CPR Class Monday May 15th 2017 10 a.m. – Noon

Sugar Springs Old Activity Bldg. (next to POA office)

Have you ever known someone whose life was saved via CPR?
Would you know what to do if someone was non-responsive?
Have you ever had CPR training but it was long ago?

We will be holding our first CPR class in many years on Monday May 15th 10 a.m. – noon at the Old Activity Bldg. next to the POA office. This FREE class will provide you with the skills needed to perform CPR until medical help arrives.

Class size is limited, so please make your reservation no later than May 9th by contacting Diane Plocharczyk 989-426-8310 or via email dandk1950@gmail.com. If there is enough demand, we will try to schedule additional classes.

SSPOA NEWS

There are a number of events in May that everyone should put on their calendar this spring. The Hearth is offering a Mother's Day Brunch on May 14th. Reservations are strongly suggested because the restaurant is always full for this event.

There is a CPR class offered on May 15th. Everyone should know how to perform CPR, it may save someone's life. There is also our annual Mid-Michigan Health Fair coming on June 16th.

The Men's and Women's Golf Associations have their opening meetings and scrambles in May, check your golf calendar for further details.

The Gladwin County Chamber of Commerce again this year is having their golf scramble at Sugar Springs. To show support for their coming to our course it would be great if we could be represented by a couple of teams, men or women, playing in the event on Friday, May 19th. The Gladwin County Veterans Golf Benefit also takes place at Sugar Springs, on May 22nd. The Tuesday ladies and Wednesday Men's Golf Leagues also start in May. Don't forget to get your team for the Women's Division, Sugar Springs Swing Tournament. The deadline for entries is June 1st.

The Sugar Springs Garden Club starts meeting in May, Stitches has four meetings in the month and has their spring Bunko Party on May 12th. Our Recreation Committee is hosting the Annual Ice Cream Social on May 28th, which is always a fun event for children and their parents and grandparents. The Sugar Springs Art Class meets five times in May and are always looking for more aspiring artists to join their group.

On May 20th, Rich Eddy's Rockin Oldies Band is at the Activity Center. This event grows larger every year so don't forget to purchase your tickets. Look for the flyer in this issue of the Sugar Scoop. Our monthly birthday dinner is Monday, May 22nd.

In the area both Gladwin High School and Kirkland College have plays in early May.

As you can see there are lots of things happening in Sugar Springs in May. Be sure to check them out!

From the Board of Directors

Welcome Back! Sugar Springs is waking up from its winter nap and things are beginning to take shape for the 2017 season. Campers are getting back on their lots, homes are being opened back up and the golf course is starting to dry out.

The Board of Directors is preparing for another busy season, but first and foremost is our upcoming election of new board representatives for the next three years.

Jim Issitt
Board President

We will have three vacancies in June and seven individuals vying for those positions. I would encourage each of you to attend our May 20th Board meeting which will be dedicated to a "Meet the Candidates" format where you will hear each candidate's qualifications and have an opportunity to ask each of them questions you may have.

Please remember that those you select will be part of the decision making team for Sugar Springs for the years 2018-2020. Please mark your calendars and participate.

I would also encourage as many of you as possible to join a committee and make a contribution to the Sugar Springs family. No matter where your personal preferences may lie, there is a committee that could benefit from your input and perspective.

Again, welcome back to all our neighbors and friends.

Candidate Biographies follow this page.

2017 SSPOA Board of Directors Applicant

Patricia (Patti) M. Berg

Highlander's I Realm

Reason for wanting to serve as a Director on the SSPOA Board:

I have loved Sugar Springs ever since my brother, Ed Everhart built his cottage here in the 1980's and my sister Anita Healy bought her lake lot. We bought our cottage in 1999 and are spending most of the spring and summers in Sugar Springs. I have witnessed a long stagnant period and the recent period of growth we have seen the past ten years. I want to be a part of the continuing growth, the maintaining, and also improving of Sugar Springs. I feel my background in the building and real estate fields gives me an understanding of our development, which helps me be an asset to the board. I have worked with Master Deeds and Restrictions with a community that had condos, residential homes, a clubhouse and golf course. I also have experience having worked with community A&E Committees. I created a closed positive feedback Facebook page called, "Sugar Springs." Designed a fundraising calendar for Sugar Springs Fireworks fund and Hug Alzheimer's fund and have sold 177 calendars to date; raising \$650.00 for each fund.

Recreational interest include:

I enjoy golf and am a member of the Women's Golf Association, enjoying tournaments and scrambles. I also enjoy boating, and swimming on Lake Lancer with family and friends.

Professional Experience:

Real Estate license 1990 - 2012
Builder's Sales Agent 1992 - 2011

- In charge of putting sales together and drawing up and signing of contracts, holding construction meetings, and writing up work orders.
- Responsible for providing and informing potential buyers of bylaws and restrictions
- Wrote an online program to walk buyers through the entire build process including contracts and construction

New Construction Training and Placement 1998 - 2003
Builder's License 1998 - present

- Submitted and passed all requirements for licensing of a vocational school with the State of Michigan
- Trained and placed builder's sales agents with builders
- Advertising and marketing of developments and individual model home styles

Community Experience:

- Wrote six week program with my co-chair called "Welcome Home Catholics", used by North Macomb Vicariate
- Wrote agenda, facilitated meetings, and typed minutes for our Evangelization team
- Supported for many years Veterans, Hug, and Fireman's golf outing fund raisers in Sugar Springs through donations

Family:

My husband, Mike and I have owned a golf course cottage since 1999, taking it from a small two bedroom to a four bedroom cottage. We have rented a boat dock since 2001. We enjoy golfing and boating together. We have married adult children, and as of January will have 14 grandchildren, including some through their marriages. We support the Hearth by dining there almost daily in the summer, and have enjoyed getting to know other Sugar Springs, and the staff of the SSPOA.

2017 SSPOA Board of Directors Applicant

Kenneth J. Boehm

Lancer Realm

Reason for wanting to serve as a Director on the SSPOA Board:

Working full time in the Detroit area and raising a family, I was content to let other dedicated members of Sugar Springs manage the direction we would take as a community. Now, being retired, it is time for me to step forward and invest my time and energy improving our community.

Based on my concerns as well as similar questions posed by our membership, one area that deserves special consideration is the addition of a secondary financial reporting methodology. If elected to the board and with the assistance of other board members, I will undertake an initiative to develop a cost base analysis for each service (such as: golf course, pool, lakes, chalet, beach clubs etc.). With this information in hand we can answer difficult, "what if type scenarios", such as, what would be the long-term cost to establish an additional beach club as our membership continues to grow; or what would be the cost to add additional boat docks. The intention of this analysis is to provide our members with improved transparency and increase our understanding of how change will impact allocation of our limited resources.

Recreational interest include:

I enjoy playing golf and I'm a member of the Sugar Springs Golf Association. I enjoy Euchre on Mondays, Trivial Pursuit on Wednesday's pontoon boat rides, taking the kids tubing and fishing and I thoroughly enjoyed camping prior to building our home. What I enjoy most is seeing our family, Sugar Springs friends and neighbors enjoying all the wonders Sugar Springs offers.

Professional Experience:

My work background is in project management, with an emphasis in Advanced Technology and Financial Analysis. I graduated from Wayne State University with a B.A. in Economics and an area of interest in Labor and Statistics. For the past 40 years I have worked for several major companies such as Blue Cross/Blue Shield of Michigan in a management position, and American Natural Resources in Operations research

2017 SSPOA Board of Directors Applicant

Sharon K. Brady

Huntington Realm

Reason for wanting to serve as a Director on the SSPOA Board:

I think I can bring a fresh perspective to the board with a voice of the membership. I have creative ideas to drive growth and financial stability of the association. My legal background will ensure neutral and appropriate representation. I look at representing all generations and their needs in the community.

Recreational interest include:

I am a member of the SS Quilt guild. I travel, just came back from seeing polar bears in the artic in Canada. Sailing, you might see me on my Hobie on Lake Lancelot. Golf, I am always look for my ball in the woods; gardening, I love to feed the rabbits and deer.

Professional Experience:

I have a B.S. in chemical engineering from Michigan Tech and a J.D. from the University of Michigan. I retired in 2015 from Dow Corning Corporation after almost 30 years working first as a chemical engineer and then as a intellectual attorney. I am currently consulting as an IP attorney.

Family:

I am married to Ivan Thane. I have two step daughters; Ashley and Claire, and a granddaughter Payton. I have two cats and a dog.

2017 SSPOA Board of Directors Applicant

Dale H. Dunham - Incumbent Director

Highlander's I Realm

Reason for wanting to serve as a Director on the SSPOA Board:

My wife Marie and I have been members of the Sugar Springs community for the past 5 1/2 years. Three years ago I ran for the board of directors to help promote Sugar Springs and to help improve the amenities Sugar Springs has to offer its members and guests. After serving these past three years I still believe in the importance of these goals.

I believe we have made significant progress in promoting Sugar Springs to other areas of Michigan. During this time we have also maintained and improved many of our Sugar Springs facilities and amenities. I realize that we have more to accomplish in these areas and I want to continue to be a part of this process.

Prior to becoming a board member, I have served on the Budget Committee. As a board member, I have also served as the Board of Director's representative for the Planning Committee, and the Architectural and Environmental Control Committee (AECC). I am currently the board representative for the Golf Committee.

Sugar Springs is a great community! I have been so impressed by the number of volunteers that have come forward so willingly to donate their time and talents to make Sugar Springs an inclusive community for all of its members. We need to work together as "one" to maintain and increase our property values and quality of life for ourselves and future owners.

Recreational interest include:

Marie and I enjoy golfing, eating with family and friends at the Hearth Restaurant, taking our grandchildren to the lakes, working out, and swimming at our Activity Center. We also enjoy attending the many activities sponsored by the various committees of Sugar Springs.

Professional Experience:

Employed by the Bay City Public Schools for 30 years

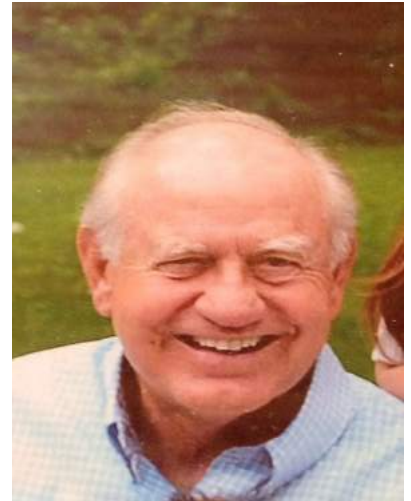

- Seven years as a Middle School and High School mathematics teacher
- 23 years as a Middle School Administrator
- Married for 46 years to my wife Marie

Attended Central Michigan University

- Received a B.S. Degree in 1970
- Received an M.A. Degree in 1975

Played Baseball

- Central Michigan University 1966 - 1970
- San Francisco Giants organization 1970 & 1972
- Served in the U.S. Army 1970 - 1972
- Served on the SSPOA Budget Committee
- Served as a member of the SSPOA Board of Directors

2017 SSPOA Board of Directors Applicant

Anthony (Tony) Haag

Islanders Realm

Reason for wanting to serve as a Director on the SSPOA Board:

I've always said once we decided to live here full time, I want to be involved in our community. I feel my past experience working on a board along with my construction background makes me an ideal candidate for a position on the board. I have no issues making meetings. I can also say with my background as a camper in Sugar Springs first and now a homeowner, I feel that I truly understand all of the issues that would be brought to the board attention and assist with resolution.

Recreational interest include:

Recreational interest include: boating, fishing, and golf in the summer, snowmobiling, working out, and swimming in our beautiful pool in the winter.

Professional Experience:

I have been in the construction industry for most of my adult life. I currently work for Wolgast Corporation, in Saginaw, MI, as a project manager, managing construction projects in the mid-Michigan area. Leadership, team building, customer satisfaction, detailed budget analysis, writing contracts, negotiating contracts, and managing any type of construction project successfully. I have managed projects from \$200,000.00 all the way to \$35,000,000.00.

I was the president of our condominium association for six years in Commerce Township, MI and enjoyed my time helping our community

2017 SSPOA Board of Directors Applicant

Dennis Hagey - Incumbent Director

Islanders Realm

Reason for wanting to serve as a Director on the SSPOA Board:

Having previously served on the Board of Directors, I have firsthand knowledge of the challenges facing our Association, especially in following the Declaration of Covenants and the Bylaws. We want to improve on our many amenities which make Sugar Springs a wonderful place to live

I want to keep the investments we have all made in our properties growing. I try to attend as many Sugar Springs activities and events as possible since I feel it is important for Directors to be involved, attend Board and Committee meetings, and be accessible to our property owners.

Recreational interest include:

I am a member of the Sugar Springs Men's Golf Association, participate in water volleyball, play euchre and trivia, use our pool, and helped with the Goose Roundup. I enjoy fishing and boating and attending Sugar Springs events.

Professional Experience:

I spent my life working in education. First, as a teacher, then as principal, followed by serving as superintendents in a number of districts in Michigan, and lastly at Alma College, in the Education Department. I have extensive experience in budgets, goal setting, and evaluations. I have served on the Lakes Committee, Recreation Committee, and am co-chair for the Parking Committee of the annual Sugar Springs Craft Show.

Family:

My wife Jo and I have three sons, and seven grandchildren; who all visit us in Sugar Springs regularly all year round.

2017 SSPOA Board of Directors Applicant

Deborah (Debbie) L. Palazzolo

Lancer Realm

Reason for wanting to serve as a Director on the SSPOA Board:

I am interested in serving on the Sugar Springs Board, in order to assist in upholding the current Bylaws and Covenants, along with supporting new ideas for the community. I feel my leadership and organizational skills is an asset for this position as a board member, and plan to make S.S. "great again". Just kidding, S.S. is already Great!

Recreational interest include:

Recreational interest include: boating, fishing, and golf in the summer, snowmobiling, working out, and swimming in our beautiful pool in the winter.

Professional Experience:

I am a retired Special education teacher from the Port Huron Area School District. Before becoming a teacher, I worked as a Buyer for a company who manufactured exterior mirrors for the automotive industry. I also worked for the Department of State, U.S. Embassy, Nassau, The Bahamas, as a Community Liaison Officer, holding a Top Secret clearance.

I have a B.A. in business, and a M.A. in Education. I have experience working with State and Federal laws, and handling classified documents.

Community Experience:

Since buying in S.S., I have increasingly become more and more involved with the community. I currently attend the Recreation Committee meetings, assisting with functions, along with being in the following groups; Garden Club, Gadabouts, and Stitchers. I also partake in Monday night Euchre, and Thursday night Pinochle.

Family:

My husband, Jarrett Tweedie, and I live in Sugar Springs. We originally moved here part-time in 2012 and in October, 2016 I moved up to S.S. full-time, loving every minute of it. We have three children and eight grandchildren.

A&E Committee

NOTES FROM THE ARCHITECTURAL AND ENVIRONMENTAL CONTROL COMMITTEE

Well, spring is springing. This is the time of year we Sugar Springers think about all the “chores” we like to do at our favorite spot in Michigan. Clean-up, Fix-up, cut-down, re-paint or re-model. Your friendly A & E committee would like to remind you that we have guidelines for some of these activities and some require a permit from us and potentially other agencies. Some of the things you need to contact us about are:

- You need a permit to re-roof or change the color of your house.
- You need a permit to remove trees greater than 4” that are not dead.
- If you are planning to construct a camping pad you need to apply for a Lot Modification Permit and you also need to contact the Gladwin County Conservation District.
- In fact if you are planning to do any earthwork greater than flower beds you should contact the Conservation District, phone number (989) 426-9461, Kim Krenz.

The guidelines for maintaining your property, whether you are a camper or full timer, are outlined in the A & E Committee Construction Pamphlet, SSPOA Regulations and Policies Pamphlet and the Covenants and By-Laws. These rules are to protect the Sugar Springs Environment so we may all enjoy what we have. If you have any questions about permits or construction activities please call us or come see us on Tuesday mornings in the lower level of the Activities Building.

Have a Great Spring!!

Golf News

Dear Member's/Property Owners,

Welcome back to Sugar Springs. For the majority of our folks, May is the time to get back in the swing of things!! No different for the golf course. We were able to get the course open on the 1st of April this year and are excited for a busy season. Listed below are the events for May. If you have any questions, please feel free to call the pro shop 989.426.1162.

The Men's and Ladies Golf Association's play events throughout the year. If you are interested in joining either of these great groups, please stop in the pro shop for information. The yearly dues for the Men's Association is \$40 and the Ladies is \$30. This fee covers your Handicapping for the year and the ability to play in a wide variety of events. Come on out and meet some new neighbors and friends.

We will also host the Gladwin Chamber of Commerce Friday, May 19th at 9AM and Military Appreciation Day on Monday, May 22nd benefitting Gladwin Veterans Association. Entries are available in the golf shop. Come on out to support these great events.

SSMGA – Spring Scramble/Meeting – Blind Draw 4 Person Scramble – 9AM Shotgun Saturday, May 20th follow by Men's Spring Meeting at 1PM.

SSWGA – Spring Scramble/Meeting – Blind Draw Event – Meeting in the Morning 10AM Saturday, Golf Saturday 1PM Shotgun. NOTE: Date Change for Golf since we are hosting the Chamber Event this year!!

TAYLOR MADE DEMO DAY – Sunday, May 28th – 10AM – 2PM. Demo Day located at the range and hit the Number 1 Club on the worldwide Tours. Get fit for your next Driver or set of irons with PGA Professional Mark Bayer or one of the Taylor Made Fitting Staff. Free of Charge, stop out and see what new technology can do for your game!!

For those of you interested in tee times for the Memorial Day Weekend, tee times can be made 7 days in advance, Tee Times are required throughout the season. Additionally, please carry your Membership Cards with you or if you have Guests, please make sure they have appropriate Guest passes for the use of the facilities. Please arrive at least 15 minutes prior to your tee time so that you and others can enjoy their day at Sugar Springs.

Swing Easy,

Mark Bayer, PGA
Head Golf Professional

The 35th annual Sugar Springs Swing will be held on Thursday, June 15, 2017. Entry forms will be available in the Pro Shop in April. The cost will be \$50.00 per player plus a \$12.00 cart fee for players who have not paid for an annual 2017 Sugar Springs golf course cart fee.

The entry fee(s) provide for 18 holes of golf with a cart, continental breakfast, lunch, skill and position prizes, and a gift for every participant. Raffles and a 50/50 drawing will also take place.

For those new to Sugar Springs, the Spring Swing is a women's only tournament open to Sugar Springs golfers as well as golfers from other neighboring golf courses. The purpose of the event is to showcase our course and provide a fun day of golfing and dining, as well as forming, and enjoying, new friendships.

Entry to the event is on a first come, first serve basis. The 2016 tournament was full with 124 golfers, many of whom came from neighboring courses. The format for the tournament is 18 holes, using the net 2-best balls for the 4 women team.

If you have any questions please contact this year's host.....

- Connie Guillen (989) 426-5756
- Donna Makelim (989) 426-0246
- Carol Droze

Hope to see you on the course June 15th!

Deadline for entry is June 1, 2017

Lakes Committee News

It appears Spring has sprung but slowly but things are progressing on the lakes with water testing beginning already two weeks after ice out.

Our Bypass valve & spillway gate issues are still with us but the Drain Commissioner states that repairs should begin sometime in the next 2-3 weeks when all the parts are here. It appears all the repairs at the spillway will need to be fabricated to fit that part of the spillway just like the at the bypass valve.

Although the lakes can take boats at this time the Common Space docks must wait to be put down until the ground areas are dried a bit.

As the boating season gets under way Please review the water rules –counter clockwise direction for boat movement on the water, no sitting on the rails and sit when the boat is moving. Take care with your wakes with speed to be none in the larger part of the lake not in the coves.

The boater safety classes will be July 8th this year. Check out the notice in this SS.

All have a great summer on the water with safety in mind at all times. We will see you on the water checking on NWS, water testing, buoys, and other things. We on the Lakes Committee are there for all of you so we all can enjoy our fine Lakes.

NOTICE

Lake Lancer/Lancelot 2017 Treatment Program

The property owners in this area are planning to have the waters chemically treated to control lake weeds and/or algae. This notice is being circulated in accordance with Department of Environmental Quality (DEQ) procedures. Due to the uncertainty of weather, the treatment schedule is approximate. Please watch your shoreline for the posting of the 8.5 x 11 inch, yellow or green signs. The signs will indicate the date of the treatment, the products used, and any restrictions on the use of treated water for swimming, watering lawns, etc. One or more treatments involving water restrictive products may be applied. Please be aware that only products approved by the State of Michigan and the Federal government are being used. We have experienced ***no adverse effects on people, fish, wildlife or domestic pets since applying these products.*** We anticipate using one or more of the products listed. Please read the restrictions. Again, the restrictions that apply to the products actually used in a particular treatment will be found on the signs posted on the day of treatment.

2017 Tentative Treatment Schedule

Treatments will be occurring throughout the summer months, beginning in May through September. Please watch your shoreline for posting signs with specific restrictions. Please also note that you will see PLM on your lake many times this summer. We will not always be treating the lake, but performing many surveys, water quality testing, etc. Thank you for your understanding as we work to preserve and protect your lakes. The following TENTATIVE SCHEDULE is being provided so everyone is aware of the Plan of Action for Sugar Springs this season. Please be aware that many factors could adjust this schedule and it is only tentative. We do our best to stick with this schedule, but plant growth, weather, permits, etc all impact this schedule. The lakes have been tentatively scheduled for the following weeks of:

May 8: Survey

May 22: Weed & Algae Treatment

June 12: Survey

June 19: Weed & Algae Treatment

June 26: Possible Algae Treatment

July 10: Survey

July 17: Weed & Algae Treatment

2017 Proposed Treatment Plan

Lake Lancer and Lancelot have very different plant communities and each lake is independently managed for those plants with a focused planned. Lake Lancelot has an infestation of Eurasian watermilfoil and Curlyleaf pondweed. Lake Lancelot has fewer native plant species present and a large focus of the program is improving the native plant community for the overall health of the lake and fishery. Lake Lancer has an infestation of Variable leaf milfoil as well as EWM and Curlyleaf pondweed. The native plant community in Lake Lancer is diverse and some species do cause a recreational concern mid season. Focus is being made on those species and prioritizing management to maintain diversity and reduce density when able. PLM will be aggressively managing each lake using the latest technologies to ensure the best possible management program is offered to your association. While we are working at controlling numerous plants and algae and that growth will vary seasonally with weather; we encourage all residents to assist in the management your lake frontage with promoting healthy lake front living practices (reducing fertilizers, green belts, removing debris, raking your beach, etc). Let's all work together to continue to improve your beautiful lakes!

www.plmcorp.net

Starry Stonewort— Exotic Plant WATCHLIST

Starry stonewort has been quickly spreading throughout Michigan and is one of the primary focuses of management on Lake Lancelot and Lancer. Starry stonewort (*Nitellopsis obtusa*) looks like a rooted plant but it is actually an algae. The plant is native to Europe and Asia and was first discovered in the St. Lawrence River in 1978. In 1983, it was found in the Detroit River and has since infested many Michigan lakes. Starry stonewort resembles the native aquatic plant Chara. Unlike Chara, which is generally considered to be a beneficial plant, starry stonewort has a tendency to inhabit deeper portions of the lake and can form dense blankets several feet thick. These mats can severely impede navigation and limit growth of more beneficial plants. Starry stonewort anchors to the sediments through rhizoids (primitive root structures) which can also absorb nutrients. Like Chara, starry stonewort also absorbs nutrients from the water through its cell walls. Starry stonewort has tiny, star-shaped, tan colored reproductive structures called bulbils that are firm to the touch when compared to its soft branches. These reproductive bulbils have been shown to stay viable for several years in lake sediments. It is unclear what effects starry stonewort may have on a lake's fishery. However, the encroachment of starry stonewort into fish spawning beds may be a cause for concern. Both algaecides and mechanical harvesting appear to be somewhat effective in controlling starry stonewort. However, given its propensity to produce massive amounts of growth, efforts to keep this invasive algae at bay will be difficult and potentially expensive. We are constantly on the lookout for new infestations of SSW for quick action. Please keep your eyes on the look out!

Riparian Responsibilities

Yes, if you live on a lake, YOU have responsibilities. Properly maintaining your lawn near the lake is an essential part to a healthy aquatic ecosystem. Some ways you can help your waterbody include:

- Do not feed the ducks and geese. Remove dog, geese and duck droppings from lawns, docks, etc. Excess feces will increase nutrients within the lake. Please, do not sweep it into the lake!
- Create a natural buffer close to the water's edge and remove grass/turf touching the water's edge. A natural setting will filter excess nutrients from entering the water and help decrease erosion. The greenbelt should consist of native plant varieties of shrubs, flowers or trees that do not shed their foliage into the water. Natural buffers are also an excellent way to deter geese from making a stop on your beach front. Geese do not like areas where they cannot see the predators coming towards them.
- If you do fertilize make sure you are using Phosphorus free fertilizer. One pound of phosphorous may produce over 775 pounds of algae- "The slimy green stuff". If you must fertilize, apply nitrogen fertilizer when the grass is actively growing to minimize loss of nutrients to nearby waters. Avoid application of fertilizer prior to rainy days.
- RAKE YOUR BEACH! Remove aquatic plants, leaves/branches and other debris that washes up along the lakeshore so less decomposition occurs in or near the lake.
- Always use silt fences when building a new home or doing any yard-work that would cause erosion. Encourage the use of stone, brick and similar porous materials when building a landscape to minimize urban water collection.
- Keep all burn piles and debris piles away from lake. Do not burn near the water. The ash is concentrated nutrients!

Sugar Springs Memorial Committee

Donations for Memorials can be made at the POA building.

Memorial Funds are used in many areas at Sugar Springs.

Memorial donation's have been received for:

Debbie Mahaffy

Al Forbes

Lee Lamb

Current Memorial suggestion list

Sugar Springs Beautification Projects - American, Michigan & Sugar Springs flags

Sugar Springs Beach Areas - Sugar Springs Golf Course

Sugar Springs Recreational Area - Sugar Springs Chalet Area

Our Memorial Committee members are looking for a couple of individuals who would be interested in serving on this committee. We have four meetings during the year (May, July, September & November) where we go over the current and future projects, financials etc.

A wonderful surprise in the form of a \$750.00 donation for the Sugar Springs Fireworks Fund was delivered to our POA office by Patti Berg. She, and fellow member Steve Johnson sold Sugar Springs Photo Calendars and donated the proceeds to Sugar Springs.

After delivering the check Patti said, *"Thanks to our Sugar Springers for donating all the photos used in the calendar, and a special thanks to Steve Johnson for all his help."*

Thank you Patti and Steve, both of you have always been strong supporters of our community. We will certainly put this donation to good use on July 1st.

Watch for these cute little guys showing up soon in the Hearth, POA office, Pro Shop and Activity Center

Feuding theatre critics vindictive Moon and philandering Birdboot, are swept into the whodunit they are viewing. In the hilarious spoof of Agatha Christie-like melodramas that follows, mists rise about isolated Muldoon Manor and our critics Moon and Birdboot become dangerously implicated in the lethal activities of an escaped madman.
