SSPOA NEWS

Let's think summer! I know the leaves are falling, but your board is looking forward to summer. By the time green leaves, eager campers and rested snowbirds reappear, the Manchester Beach Club should be built and, hopefully, The Hearth renovation should be completed.

While all that is going on, what will the rest of us do? It looks like many activities are slated to keep us busy if we choose. Long-time residents and newcomers alike enjoy regular events like Corn Hole, euchre, Texas Hold 'em, Sugarcize, Water Aerobics, Men's Volleyball, Bridge, Mahjongg, and Birthday Dinners. *The Scoop* runs info for these on the Activities' Pages.

The Rec Committee has several special events planned for the snowbound residents, including the MI-MSU Game, Cookies and Cocoa with Santa followed by the Tree Lighting, Winter Fest, Pool Fest, and potlucks. Watch *The Scoop* and the POA email blasts for information on times and places. These are also posted on the lighted sign across the road from the Activity Center.

The Hearth plans again to host the Ugly Sweater Contest / Sing-along in December, so watch for those posters.

So while we are eagerly awaiting next Summer and all the changes it will bring, we can stay busy and have fun to help the long winter pass more quickly.

I'd also like to take this opportunity to wish all our members a safe and happy Winter Holiday Season, no matter where they are.

Jim Issitt, President, SSPOA Board of Directors

Congratulations to Ernie, Judi and the entire Sullivan family

As we entered the 4th year for the **Rosemarie Davis Volunteer Appreciation Award**, the Recreation Committee looked for a volunteer effort that affected all of Sugar Springs.

We chose not person but a group that did something others couldn't or hadn't done before, and we unanimously chose the Ernie and Judi Sullivan Family.

The first change this group brought was the now-familiar SS logo created by Elizabeth Sullivan to unify all aspects of SS – lakes, golf, buildings, amenities, people.

Along the way, they taught us this was called “branding” and SS is now a recognizable brand.

The Sullivan family has advertising copy in their veins with talent ranging from writing to editing to marketing to graphic design.

Of course, no volunteer does it alone; they had lots of support, help and encouragement along the way. But first had to come the Vision, the Expertise, and the Leadership. And this is what The Sullivan Family brought--- and continues to bring-- to the marketing and planning for Sugar Springs.

Congratulations to the entire Sullivan Family for giving so generously of their talent to make Sugar Springs better for all of us.

CARD PARTY

The Sugar Springs Recreation Committee would like to thank everyone who attended our Annual Card Party in the Activity Center. We had some wonderful desserts brought by our Sugar Springs cooks, played a number of different games, and had winners for the games, door prizes, and Sweepstakes drawings.

Our door prizes were donated by: The Sugar Springs Recreation Committee, Mark Bayer – S S Pro Shop, Patty Berg, Dennis and Jo Hagey, Kim and Deb Krenz, Andy Parisi, and Ernie and Judi Sullivan.

Make plans to join us next year, Monday, October 19th.

A&E Committee

ARTCHITECTURAL AND ENVIRONMENTAL CONTROL COMMITTEE (AECC)

Lately a few members have taken on projects at their homes that require approval from this committee, without getting a permit prior to construction. This is in violation of the covenants and Bylaws and could subject the member to fines or other actions. If there are any questions as to whether a permit is required please contact the POA office or the AECC to be sure. The AECC meets every Tuesday at 1:30 pm in the basement of the Activities Building, or the members may be reached through the POA office. (The "Pure Sugar Springs" Website is not an official site of Sugar Springs and the advice from there is merely the opinion of the responder and should not be relied on for legal advice.)

Example projects requiring a permit:

- **New Home**
- **Garage/Carport/House Addition**
- **Outbuilding**
- **Lot Modification, Beach work (DEQ Permit also required)**
- **Camping Pad and/or Driveway**
- **Dock and/or Hoist**
- **Setback Variance Request**
- **Deck, Dog Pen, Gazebo**

Failure to obtain the proper permit or approval prior to starting any work or physical activity on any project requiring a permit or approval does not relieve the property owner from the obligation of obtaining the required permit.

Permits obtained after starting work or physical activity will incur a permit fee of up to \$250 for the first occurrence, plus meeting the requirements of the Covenants and Bylaws of Sugar Springs. The second and subsequent occurrence(s) of a failure to obtain prior approval for the same or any other project will incur a permit fee of up to \$500.00.

Below is the general policy of the AECC regarding violations:

A&E VIOLATIONS POLICY

First notice of violation – letter of notice of violation with deadline for correction (Usually 30 days from date of letter).

Second notice of violation – includes notice of fine and new deadline for corrective action (usually 30 days from second notice)

Third notice of violation – includes secondary fine amount, notice of suspension of use of commons areas, and notice of referral to POA attorney for action.

**** Initial fines for violations will typically be \$25.00. Secondary fines will typically be \$50.00 ****

Violations will include, but are not limited to:

- Failure to meet setback requirements
- More than one outbuilding on a lot with a house
- Trailers parked improperly on lot
- Camping unit on lot with house
- Camping on lot with no camping permit displayed
- Wellhouse on camping lot not consistent with regulations
- Prohibited items left on camping lot at end of camping season
- Firewood not stacked according to regulations
- Signs improperly displayed
- Docks exceeding 20 feet over the water or four feet in width

A&E Committee

SUGAR SPRINGS A & E COMMITTEE

I think most of us agree that Sugar Springs is a great place to live or camp as well as being a sound financial investment. One of the reasons we are “Mid-Michigan’s best kept secret” is the rules that govern our environment.

Everyone who owns property in Sugar Springs, whether it be a home lot, camping lot or vacant lot, is subject to and bound by the Covenants, By-laws and all additional Regulations and Policies that have been enacted by the Boards of Directors over the last 48 years. These rules are easy to live with and make us who we are today.

The Architectural & Environmental Control Committee is made up of volunteers, who are your neighbors, and is tasked with administering and enforcing the rules pertaining to our environment. A key part of our duties is the approval process for permits for construction. The SS rules require that any owner wanting to build anything on, or modify a lot, must get approval from the A & E Committee. This includes lot modifications (move dirt, cut down trees, install gravel pad, etc.), construction of any structure (home, garage, shed, addition, outbuilding, deck, gazebo, well house, etc.). The rules also require a permit for any color selections or changes to the above structures.

Each member received a copy of the SS Regulations and Policies with their invoice for fees this year. We ask that you read these rules so you won’t be surprised if you get a call or letter. **If you are planning any type of construction or lot modification please FIRST obtain a copy of the SS Construction Pamphlet and Permit Application and read the requirements therein, hopefully avoiding any problems.**

Camping Committee

A & E and CAMPING COMMITTEE JOINT COMMUNICATION

Sugar Springs social media Facebook pages periodically raises questions about our rules. Dialog is often misleading or inaccurate. Some of this dialog unnecessarily exacerbates perceived issues and tends to fuel differences amongst our members.

The Architectural & Environmental Control Committee and the Camping committee recently met to provide correct answers to some current issues.

First and foremost, Sugar Springs is a residential community that allows seasonal camping and provides all property owners equal access to the many amenities that are available here. That means that home owners and campers are neighbors whose intentions are to enjoy Sugar Springs in our own ways and not impose ourselves on fellow property owners.

In order to maintain the highest standard of enjoyment for our members, the Association has developed various rules and regulations which benefit everyone. These rules are not harsh or complicated. These rules help to define Sugar Springs and should not be viewed as boundaries to push or things to try to “get around.” Full sets of the Covenants, By-laws and Rules and Regulations, are available in the POA office and are also available on www.sugarsprings.net. If you have questions, it is in the best interest to contact the POA office, a member of the A & E Committee, Camping Committee or Board member. Facebook may not have the correct answer.

The Camping Committee and the Architectural & Environmental Control Committee **agree** with all of the current rules. From time to time minor adjustments to some language or detail may be made, but the basic rules will not be changing,

Some rules which are facts of life in Sugar Springs:

- Seasonal camping on your lot only is allowed unless a special short term off season permit is obtained from the POA office.(The Camping Committee **is not** advocating for year round camping)
- Homeowners may have only **one** outbuilding.
- **Campers must obtain a camping permit each year for all camping units on their lot.**
- **No construction of any kind** should be undertaken prior to obtaining A & E Committee approval
- Homeowners **may not** store camping units on their lots at any time (parking in drive for 2 weeks to prepare or maintain the unit is allowed)
- Campers are allowed to leave certain items on their lots during the off season
- Only two campers are allowed on a lot.
- Any buildings or structures, as well as camping units must be within the allowable set-backs from property lines; 35' in rear (75' if on a lake), 68' from road centerline and 10' on the sides.
- Colors of homes and outbuildings must be approved by the A & E Committee
- **All properties**, Homeowners and Campers, should maintain their property in a neat & orderly manner, free from clutter and refuse.

Lakes Committee News

Lake Safety – Items in the Lakes

The Lakes Committee and the DNR have noticed many buoys of all shapes, sizes and colors that have been placed in numerous locations throughout our lakes and there is much concern about the safety issues these buoys present to both swimmers and boaters. We consulted with the DNR to get their direction on the guidelines for buoys in Michigan waterways. As stated by the DNR below, all buoys need a permit. Please contact the DNR at 989-275-5151 to obtain a permit for any buoy you wish to place in Lake Lancer or Lancelot. Please ensure a copy of the approved permit is on file in the POA office prior to placing buoys in the lakes.

Swim platforms, including rafts and all other floating devices, are also a concern and can be an extreme hazard to swimmers and present a significant risk to boat navigation when placed in navigable areas. When not actively in use, please move your swim platforms to your dock area and secure them to prevent them from floating away. All swim platforms should be properly identified with the owner's name and address and should never be placed in an area that would be a hazard to navigation.

Safety is our always our #1 concern. Your cooperation will make Sugar Springs a safer place for everyone enjoying our beautiful lakes.

Thank you,
Sugar Springs Lakes Committee

REFERENCE DOCUMENTATION

324.80159 Buoys or beacons; permit for placement; application; revocation; removal. Sec. 80159.

A person shall not place a beacon or buoy, other than a mooring buoy, in the waters of this state except as authorized by a permit issued by the department pursuant to part 13. The department may issue a permit for the placing of buoys or beacons in the waters of this state to mark obstruction to navigation, to designate bathing areas, to designate vessel anchorages, or for any other purpose if it will promote safety or navigation. An application for a permit shall contain information required by the department. If buoys or beacons are placed in the waters of this state without a permit having been issued, the department may order their removal. If, in the judgment of the department, buoys or beacons authorized by the department are found to be improperly placed, the reason for their placement no longer exists, or the buoys or beacons do not conform to the uniform system of marking established by state regulation, the department may revoke the permit authorizing their placement and may order their removal. Revocation of permits and orders of removal shall be by written notice to the person placing the buoys or beacons or to the person to whom the permit was issued at his or her last known address, directing the removal within a specified time. The person to whom the notice is directed shall remove the buoys or beacons in accordance with the instructions. If the person fails to remove the buoys or beacons within the specified time, the department may cause their removal, and the cost and expense of the removal shall be charged against the person authorized to place the buoys or beacons or, where authorization has not been granted, the person placing such buoys or beacons and shall be recoverable through any court of competent jurisdiction.

324.80163 Anchored raft or other item or material; relocation or removal as navigation hazard; costs; failure to pay; lien.

Sec. 80163.

(1) If an anchored raft or other item or material, whether floating free or attached to the bottomland or a shoreline, presents a hazard to navigation, the department or a peace officer with jurisdiction over the body of water where the anchored raft or other item or material is located may relocate or remove it or may order its relocation or removal.

(2) The person who owns or who caused a navigational hazard that is relocated or removed under subsection (1) is liable to pay the actual and reasonable costs of relocation or removal. The department or the law enforcement agency with jurisdiction over the body of water where the navigational hazard was located may send written notice of the relocation or removal under subsection (1) and the associated costs to the person determined to own or to have caused the navigational hazard. If the owner or person who caused the navigational hazard fails to pay the costs within 30 days of the date the written notice is mailed, the costs may become a lien against the person's property.

324.80171 Violation of part or rules; penalties.

Sec. 80171.

Unless otherwise specified under this part, a violation of this part or rules promulgated under this part is a misdemeanor. A political subdivision having adopted a local ordinance in conformity with this part may provide that any violation of the ordinance is a misdemeanor. Any person convicted of reckless operation of a vessel as defined in section 80147, or of operating a motorboat while under the influence of alcoholic liquor or narcotic drugs, or with any amount of a controlled substance listed in schedule 1 under section 7212 of the public health code, 1978 PA 368, MCL 333.7212, or a rule promulgated under that section, or of a controlled substance described in section 7214(a)(iv) of the public health code, 1978 PA 368, MCL 333.7214, in his or her body, in addition to any other penalty, may be refused by the court having jurisdiction of the violation the right of operating any motorboat on any of the waters of this state for a period of not more than 2 years.

Butman Township News & Notes

Boat Launch News: Summer of 2019 has come to a close as we prepare for colder temperatures. The boat launch is now closed. Although the season seemed to go by way too fast, we hope that everyone enjoyed their time on the lake, and the newly re-surfaced parking lot! The boat launch experienced some damage due to power loading, but all in all, it was a pretty quiet season. Special thanks to Garry Stevens for keeping the boat launch running smoothly throughout this season.

Elections: There are no elections scheduled for the rest of 2019! With the new absentee ballot changes, the previous **Permanent** Absentee Ballot forms are no longer correct. We will have the new form online under the Election tab or you may pick one up at the Township office.

Sewer: The next Sewer bills will be going out on January 1st, due January 30th. We can no longer manage forwarding mail to seasonal addresses. Please make sure the Post Office is notified to forward all mail.

Sewer backups or blockages need to be evaluated by the DPW office. **Do not** call a plumber until you have called 1-989-426-3000. A Suez employee will determine if the blockage is the resident's responsibility or Suez.

Treasurer: Winter Taxes will be going out **December 1, 2019**. Please watch your mailboxes!

Clerk: Sharon Hobin stepped down as the Township Clerk, effective October 1, 2019. She will be assisting her new Clerk, Alayna Alexander, until the November Elections, 2020. She is looking forward to having more flexibility to enjoy her family and grandchildren throughout 2020.

Roads: As most of you know, ROADS are a big undertaking and a big expense! This year \$127,000 of Butman Township taxes were spent on graveling and crack sealing our local roads. Gladwin County Road Commission contributes an extra 50% to help cover that cost. The Road Commission also mows the ditches once a year, which can sometimes take until the end of the season to complete.

Alayna Alexander
Clerk
