECTION III

All other ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION IV

Violations of this ordinance are a misdemeanor and may be punished by a fine not to exceed one hundred dollars ($100.00) together with costs of prosecution or imprisonment in the county jail or such other place of detention as the court may prescribe, for a period

Lake Lancelot Boating Rules

Ordinance No. 2A – Speed of Vessels and Safe Use of Waters

Butman Township, Gladwin County, Michigan

Lake Lancelot

An ordinance to regulate the speed of vessels and to provide for the safe use of the waters in Butman Township, Gladwin County: enacted under the authority of Act 303, Public Acts of 1967, as amended (M.S.A. 18.1287 (17)), being identical to State Administrative Rules filed in the Office of the Secretary of State.

THE TOWNSHIP OF BUTMAN ORDAINS:

SECTION I

All words and phrases used in this ordinance shall be construed and have the same meanings as those words and phrases defined in Act 303, P.A. 1967, as amended, M.S.A. 18.1287 (8).

SECTION II

Regulation No. 26, Gladwin County.

R 281.726.1. **Lake Lancelot**: slow—no wake speed zone.

Rule 1. On the waters of Lake Lancelot and the canals and channels connected thereto, section 16, 17, and 20; T20N, R1W, Butman Township, Gladwin County, it is unlawful for the operator of a vessel to exceed a slow—no wake speed when within 100 feet of any shore, dock, raft, buoyed or occupied bathing area, or vessel moored or at anchor, except when water skiers are being picked up or dropped off, if that operation is otherwise conducted with due regard to the safety of persons and property and in accordance with the laws of this state.

SECTION III

All other ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION IV

Violations of this ordinance are a misdemeanor and may be punished by a fine not to exceed one hundred dollars ($100.00) together with costs of prosecution or imprisonment in the county jail or such other place of detention as the court may prescribe, for a period not to exceed ninety (90) days, or said fine, costs of prosecution and imprisonment, at the discretion of the court.

Lake Lancelot Boating Rules

Regulation No. 26 – GLADWIN COUNTY

Wc-26-95-002 *Lake Lancelot*: **HOURS FOR HIGH SPEED BOATING**

On the water of lake Lancelot, all within sections 15, 16, 17, 20, 21 and 29, T.19N, T. 20N, R.1 W, Butman Township, Gladwin County, it is unlawful between the hours of 6:30 p.m. and 10 a.m. of the following day to:

A. Operate a vessel at high speed

B. Have a town or otherwise assist in the propulsion of a person on water skis, a water sled, kite, surfboard, or other similar contrivance.

The hours shouldl be 7:30 p.m. to 11:00 a.m. of the following day when Eastern Daylight Savings Time is in effect. “High speed boating” is defined by the Marine Safety Act to mean a speed at or above which a motorboat reaches a planning condition.

PWC Operation Rules *

***per 2017 Boating Michigan Course from MI DNR**

Who may operate a Personal Watercraft (PWC)

- Those less than 14 years of age may NOT legally operate a PWC
- Those 14 and 15 years of age may operate a PWC legally Only if they have obtained a boating safety certificate and,….
  - He or she is accompanied on board by his or her parent or legal guardian or by a person at least 21 years or age who has been designated by the parent or legal Guardian OR…
  - He or she is operating or riding the PWC at a distance of not more than 100 feet form his or her parent or legal guardian or from a person at least 21 years of age who has been designated by the parent or legal guardian.
- Those at least 16 years of age and born after December 31, 1978, may operate a PWC legally ONLY IF they have obtained a boating safety certificate.
- Those born on or before December 31st, 1978, may operate a PWC legally without restrictions.

Requirements Specific to Personal Watercrafts (PWCS)

In addiction to adhering to all boating laws, personal watercraft (PWC) operators have requirements specific to their vessel

- Each person riding on or being towed behind a PWC must wear a U.S. Coast Guard-approved wearable Type I,II, or III PFD. Inflatable PFD's may not be used.
- You may not allow a child under 7 years of age to ride on or be towed behind a PWC unless with a parent, or legal guardian or a designee of the parent or legal Guardian.
- The lanyard of a PWC'S engine cut-of switch must be attached to the person, clothing or PFD of the operator.
- It is illegal to operate a PWC during the period that begins at sunset and ends at 8 :00 am (sunset) means that time determination by the national weather service.
- PWC'S must be operated in a reasonable and prudent manor at all times, for example, the following operations are illegal:
  - Jumping the wake of another vessel unnecessarily close to theother vessel
  - Weaving your PWC through congested traffic.

- Swerving at the last possible moment in order to avoid a Collison.

- A PWC must be operated at a “slow, no wake speed” if crossing within 150 feet behind another vessel unless the other is also a PWC.
- You may not operate a PWC within 200 feet of a Great Lakes shoreline unless traveling at a “ slow, no wake speed” perpendicular to the shoreline.
- You may not operate a PWC in waters less than two feet deep unless you are operating at a “slow, no wake speed” or are docking or launching your PWC.
- It is illegal to harass wildlife or disturb aquatic vegetation with your PWC.

Other PWC Considerations

- Regulations concerning PWC’S can vary from state to state.
- A PWC is very maneuverable and responsive to slight turns of the steering control. At high speeds, a quick turn can make the PWC unstable, causing the operator and any passenger’s to fall off. This is why most state’s require that everyone aboard a PWC wear a PFD.
- Any passengers on a PWC should be able to hold a securely to the person in front of them or to the handholds, while keeping both feet firmly to the foot rests. Children who are to small to be able to do this should not ride.
- **A passenger on a PWC should never be seated in front of the operator**
- Keep hands, feet, loose clothing, and hair away from the pump intake area. Before cleaning debris front the pump intake, be sure to shut off the engine.
- The jet of water exiting the steering nozzle at the rear of the PWC can cause severe internal injuries. Anyone riding on a PWC should wear a wetsuit or other clothing that provides similar protection. Also, keep everyone cleat of the steering nozzle unless the PWC is shut off.
- Frequently inspect your PWC electrical systems (e.g. starter and engine gauge connection) to ensure there is no potential for electrical spark. This is important because gas fumes could collect in the engine compartment and an explosion could occur if a spark from the electrical system ignited the fumes. After, fueling sniff the engine compartment for any evidence of gas fumes.
- Never exceed the manufactures recommended capacity for your PWC.
- Know your limits, and ride according to your abilities.

Who May Operate a Boat

- **Those less than 12 years of age**

  May operate a boat powered by a motor of no more than 6 horsepower legally without restriction

  May operate a boat powered by a motor of more than 6 horse power but no more than 35 horsepower legally **only if** they:

  Have been issued a boating safety certificate and have it on board the boat **and….**

  Are directly supervised on board by a person at least 16 years of age

  May not operate a boat powered by a motor of more than 35 horsepower legally under any condition

- **Those born on or after July 1, 1996**, may operate a boat legally only if they have been issued a boating safety certificate and have it on board the boat.

- Those born before July 1, 1996 may operate a boat legally without restrictions

Boating Safety Class

When: Saturday, July 14th

Time: 9am to 3pm

Where: Activity Building

Cost: Class is free, $5 for lunch paid in advance

Who may attend the class?

Age requirement for the course is at least 6 months before your 12th Birthday to adults. A safety boater certificate is required for those born on or after July 1, 1996 to legally operate a boat in Michigan and must have it on board with them.

Results: Obtain your Boating Safety Certificate

NOTICE

LAKE LANCER/LANCELOT 2018 TREATMENT PROGRAM

The property owners in this area are planning to have the waters chemically treated to control lake weeds and/or algae. This notice is being circulated in accordance with Department of Environmental Quality (DEQ) procedures. Due to the uncertainty of weather, the treatment schedule is approximate. Please watch your shoreline for the posting of the 8.5 x 11 inch, yellow or green signs. The signs will indicate the date of the treatment, the products used, and any restrictions on the use of treated water for swimming, watering lawns, etc. One or more treatments involving water restrictive products may be applied. Please be aware that only products approved by the State of Michigan and the Federal government are being used. We have experienced ***no adverse effects on people, fish, wildlife or domestic pets since applying these products.*** We anticipate using one or more of the

2018 Tentative Treatment Schedule

Treatments will be occurring throughout the summer months, beginning in May through September. Please watch your shoreline for posting signs with specific restrictions. Please also note that you will see PLM on your lake many times this summer. We will not always be treating the lake, but performing many surveys, water quality testing, etc. Thank you for your understanding as we work to preserve and protect your lakes. The following TENTATIVE SCHEDULE is being provided so everyone is aware of the Plan of Action for Sugar Springs this season. Please be aware that many factors could adjust this schedule and it is only tentative. We do our best to stick with this schedule, but plant growth, weather, permits, etc all impact this schedule. The lakes have been tentatively scheduled for the following weeks of:

May 14: Survey	**May 21**: Weed & Algae Treatment
June 18: Survey	**June 25:** Weed & Algae Treatment
July 16: Survey	**July 23:** Weed & Algae Treatment
August 13: Survey	**August 20:** Weed & Algae Treatment

September 17: AVAS Survey, Possible Algae Treatment

WATER WATER USE RESTRICTIONS

- **Navigate /2,4-D:** Swimming or bathing: 1 day. Household use, irrigation, lawns and turf: 0 Days. Growing crops and non-crops "gardens": Indefinite unless assay indicates 100 ppb or less. Potable water: Indefinite unless assay indicates less than 70 ppb. Fish consumption: No restrictions.

- **Sculpin G/2,4-d amine:** Swimming or bathing: 1 day. Household use, irrigation, lawns and turf: 0 Days. Non-crops "gardens": 2-14 Days depending on treatment conditions. Growing crops: assay of less than 100ppb. Livestock watering: See product label. Fish consumption: No restrictions.

- **Renovate/Triclopyr/Navitrol:** Swimming or bathing: 1 day. Irrigation of Established lawns and turf: 0 Days. Household use & Irrigation excluding grasses: 120 days or once assay determines product to be non-detectable. Fish consumption: No restrictions.

- **Renovate MaxG/Triclopyr & 2,4-d amine:** Swimming or bathing: 1 day. Household use, irrigation, lawns and turf: 0 Days. Non-crops "gardens": 2-14 Days depending on treatment conditions. Growing crops: 120 days or until assay indicates 1ppb or less Triclopyr and 100ppb or less of 2,4-D. Livestock watering: See product label. Fish consumption: No restrictions.

- **Diquat dibromide/Tribune:** Swimming or bathing: 1day. Animal consumption of treated water: 1 day. Domestic water use and irrigation of turf & ornamentals: 3 days. Crop irrigation: 5 days.

- **Stingray:** Swimming or bathing: 1day. Animal consumption of treated water: 1 day. Domestic water use and irrigation of turf & ornamentals: 14days. Crop irrigation: 14 days.

- **Hydrothol 191/Dimethylalkylamine salt of Endothall Aquathol K/Dipotassium salt of Endothall AquaStrike/Dipotassium salt of Endothall:** Swimming or bathing: 1 day. Household uses, irrigation, livestock watering: 2 weeks.

- **Dipotassium salt of Endothall/ Diquat Dibromide/ AquaStrike/:** Swimming or bathing: 1 day. Animal consumption of treated water: 1 day. Domestic water use and irrigation of turf & ornamentals: 3 days. Household uses, irrigation, livestock watering: 2 weeks.

2018 Proposed Treatment Plan

Lake Lancer and Lancelot have very different plant communities and each lake is independently managed for those plants with a focused planned. Lake Lancelot has an infestation of Eurasian watermilfoil and Curlyleaf pondweed. Lake Lancelot has fewer native plant species present and a large focus of the program is improving the native plant community for the overall health of the lake and fishery. Lake Lancer has an infestation of Variable leaf milfoil as well as EWM and Curlyleaf pondweed. The native plant community in Lake Lancer is diverse and some species do cause a recreational concern mid season. Focus is being made on those species and prioritizing management to maintain diversity and reduce density when able. PLM will be aggressively managing each lake using the latest technologies to ensure the best possible management program is offered to your association. While we are working at controlling numerous plants and algae and that growth will vary seasonally with weather; we encourage all residents to assist in the management your lake frontage with promoting healthy lake front living practices (reducing fertilizers, green belts, removing

Starry Stonewort— Exotic Plant WATCHLIST

Starry stonewort has been quickly spreading throughout Michigan and is one of the primary focuses of management on Lake Lancelot and Lancer. Starry stonewort (Nitellopsis obtusa) looks like a rooted plant but it is actually an algae. The plant is native to Europe and Asia and was first discovered in the St. Lawrence River in 1978. In 1983, it was found in the Detroit River and has since infested many Michigan lakes. Starry stonewort resembles the native aquatic plant Chara. Unlike Chara, which is generally considered to be a beneficial plant, starry stonewort has a tendency to inhabit deeper portions of the lake and can form dense blankets several feet thick. These mats can severely impede navigation and limit growth of more beneficial plants. Starry stonewort anchors to the sediments through rhizoids (primitive root structures) which can also absorb nutrients. Like Chara, starry stonewort also absorbs nutrients from the water through its cell walls. Starry stonewort has tiny, star-shaped, tan colored reproductive structures called bulbils that are firm to the touch when compared to its soft branches. These reproductive bulbils have been shown to stay viable for several years in lake sediments. It is unclear what effects starry stonewort may have on a lake's fishery. However, the encroachment of starry stonewort into fish spawning beds may be a cause for concern. Both algaecides and mechanical harvesting appear to be somewhat effective in controlling starry stonewort. However, given its propensity to produce massive amounts of growth, efforts to keep this invasive algae at bay will be difficult and potentially expensive. We are constantly on the lookout for new infestations of SSW for quick action. Please keep your eyes on the look out!

Riparian Responsibilities

Yes, if you live on a lake, YOU have responsibilities. Properly maintaining your lawn near the lake is an essential part to a healthy aquatic ecosystem. Some ways you can help your waterbody include:

- **Do not feed the ducks and geese. Remove dog, geese and duck droppings from lawns, docks, etc. Excess feces will increase nutrients within the lake. Please, do not sweep it into the lake!**
- **Create a natural buffer close to the water's edge and remove grass/turf touching the water's edge. A natural setting will filter excess nutrients from entering the water and help decrease erosion. The greenbelt should consist of native plant varieties of shrubs, flowers or trees that do not shed their foliage into the water. Natural buffers are also an excellent way to deter geese from making a stop on your beach front. Geese do not like areas where they cannot see the predators coming towards them.**
- **If you do fertilize make sure you are using Phosphorus free fertilizer. One pound of phosphorous may produce over 775 pounds of algae-"The slimy green stuff". If you must fertilize, apply nitrogen fertilizer when the grass is actively growing to minimize loss of nutrients to nearby waters. Avoid application of fertilizer prior to rainy days.**
- **RAKE YOUR BEACH! Remove aquatic plants, leaves/branches and other debris that washes up along the lakeshore so less decomposition occurs in or near the lake.**
- **Always use silt fences when building a new home or doing any yard-work that would cause erosion. Encourage the use of stone, brick and similar porous materials when building a landscape to minimize urban water collection.**
- **Keep all burn piles and debris piles away from lake. Do not burn near the water. The ash is concentrated nutrients!**

Memorial Committee

Donations for Memorials can be made at the POA building.

Memorial Funds are used in many areas at Sugar Springs.

Current Memorial Suggestion List

Sugar Springs Beautification Projects - American, Michigan & Sugar Springs flags

Sugar Springs Beach Areas - Sugar Springs Golf Course

Recreation Committee News

SUGARCISE

Monday, Wednesday & Friday

9:00 am in the Lancer Room

of the Activity Center.

Join us for an hour of fun and improve your fitness level. Start with a warm up to get those muscle groups ready, then swing into a "FUN" cardio segment. That's right we said "FUN CARDIO". Finish with exercises to improve muscle tone in those "areas" we all need to work on.

Attention Mah Jongg Players

Mah Jongg

The game of Mah Jongg will be played on Tuesday evenings at 6 pm in the Lancelot Room.

TEAM TRIVIA

Join your Sugar Springs neighbors on Wednesday evenings at 7:00 pm

in the Activity Building

Cost is $2/person

Cash prizes ~ Snacks

Question topics run from Golf to Geography, Science to Sports, Money to Movies, Landmarks to Language, Entertainment to Endangered Species, Food to the Funnies, Drinks to Dogs, TV to Travel, Vegetables to Vegas, and More.

Come, be on a team, and have some fun with us.

The Sugar Springs Recreation Committee invites you to attend their monthly Birthday Dinners held on the last Monday of the month, at 5:00 pm. Join us at the Hearth Restaurant for dinner and we will provide the dessert. Have fun with friends, or make new ones as we celebrate those who have had their birthdays throughout the month.

2018 GLADWIN HOUSEHOLD HAZARDOUS MATERIALS COLLECTION PROGRAM

Some household hazardous materials can lead to contamination of groundwater, well water, or other water sources when spilled on the ground, poured down the drain, or placed in trash containers. To prevent this, collected materials will be properly recycled or safely treated in a licensed hazardous waste incinerator. This is your opportunity to safely and properly dispose of most hazardous materials you may have in your home, including...

Will Collect:

- *Transmission fluid, Oil filters, Antifreeze, Oil, Batteries*

Cleaning Products

- *Drain cleaners, Floor waxes, Furniture polish, Bleach and ammonia products, Oven cleaners,*

Personal and Health Care Products

- *Hair sprays, Dyes, Shoe polish, Aerosols, Nail polishes and removers*
- *Outdated or unused medications*

Automotive Products

- *Spray paints*
- *Auto polishes and waxes*
- *Battery acid*
- *Motor oil*
- *Automotive Batteries*
- *Four tires per household (NO Tractor Tires and MUST be off rims)*

Paint Products
(*No Latex Paint*)

- *Paint thinner*
- *Oil-based paints*
- *Brush cleaners*
- *Paint strippers*
- *Spray cans*
- *Lacquers and varnishes*

We also collect Mercury and Mercury-containing devices!

Prescription drugs will be accepted. Please remove labels from bottles before arriving.

5 to 20 Pound Propane tanks will be accepted.

Garden Products

- *Bug sprays*
- *Ant poisons*
- *Insecticide powders*
- *Fertilizers*
- *Weed killers*
- *Poisoned baits*

Electronics

- *Cables, Cable Boxes, Cash Registers, Phones, Cellular Phones, Computers, Computer Peripherals, All Computer Parts, Copiers, Cords, MP3/iPods/Etc., Networking Equipment, PDA's, Printers, Printer Cartridges, Mouse, Toner Cartridges, Projectors, Satellite Dishes, Servers, Stereos, Typewriters, Uninterrupted Power Supplies, VCR's, Video Game Consoles,* ***Exception: NO TV's, &/or CRT Monitors***
