General Manager's Report August 2016

It is always amazing to me how quickly time goes by. It seems like yesterday that I was welcoming everyone back for another fun summer season in Sugar Springs and now even though we do not want to think about it, school will be starting again soon.

Obviously the lakes have been a major concern this season, particularly with the lack of rain since May. Hopefully next year will be a more normal year with precipitation. The lower lake levels have not taken away from all the fun that happens on the lakes, but it does impact docks and boat lifts. If we don't receive any more rain than what we have been experiencing and the temperatures remain above normal; you may want to consider removing docks/lifts earlier in the year than usual so that if levels continue to fall, the companies that remove them for you don't have a problem getting to them. My best advice is just to keep an eye on the levels and make your best decision.

We have been busy doing maintenance in Sugar Springs again this year. The new parking lot at the POA office is done and the availability of additional parking spaces for all the members that use it for the Activity Building, tennis courts, bocce ball, and the POA office is working out well. We have more than doubled the number of parking spaces available. The tennis courts were completely resurfaced this summer; repairing a number of large cracks that were affecting play. The golf course has cut more dead ash trees on the golf course, with more to go. Our beach clubs and pavilions have or are all in the process of being repainted with our new lighter color scheme. The new directional signs guiding you around the "Lake Trail" were put in. An area of turf at the Airpark was leveled to accommodate more of the planes that come to the annual fly-in, and the B&G staff brush hogged all the grass 40 feet from the runway. We still have to complete building new stairs for the POA office, purchase a new copy machine for the POA office which is getting tired after printing over 1.4 million copies; install more of our new logoed signs at beach clubs and boat dock areas. We also will rip rap the last of the area of Manchester Beach Club to protect from erosion. All this while doing the things necessary to keep almost 50 year old buildings and their equipment running, which is a big job. A tile is being installed on the kiddy hill at the Chalet.

Continued on Page 4

Last winter water accumulated at the bottom of the hill which then turned to ice. Hopefully this fix will stop that from happening again this winter. We are still waiting for our contractor to do additional work at Camper Storage, and to fix drainage issues and create a gravel walkway at the Old Pavilion area, which is part of the Lake Trail.

Last, with Labor Day quickly approaching I want to personally thank all my staff, from the POA office, B&G, Cleaning, the Hearth, the Golf Club and Golf Course Maintenance for another great year. Without them my job would be much more difficult, and all the things you as members take advantage of all year round, would not be as nice. Thank you everyone; each and every one of you has done a great job! I would also like to thank all the members of Sugar Springs who donate their time and energy as volunteers. We are a special place because of you!

Enjoy the rest of your summer,

Robert Neeb, CMCA, AMS, PCAM

AROUND THE CAMPFIRE

Come One, Come All

Are you looking for a way to meet some new people in Sugar Springs? Or maybe you just want to enjoy some good food and conversation with people you already know. Either way, stop on by the Berkshire Beach Pavilion on Saturday, August 6th, from Noon to 2pm for the Annual POA Meet and Greet Pot Luck Picnic.

The picnic is open to all Sugar Springs property owners. Our volunteer grill masters will be cooking up hamburgers and hot dogs compliments of the POA. If you can, bring a dish to pass. Some of the best conversations and friendships begin when people come together to share a meal.

To add to the festivities, there will be a hot air balloon walk during the picnic. That's right! One of the infamous ReMax hot air balloons will be inflated on the ground so people can walk in and experience the massive inflatable structure from the inside. How would that photo look on your Instagram or Facebook wall?

Don't miss the fun! Put the date on your calendar!

Pilot's Corner

Active Runway, Stay Clear

Watching airplanes land and take off is something everyone can enjoy at the Airpark Fly-in Breakfast on Saturday, August 27th. It will be the busiest day of the year at the Airpark. Using last year as a baseline, we expect over 60 aircraft to fly in to Sugar Springs that day.

While the hustle and bustle can be exciting, there are a few words of caution everyone needs to heed in order to keep things safe; some things I cannot emphasize enough.

First, stay off of the runway! Never walk, ride or drive anything on or across the runway and please do not allow children on the runway. Airplanes are not as easy to see in the air as you might think. They tend to blend with the sky. Also, a landing airplane is very quiet because the engine is throttled back and it's basically gliding to a landing. Most small airplanes travel at 70-80 mph on final approach to landing. Imagine walking across a highway with a car traveling in your direction at that speed. It's not a risk worth taking.

Next, stay clear of airplane propellers. If you see people climbing into an airplane, chances are they are going to start the engine next. If you hear someone yell "clear" or "clear prop" that's a warning that a pilot is going to start the engine. When the engine cranks, the propeller turns. You don't want to be anywhere near a propeller when it's turning. Think of it as a big lawn mower blade.

The Airpark Committee will mark off various areas with caution tape and volunteers will be helping guide airplanes in and out of the parking area; however, we need Fly-in attendees to stay alert and heed our cautions when walking near the active runway and in the aircraft parking areas. A safe and fun event is our primary objective.

See you at the Fly-in!

BENEFITS ADVOCACY • CASE MANAGEMENT • CARE COORDINATION

AVA Care and Case Management has been serving Michigan residents for almost a decade. It is our single driving mission to identify and assist those individuals who need help most. The AVA Team consists solely of medical professionals who have embraced the need to balance information, justice, access and quality care with cost efficient healthcare delivery strategies. AVA does not take sides. We hold the Scales of Justice and the Medical Emblem as our two symbols, symbolizing impartiality, fairness, justice, competent delivery, and equality of healthcare under the laws that govern accident victim healthcare in Michigan.
