Sugar Springs Campground

OPEN YEAR ROUND

We are now taking camping reservations for the Campground by telephone at (989) 426-4232. Please let your friends and family know they have this option to ensure that a camping spot will be waiting for them. They can secure their reservation by paying for their entire stay as much as a year in advance. Propane, campfire wood and bags of ice are available for purchase at the Campground.

SSPOA NEWS

From the General Manager

As this Sugar Scoop was being prepared for publication the thing that stuck me most is how many activities are going on during the month of August. I hope each and every one of you can set aside time in your busy summer schedules to enjoy some or all of these activities.

Robert Neeb,
CMCA, AMS, PCAM
General Manager

We are noticing a tremendous increase in garbage being placed in the dumpsters at Berkshire and Islanders Beach Clubs. Please use some common sense; don't put refrigerators, mattresses, paneling, and other large items in these dumpsters. It is causing people to just leave their bags of garbage on the ground, which allows the animals to get into them and scatter it all over the beach club. After each weekend our Building & Grounds crew has to go pick up the mess. Please use the garbage service you are paying for through the township; particularly for large items.

Enjoy your August; it is hard to believe that our season is winding down, already.

From the Board of Directors

It's hard to imagine but August is upon us and summer is half-way gone. I hope each of you is seizing every opportunity to enjoy all that Sugar Springs has to offer.

Jim Issitt
Board President

The questionnaire I alluded to in my last report is in the works and will be ready soon. I ask that each of you complete this survey when you receive it, noting your likes, questions or concerns for Sugar Springs. With this input in hand, your Board can generate an action plan to move our community forward, make improvements where warranted and improve our overall living experience as members of this Association.

Last, I would like to thank all the committee members, club officers and members, and social-event participants for their help in putting on our recent New Member Open House. Attendance was great, and we especially appreciated the many long-time members who made the effort to welcome our newest Sugar Springers. I believe many friendships were started. Each of you are a part of what makes Sugar Springs a terrific place to be.

A&E Committee

NOTES FROM THE ARCHITECTURAL AND ENVIRONMENTAL CONTROL COMMITTEE

Lately a few members have taken on projects at their homes that require approval from this committee, without getting a permit prior to construction. This is in violation of the Covenants and Bylaws and could subject the member to fines or other actions. If there is any question as to whether a permit is required for any work please contact the POA office or the A & E Committee to be sure. The Committee meets every Tuesday at 9:00 am in the basement of the Activities Building, or the members may be reached through the POA office. The "Pure Sugar Springs" Website is not an official site of Sugar Springs and the advice from there is merely the opinion of the responder and should not be relied on for legal advice.

Below is the general policy of the AECC regarding violations:

A&E VIOLATIONS POLICY

Violation first noted – letter of notice of violation with deadline for correction
(Usually 30 days from date of letter).

Second notice of violation – includes notice of fine and new deadline for corrective action (usually 30 days from second notice).

Third notice of violation – includes secondary fine amount, notice of suspension of use of commons areas, and notice of referral to POA attorney for action.

Violations will include, but are not limited to:

- Failure to meet setback requirements
- More than one outbuilding on a lot with a house
- Outbuilding not same color as house
- Trailers parked improperly on lot
- Camping unit on lot with house
- Camping on lot with no camping permit displayed
- Wellhouse on camping lot not consistent with regulations
- Prohibited items left on camping lot at end of camping season
- Tarps on lots
- Firewood not stacked according to regulations
- Signs improperly displayed
- Docks exceeding 20 feet over the water or four feet in width

Initial fines for violations will typically be \$25.00. Secondary fines will typically be \$50.00.

FAILURE TO OBTAIN THE PROPER PERMIT OR APPROVAL PRIOR TO STARTING ANY WORK OR PHYSICAL ACTIVITY ON ANY PROJECT REQUIRING A PERMIT OR APPROVAL DOES NOT RELIEVE THE PROPERTY OWNER FROM THE OBLIGATION OF OBTAINING THE REQUIRED PERMIT.

PERMITS OBTAINED AFTER STARTING WORK OR PHYSICAL ACTIVITY WILL INCUR A PERMIT FEE OF UP TO TWO HUNDRED FIFTY DOLLARS (\$250.00) FOR THE FIRST OCCURENCE, PLUS MEETING THE REQUIREMENTS OF THE COVENANTS AND BYLAWS OF SUGAR SPRINGS. THE SECOND AND SUBSEQUENT OCCURRENCE(S) OF A FAILURE TO OBTAIN PRIOR APPROVAL FOR THE SAME OR ANY OTHER PROJECT WILL INCUR A PERMIT FEE OF UP TO FIVE HUNDRED DOLLARS (\$500.00).

Golf News

Dear Members/Property Owner's,

The golf season is quickly coming to an end, only about 90 days from this publication of the Scoop. The golf course has been in phenomenal shape with the up and down weather we have been having this summer. Thanks to Lynn Woodruff and the hard working crew keeping the Golf Course looking as nice as it has been all season. We have been in the process of removing a few bunkers that are no longer in play and for ease of maintenance and adding sand to the bunkers to make them as consistent as possible. During this time they maybe a bit more difficult to play from as the new sand settles in and gets mixed in with the older sand in the bunkers. Most weekends have open play in August, so if you are up please come on out and play your course! Please call the pro shop up to 7 days in advance for tee times 989.426.1162

The Tournament Schedule is busy in August with the following events:

August 5th – 8:30AM Hug Memorial benefiting Alzheimer's (Event Sold Out)

August 7th & 8th – 8:50 Shotgun Both Days Handicap Championship

August 17th & 18th – 8:30 – 1:30 Thursday – 8:30 Friday Men's Member – Member

August 21st – Sadie Hawkins II (Solar Eclipse Sadie Hawkins) 8:35AM

August 24th – 27th Club Championship (Gold/Silver Tees 24th- 25th – White/Green Tees 26th – 27th)

(Note: You do not need to be a member of the Golf Association for the Club Championship or Sadie Hawkins)

Thanks again to all the members and golf staff for another great year. Look forward to seeing you at the course soon!!

Showcase of Quilts a Community Success!

Thanks to all residents who supported the Sugar Springs Stitchers and Quilters by attending our show! Over 100 quilts were exhibited, submitted not only by our guild members, but also by quilters of the greater Gladwin community. Four hand-crafted Quilts were raffled to happy winners; fifteen prizes were awarded through the results of our Viewers' Choice ballots. SS resident Mary Anne Eppley took a first place ribbon in medium quilts, while Jan Berg-Rezmer and Karen Harhold placed in small quilts.

Come, be on a team, and have some fun with us.

It takes a good team to make sure that our Annual Craft Show & Bake Sale go off without a hitch. Here are just a few of our tremendous volunteers

We appreciate our local volunteer firefighters taking the time to come to help at the craft show.

IT'S TIME FOR APPLAUSE *ALL 'ROUND*

As most of you know, our Arts & Crafts Show on July 1 was a rousing success, thanks to everyone in the community. I'd like to thank all of our resident volunteers who showed up when called, set up the site, help direct vendors as well as parking, put up & took down signs, cooked hot dogs, sold raffle tickets, baked &/or sold goodies.....you get the idea!

Thank you to **Pat Issitt & Dennis Hagey** and their entire parking crew, **Kim & Deb Krenz**, the **Sullivan Family**, **Jan & Bob Neeb**, **Lynn Wright**, **Mike & Sherri Visnaw** at the concession venue with all of the volunteers helping feed our attendees, **Jo Hagey & Nancy Benoit** for organizing the Bake Sale and Raffle, **Debbie Palazolla** for marketing, **Kathy & Ben Baker**, **Tom Hug**, **Jim Issitt**. It is always a huge effort by everyone involved and a great build up to our Fireworks Show at nightfall!

Special thanks to our POA staff; **Melissa Zest**, **Matt Schindler**, as well as **Ken Kline** and the entire **Building and Grounds crew**!

Lastly, thanks to **EVERYONE** who volunteered their time or attended in support of our fundraising efforts .We are all so fortunate to be part of this great community.

**Special thanks to our
2017 Arts & Craft Show
Parking Crew.**

**We appreciate your volunteer spirit--
especially when you have to wear an orange vest!**

The Arts and Craft Show Bake Sale was a huge success. Thanks to everyone who donated baked goods and items for the raffle baskets and who purchased items and tickets. Once again we sold out and the proceeds go to fund recreational activities for all of Sugar Springs.

A special thank you goes to our workers: Nancy Benoit, Crystal Molnar, Ann Mastny, Judi Sullivan, and Deb Palazzolo. Our raffle basket donations were from Alexander's Enterprises, the Sugar Springs Recreation Committee, the Sugar Springs Pro Shop, the Sugar Springs POA, Donna Fairman, Steve Johnson, Judi Sullivan, Deb Krenz, and Jo Hagey,

Look for us again at next year's Arts and Craft Show.

**CALLAGHAN ACROSS AMERICA
2017 TOUR**

**Callaghan live in Sugar Springs, Sunday, September 3 at the
Berkshire Beach Pavilion from 5pm**

We hope you can join us when Callaghan brings her stunning vocals and beautiful songs back to Sugar Springs! The Huffington Post calls her “joyful listening”. No Depression says “her extraordinary voice truly sets the music apart...nothing short of stunning” and Aquarian Weekly’s reviewer says “Girl can write, girl can sing, girl can play piano, girl has captured my heart, Callaghan, oh Callaghan, sing me back home!”

Callaghan moved from London to the USA in the summer of 2010 to record in Atlanta with Shawn Mullins. Since releasing her debut album she has been touring and building a following all around the USA and earning great reviews. Playing guitar and piano she delivers a vocal which earns comparisons to artists like Sarah MacLachlan, Emmy Lou Harris and Norah Jones with songs which range from joyful foot-stompers to hauntingly beautiful ballads.

As well as shows at public venues, once a year Callaghan does a coast-to-coast tour made up completely of shows in fans’ homes. A house show is an opportunity to enjoy an evening of great music in the relaxed surroundings of a home or garden. Guests are asked to make a donation to keep the musicians rolling down the road. For this show the recommended donation is \$20 per person.

Last year the show was at Mary & Dan Walburn’s home, but due to demand for seats the Sugar Springs Recreation Committee is moving this year’s concert to the Berkshire Beach Pavilion. Please RSVP to Mary at mary.walburn@att.net to reserve your seats. Please join us from 5pm and BYOB.

To enjoy Callaghan’s music before the show you can watch video and hear songs at <http://www.callaghansongs.com>

The BBC’s Gabi Roslin describes hearing Callaghan Live as “breathtaking... absolutely incredible”. We hope you can join us to hear this fantastic artist!

CHILI COOKOFF IN SUGAR SPRINGS OCTOBER 14, 2017 FROM 11A-2P FOR THE GLADWIN NEW DAWN SHELTER

We are looking for the best Chili cook in the Sugar Springs area and at the same time would like to raise money for those that live in our community, but are currently going through a rough time. All funds raised during this event will be donated to the Gladwin New Dawn Shelter located in the City of Gladwin.

The Gladwin New Dawn Shelter services Gladwin County along with our surrounding counties. They are a non-profit homeless shelter that is run on donations and they are not government funded. This wonderful facility helps people get back on their feet.

We are looking for 10-12 wonderful cooks (8 have volunteered so far, Elza H, Patti A, Ernie M, Nancy P, Alma H, Jim G, Joe H. and Gary M.) that are willing to make 4-5 gallons of their recipe to share with the Sugar Springs Community who will be the judges. The prize will be bragging rights and knowing you are helping a worthy cause.

Can't cook chili and still want to help? No problem as we are looking for donations for a Silent Auction and a Chinese Auction. A love offering (suggested amount is \$10.00) will be accepted at the door for all who attend and would like to judge the contest.

So, remember to put this date on your calendar. Don't cook lunch that day, bring your family and relatives up and let them judge our contest.

Please look for more information as the time gets closer.

If you would like to participate in our cook off, please call Peggy Miller at 989-426-1139, Jane Giffin at 734-368-1562 or Lanny Dexter at 989-513-5115.

Lakes Committee News

Now that summer has finally arrived activities on the lakes are increasing.

There remain openings in the Boater Safety class on July 8th, sign up in the POA office. Check the minimal age requirements at the POA office.

The Drain Commission is in the process of repairing the Spillway gate and Bypass valve. With the recent rain note the increase in the lake levels.

The Goose Round-Up was a success this year with 158 geese rounded up. We are sure we missed some but with the number of volunteers both on the water and on land it was a success. Thank you all for the help. Next will be E.coli testing at the 3 popular swimming areas by July 1st.

The Lakes Committee will be on the Lakes evaluating NWS use and placement, swimming buoys, and swimming platform placement. Try to keep swimming platforms no more than 50 feet from shore.

Other rules that need to be observed are:

- staying 100 feet from dock or rafts, moored or anchored vessels, shoreline if water is less than 3 feet deep or marked swimming areas or persons.

As more PWC's are on the water here are a few of the Michigan Rules stating: "a passenger on a PWC should never be seated in front of the operator and a passenger should be able to hold on to the person in front of them or to the handholds, while keeping both feet firmly on the footrests. Children who are too small to be able to do this should not ride. Also no child under the age of 7 may ride on or be towed behind a PWC unless with a parent or guardian or a designee of the parent or guardian." These are only a few of the rules that need to be observed to be safe (check the Boat Michigan booklet online)

All have a great and safe summer while on or in the water or on land.

NOTICE

Lake Lancer/Lancelot 2017 Treatment Program

The property owners in this area are planning to have the waters chemically treated to control lake weeds and/or algae. This notice is being circulated in accordance with Department of Environmental Quality (DEQ) procedures. Due to the uncertainty of weather, the treatment schedule is approximate. Please watch your shoreline for the posting of the 8.5 x 11 inch, yellow or green signs. The signs will indicate the date of the treatment, the products used, and any restrictions on the use of treated water for swimming, watering lawns, etc. One or more treatments involving water restrictive products may be applied. Please be aware that only products approved by the State of Michigan and the Federal government are being used. We have experienced **no adverse effects on people, fish, wildlife or domestic pets since applying these products**. We anticipate using one or more of the products listed. Please read the restrictions. Again, the restrictions that apply to the products actually used in a particular treatment will be found on the signs posted on the day of treatment.

2017 Tentative Treatment Schedule

Treatments will be occurring throughout the summer months, beginning in May through September. Please watch your shoreline for posting signs with specific restrictions. Please also note that you will see PLM on your lake many times this summer. We will not always be treating the lake, but performing many surveys, water quality testing, etc. Thank you for your understanding as we work to preserve and protect your lakes. The following TENTATIVE SCHEDULE is being provided so everyone is aware of the Plan of Action for Sugar Springs this season. Please be aware that many factors could adjust this schedule and it is only tentative. We do our best to stick with this schedule, but plant growth, weather, permits, etc all impact this schedule. The lakes have been tentatively scheduled for the following weeks of:

May 8: Survey	May 22: Weed & Algae Treatment
June 12: Survey	June 19: Weed & Algae Treatment
June 26: Possible Algae Treatment	July 10: Survey
July 17: Weed & Algae Treatment	August 7: Survey
August 14: Survey	August 28: Possible Algae Treatment
September 18: Survey

2017 Proposed Treatment Plan

Lake Lancer and Lancelot have very different plant communities and each lake is independently managed for those plants with a focused planned. Lake Lancelot has an infestation of Eurasian watermilfoil and Curlyleaf pondweed. Lake Lancelot has fewer native plant species present and a large focus of the program is improving the native plant community for the overall health of the lake and fishery. Lake Lancer has an infestation of Variable leaf milfoil as well as EWM and Curlyleaf pondweed. The native plant community in Lake Lancer is diverse and some species do cause a recreational concern mid season. Focus is being made on those species and prioritizing management to maintain diversity and reduce density when able. PLM will be aggressively managing each lake using the latest technologies to ensure the best possible management program is offered to your association. While we are working at controlling numerous plants and algae and that growth will vary seasonally with weather; we encourage all residents to assist in the management your lake frontage with promoting healthy lake front living practices (reducing fertilizers, green belts, removing debris, raking your beach, etc). Let's all work together to continue to improve your beautiful lakes!

Starry Stonewort— Exotic Plant WATCHLIST

Starry stonewort has been quickly spreading throughout Michigan and is one of the primary focuses of management on Lake Lancelot and Lancer. Starry stonewort (*Nitellopsis obtusa*) looks like a rooted plant but it is actually an algae. The plant is native to Europe and Asia and was first discovered in the St. Lawrence River in 1978. In 1983, it was found in the Detroit River and has since infested many Michigan lakes. Starry stonewort resembles the native aquatic plant Chara. Unlike Chara, which is generally considered to be a beneficial plant, starry stonewort has a tendency to inhabit deeper portions of the lake and can form dense blankets several feet thick. These mats can severely impede navigation and limit growth of more beneficial plants. Starry stonewort anchors to the sediments through rhizoids (primitive root structures) which can also absorb nutrients. Like Chara, starry stonewort also absorbs nutrients from the water through its cell walls. Starry stonewort has tiny, star-shaped, tan colored reproductive structures called bulbils that are firm to the touch when compared to its soft branches. These reproductive bulbils have been shown to stay viable for several years in lake sediments. It is unclear what effects starry stonewort may have on a lake's fishery. However, the encroachment of starry stonewort into fish spawning beds may be a cause for concern. Both algaecides and mechanical harvesting appear to be somewhat effective in controlling starry stonewort. However, given its propensity to produce massive amounts of growth, efforts to keep this invasive algae at bay will be difficult and potentially expensive. We are constantly on the lookout for new infestations of SSW for quick action. Please keep your eyes on the look out!

Riparian Responsibilities

Yes, if you live on a lake, YOU have responsibilities. Properly maintaining your lawn near the lake is an essential part to a healthy aquatic ecosystem. Some ways you can help your waterbody include:

- Do not feed the ducks and geese. Remove dog, geese and duck droppings from lawns, docks, etc. Excess feces will increase nutrients within the lake. Please, do not sweep it into the lake!
- Create a natural buffer close to the water's edge and remove grass/turf touching the water's edge. A natural setting will filter excess nutrients from entering the water and help decrease erosion. The greenbelt should consist of native plant varieties of shrubs, flowers or trees that do not shed their foliage into the water. Natural buffers are also an excellent way to deter geese from making a stop on your beach front. Geese do not like areas where they cannot see the predators coming towards them.
- If you do fertilize make sure you are using Phosphorus free fertilizer. One pound of phosphorous may produce over 775 pounds of algae- "The slimy green stuff". If you must fertilize, apply nitrogen fertilizer when the grass is actively growing to minimize loss of nutrients to nearby waters. Avoid application of fertilizer prior to rainy days.
- RAKE YOUR BEACH! Remove aquatic plants, leaves/branches and other debris that washes up along the lakeshore so less decomposition occurs in or near the lake.
- Always use silt fences when building a new home or doing any yard-work that would cause erosion. Encourage the use of stone, brick and similar porous materials when building a landscape to minimize urban water collection.
- Keep all burn piles and debris piles away from lake. Do not burn near the water. The ash is concentrated nutrients!

Farmers Market on 4th

When: First Friday of the Month
June 9th - July 7th - Aug 4 - Sept 1

The Farmers market on 4th Street is returning to Downtown Clare this summer! Once a month from June through September, come to the historic depot to buy your produce and other goods from our various local vendors. Bring the family to this event starting on June 9th from 11am until 8pm; it is a great way to involve and excite children in local produce and healthy eating by buying directly from the farmer. Stop by on your way to the lake for the weekend, or just come out and enjoy the charm of Downtown Clare!

If you are interested in being a vendor there is still time! For more vendor information or if you have any questions, please visit the Clare Area Chamber of Commerce website at claremichigan.com or give us a call at [\(989\)386-2442](tel:9893862442).

Fat Pocket - Free CRAF Gazebo Concert

August 2, 2017 @ 7:00 pm - 7:00 pm
606 Lake St, Roscommon, MI 48653, USA

The four-man ensemble brings an earthy common man appeal to their performance, from the solid rhythms, leads, and vocals of their music to the classic Midwest Americana as the group intermingles influences from Sinatra, AM radio classics, Beatles, Stevie Ray Vaughn, 80's hair bands, and the blues. Their performance offers a confident pace, well matched group vocals, and consistent high energy. If it means hard work, built in quality, and blue collar pride, Fat Pocket offers Made in Michigan music.

SUMMER 2017 TAXES

It's that time again, Summer 2017 Taxes will be mailed to the current owner of record on file at the Butman Township. They are due in this office no later than September 14th without penalty, postmarks are NOT accepted. A 1% penalty is added for September and each month thereafter that it remains unpaid. It is very important that any changes of address be sent to the township prior to June 28th in order for all taxes to be delivered to the proper address. Changes of address requests MUST be in writing and either mailed to the township or sent to via email to butmantreasurer@gmail.com for us to change our records. We no longer take change of address by phone due to the many problems this has caused.

SEWER BILLING & COLLECTION OF DELINQUENT ACCOUNTS

The fiscal year of Butman Township runs from July 1st to June 30th of each year. The program used for the sewer billing requires us to "clear out" any charges from the past fiscal year and start the new fiscal year at the current amount due for July 1st. Any balances are **delinquent** as of June 30th, but are no longer shown on the owner's sewer bill. A letter concerning the delinquent sewer billing amount is sent to the current owner of record outlining the procedure in collecting that delinquency. Substantial penalties and interest are assessed and if these delinquent amounts are not paid by October 1st of each year the delinquent amount, including the penalty and interest, will be placed on your Winter 2017 tax bill.

CREDIT / DEBIT CARDS NOW ACCEPTED

To pay a sewer billing chose one of the following ways: (PLEASE note a \$3.95 charge applies to all sewer payments done by credit/debit cards) You must have your account # to finish this, if your account is 90528 please add a 0, example 090528 will be your account number.

Call 1-844-294-9239 OR

Go on-line to: <https://ipn2.paymentus.com/rotp/bts>

See page 2 for tax information

Butman Township News continued:

To pay a tax billing (**ONLY AVAILABLE FROM JULY 1ST THROUGH FEBRUARY 28TH EACH YEAR**) with a 3% billing charge: You must have your parcel number such as 060-090-000-528-00 to make a payment.

Call 1-844-294-9245 OR

Go on-line to <https://ipn2.paymentus.com/rotp/btt>

AFTER February 28th payments may only be made at the Gladwin County Treasurer's office or via their website <http://gladwincounty-mi.gov/> then to the Treasurer's page for further instructions.

BUTMAN TOWNSHIP 2017 MOSQUITO ABATEMENT PROGRAM

Mosquito Abatement Program Consists of Seven Key Elements

1. Early spring surveying in the township to locate potential mosquito breeding habitats.
2. Testing and monitoring of any known sites that have standing water for the presence of mosquito larvae.
3. Larvacide treatment of standing waters, ditches, and woodland pools that test positive for mosquito larvae.
4. Adult mosquito surveillance and monitoring using an extensive array of New Jersey Light Traps (NJLT) and CDC Traps. The number of adult female mosquitoes in the traps will be monitored two days a week. Only female mosquitoes bite. In addition, a sampling of mosquitoes found in the traps will be tested for West Nile Virus on a periodic basis.
5. A truck-mounted short-lived adulticide spray will be applied to knock down the mosquitoes on Thursdays at dusk from May 25th - August 31st, weather permitting. This type of application is defined as a space treatment that uses an Ultra Low Volume (ULV) machine. The chemical used for this treatment is Kontrol 4-4. The active ingredients are Permethrin 4.6% and Piperonyl Butoxide Technical 4.6%. There is no re-entry restriction listed with this product.
6. In the event disease-carrying mosquitoes are found in any area of the township, a total comprehensive adulticide spraying application will occur.
7. If you are pregnant, have health concerns, asthma, allergies, emphysema, or compromised immune systems because of chemotherapy or other medications, or environmental concerns: call Rose Pest Solutions at 1-800-437-6938, E-Mail them at mosquito@rosepest.com, pick up a form at the township hall, or visit the township's website www.butmantwp.com to get:
 - **Shut-Off List** – to have the adulticide spray shut off in front of your property.
 - **Notification List** – to know when there will be adulticide spraying in your area, so you are able to close doors and windows and bring your pets inside.
