A Short History of Sugar Springs

Farmers, woodsmen, and tradesmen homesteaded this area starting in the 1800's drawn to the area by the Sugar River. Many English, Dutch, Scotch, German, Swiss and Irish settled in this area. In 1878 the community was named Millsville, and was a community with schools, stores and a post office. Over time, lumber ran out and the town was abandoned. The land was mostly farms until it was purchased and developed by Isaacson & Associates in the 1960's, and in 1972 the first home was built. In 1978, the Sugar Springs Property Owners Association was formed and in 1987 officially took over operations from the developer. The idea of Sugar Springs was designed to be a place that family and friends could escape and enjoy sports, recreational activities and nature. To this day it is still considered "Mid-Michigan's best kept Secret!"
