

SUGAR SCOOP

Mid –Michigan’s Finest Recreational Community

August 2021

Our Treasurer, Matt found this when coming into the POA Office.

The blue-tailed **skink** is a type of lizard native to Australia. As its name suggests, this small reptile features a striking blue tail at the end of a dark brown or black body. Skinks are active during the day and are able to tolerate a wide range of temperatures. Their scientific name is *Cryptoblepharus egeriae*.

July 2021 is now in the books and we continue to move forward. The Craft Show and Fireworks were both a huge success and enjoyed by all (except maybe not by some of our four legged friends). I would like to thank and recognize all the volunteers for their support and efforts to make it happen!

All Capital Projects will be completed by August 31 with Phase 2 Camper Storage being done this month.

The lakes have been busy with the weather cooperating most of the time. But we did need the rain! Beach Clubs remain busy and are for our members and their guests. Please make sure you have your Sugar Springs car sticker on your windshield or your Sugar Springs guest pass visible. You can get guest passes from the POA office. The aeration systems that have been installed in the lake seems to be getting results. I will pass on the findings from our lake treatment company when they become available. Our lakes are a big asset for our members and guests. We must all do our part to keep them clean and safe for future use.

I am hoping the trash pick up debacle is coming to an end. American Waste has started pick ups and Republic cans will be picked up this month according to the Township. Stay tuned for the latest.....

The golf course is in great shape and we continue to see new faces every week. The Pro Shop is full of merchandise for on or off the course. Mark always has the latest in equipment and apparel.

The Hearth continues to move forward even with a severe staff shortage. We are not in this alone as most businesses that have stayed open need help. If you know anyone looking for full or part time work come on in to talk to Tina, Andrea or myself. We are flexible with schedules and look forward to meeting you!

Most Sugar Springs activities are back up and operating. You can call the POA office with any questions on your favorite activities. Days and times may have changed. Be safe and let's start living again.

There are several events coming up for the whole family to enjoy. The Fly In Pancake Breakfast is on Saturday August 21 from 730am – 11am at the airpark. Come enjoy breakfast and watch the planes land. Activities for the kids. Fun for all ages. The Rummage sale will be on Saturday September 4 from 9am – 4pm. You are sure to find some cool treasures!

We have made significant strides this past year and will continue to do so. I am optimistic about the direction we are heading and look forward to a great end of summer.

STAY SAFE AND ENJOY WHAT SUGAR SPRINGS HAS TO OFFER.

David Harris

SSPOA NEWS

From the Board of Director, President

Open letter to Sugar Springs Members. This communication is for Sugar Springs Property Owners Association members and cannot be reproduced/ pasted or shared to social media

I would like to remind everyone of a few events that will be taking place here at Sugar Springs.

We will be having our..

12th Annual Fly-in Pancake Breakfast

August 21st, 7:30 am—11:00 am

~Everyone Welcome~

Our Bi-Annual Rummage Sale

September 15th

~Sugar Springs Golf Course~

Lancers Room

I would like to take a minute and thank everyone for your support and patience and making Sugar Springs the wonderful place it is today.

Tom Hug

MID YEAR TREASURER'S REPORT

Now that we have passed the halfway point in 2021, it is a good time to take a look at where we stand financially. We are very stable with our funds in both operating cash and also our reserve funds. Through June, our revenues are over \$200,000 above budget with net income \$115,000 over budget. Our administration revenue, which is primarily our dues collections, is up considerably compared to the last two years.

The buildings and grounds revenue is also up compared to the last two years. The buildings and grounds department derives its revenue primarily from boat dock rentals, camper storage spaces, the campground and gate card sales. The biggest driver of this increase is additional usage of the campground. The revenue is down from normal years at the pool and fitness center. This was expected because of prorated 2021 memberships for people who purchased 2020 memberships that could not be fully fulfilled due to Covid closures.

Play has increased at the golf course the last two years which has led to increased revenue. Compared to 2019, our last uninterrupted year, revenue is up \$58,000. Of that increase, \$30,000 of it is from the Trackman golf simulator purchased at the beginning of the year. That means that regular golf play has accounted for the other \$28,000.

The restaurant is continuing to show great sales numbers. When compared to 2019, our last full year, restaurant sales are up nearly \$23,000. Considering in 2019 we set our record for highest sales at the restaurant, things are trending in a positive fashion. Food and beverage margins are down 4% which is helping better control our costs.

As for capital expenditures, we have purchased the previously mentioned Trackman golf simulator, a rough mower for the golf course, a mower for buildings and grounds, the deck awning over our new deck and completed the sewer project in front of the restaurant. Two unexpected expenditures were a new furnace and air conditioning unit at the POA office to replace the previous one that was dying and a new pizza oven because the current one was constantly down during busy periods. The final project to be completed will be the next section to improve camper storage. Once that is completed, our capital expenditure costs for the year will be less than we budgeted.

Matt Schindler

Dear Member's/Property Owners,

Summer is on the way out but there is still plenty of time to get out and play some golf. The golf course is in phenomenal shape, if you haven't had the chance to play, please make a point to get out and play.

The golf course and the golf business in general has experienced a lot of new and returning players. With that said, tee time availability has been more difficult than in the past. If you are interested in making tee times, please be aware that you can call up to 7 days in advance. As a courtesy, we ask that you arrive at least 15 minutes prior to your scheduled time so that you can be prepared to play and cancel any times that you are not able to keep. The weekends over the next few weekends have some larger travel groups, so times are somewhat limited.

Please be aware the golf course is for registered golfers only. Please do not walk, bike or venture out onto the course at any time. Thanks for the cooperation and informing any guests of this policy.

Special Thank You to my golf staff for continuing to provide excellent service to all our golfers!! Al, Bill, Dale and the outside staff as well and Dwight and the maintenance crew for keeping the golf course in top notch condition!! Thank you for supporting your club and pro shop!!

Mark Bayer, PGA

A friendly reminder for Members
Sugar Springs
Architectural & Environmental Committee

As Sugar Springs Members start preparing for Spring, please be aware of the following Rules and Restrictions:

Homeowner:

Construction Permits are required for the following:

**** Failure to acquire a SS Construction Permit may result in a \$250 violation assessment**

New Home

Garage/Carport/House Addition

Outbuilding

Lot Modification, Beach work (DEQ Permit also required)

Dock and/or Hoist: Must be no more than 4' wide and 20' long and must be placed no less than 10' from side property line

Setback Variance Request

Deck, Dog Pen, Gazebo

Siding/Roofing: No charge, must provide proposed colors for approval

Tree removal: Live trees greater than 4" in diameter

Boat trailers, snowmobile trailers and utility trailers may be stored on homeowner's lots year-round, provided they are stored completely behind the leading edge of the home, from the road side.

During the time period of **April 15th to the 3rd Sunday** in October, boat trailers, may be in the driveway of a home as far back from the road as reasonable.

During the time period from the **3rd Sunday in October to April 15th**, a snowmobile trailer, may be in the driveway of a home as far back from the road as reasonable.

Camping units are allowed at home for a maximum of two (2) weeks for performing maintenance and/or getting ready for a trip.

Camping:

Campers can only be placed on lot from the 1st Saturday of April through November 30th of each year

Camping Stickers

Camping sticker for each camping unit must be obtained from POA office without cost to the member

Suggested Sticker Placement: within 10' from the driveway and 10' from the front property line

Camping units are limited to two (2) per lot

Boats, jet skis, trailers of any kind, vehicles, lawn mowing equipment, etc. are not allowed on any lot without a camping unit in place.

At no time is solo tent camping allowed. Tents on camping lots are allowed only when a camping unit with a qualified sewer connection is present and available.

Construction Permits are required for the following:

**** Failure to acquire a SS Construction Permit may result in a \$250 violation assessment**

Camping pad: Placement - no closer than 10'. from any side property line, 75' from the normal high water lines of the lake and 35' from any street line (this is 68' from the center line of the road). Permanent camping pads and/or driveways are prohibited (i.e. asphalt paving, concrete paving, etc.).

Tree removal: Live trees greater the 4" in diameter

Well House: Cannot exceed 6' long, 5'wide, and 5' high at the roof peak

Decks: Ground level deck with no railing

Docks: Must be no more than 4' wide and 20' long and must be place no less than 10' from side property line

Sewer Connections:

Sewer connection must be within 10' from the approved camper location

Any questions concerning Butman Township Sewer Ordinance please contact Butman Township (989)426-4351

** For additional information on SS Rules and Regulations see the "SUGAR SPRINGS REGULATIONS AND POLICES" PAMPHLET, SS Covenants, and SS Bylaws. These documents can be acquired from the Sugar Springs web site or POA Office.

Sugar Springs in August

The Recreation Committee's Rummage sale is September 4th, from 9am-3pm in the Activity Center. Donation Drop off time is 9am-4pm on September 3rd.

Check out the Pro shop for upcoming golf outings, tee times and to check out the available merchandise.

Beat the heat and come enjoy our SS pool, or enjoy our all sports lakes.

Sugar Springs POA would like to remind everyone to be safe, social distance and to enjoy their summer.

**Volley
Ball**

Adult Co-Ed

Please join us Monday,
Wednesday & Friday from
11:30am - 1:00pm every week
in the Sugar Springs Activity
Center Pool, for lots of fun
and some great exercise.

All Sugar Springers,

A reminder that our annual Fly in Pancake breakfast will be held August 21. Airplanes fly in from all over the state and spectators get quite a thrill along with a wonderful breakfast. Part of the fun is our raffle baskets. We need items to fill about 25 baskets. Please consider donating

items to fill our baskets in the following categories:

Camping, Fishing, boating, family games, baby love, cabin decor, garden, animals, or even cash to purchase items to fill baskets. We need items by August 10 to fill baskets and have them ready for the Fly In.

Please call and let me know you can help out. If each Sugar Springs Committee could get together and provide items for a basket that would be great also!

**Thank You,
Diane Creed 989 928-4077**

Sugar Springs

Artists

The Sugar Springs Artists are introducing a new monthly activity called “DISCOVER AND SHARE”

Starting with WATERCOLORS to be held on the first Tuesday of each month. It will begin on Tuesday, August 4th starting at 9:00 am for the beginner (and whenever the SSA member wants to join us anytime between 8:30 am to 10:00am. This activity may continue to other Tuesdays, if there is an interest in our community. This informal get together (without and instructor) is for all levels of artists as well as people who would like to try watercolors to see if they would like to learn more. Bring whatever watercolor supplies you have and if you don't have any supplies we encourage you not to buy them before joining us on a few Tuesdays of the month as the artists can share what supplies they would recommend a beginner to purchase. The Sugar Springs artists have all the watercolor supplies you will need to start on your journey into watercolors. We will watch beginner watercolor DVD's, we will learn basic water supplies and will start with simplified classical painting techniques (e.g., brush strokes, washes, etc..) and will practice what we learn on practice paper so that even the most cautious beginner can experience success in the learning process. We may start painting on a small 4" x 6" project in the near future. We will not watercolor a painting until we feel comfortable with some of the different techniques. The intermediate and experienced artists will be painting on each of their own projects (PAINTING ON YOUR OWN) so the beginners will have an opportunity to watch them paint and ask questions. We all love to share what we have learned and it will refresh us as well. Some of us may be painting along with the beginners. Beginners will be able to practice on any Tuesday of the month and are welcome to ask questions as well.

We are asking the beginners to let me know if you plan to attend next Tuesday so we can prepare the supplies for your use.

You may come to this first Tuesday without becoming a member. Sugar Springs Artists membership fee for Sugar Springs Property Owners is \$10 annually. If you do not own property in Sugar Springs you may become a Social Member for an annual fee of \$50, which allows you to join many of the social activities in this community.

If you have any questions regarding the start of “DISCOVER AND SHARE”, please either email me at caronkre@gmail.com or call me at 989/426.0414

Carole Krecioch

Sugar Springs Artists Coordinator

Message from our Lakes Committee

You may have noticed some changes in the weeds on our lakes. We have more good weeds than before and fewer invasive weeds. Our goal is to make our lakes healthier for all. So, we are attempting to promote good weeds in areas that have minimal impact with navigation routes or swimming areas. In other words, we want to influence the types of weeds we have and where they are located.

We realize there are some people who don't have any weeds in our lakes. There are some who want lots of weeds. There are some who want the fishing improved while others don't care about fishing at all. Our Lakes Committee is trying to provide a healthy balance. We monitor the types of weeds, their location, water clarity, as well as bacteria and oxygen levels. Our lake treatment crew treated our lakes this past week. Some of our weeds will die and float to the top and we will be carried to the shorelines by wind and waves. Some of these weeds can fall to the bottom of the lake and start a new plant. If you can remove the weeds from your area shorelines it will help our effort a lot. There are two weeds in particular that pose a challenge to us. Those are : Wild Celery and three varieties of Milfoil.

There are some things that our lakefront residents can do that would make a huge impact on our lakes. Removing the weeds from the shoreline is a major help. Keeping grass clippings and leaves from getting into the lake would be very beneficial as well. Communicating this information with your neighbors so they understand the importance of good lake management might be a major help.

Thank you in advance for your support. SSLC

Lake Lancer and Lake Lancelot Update from our Lakes Committee

Did You Know that May 29th is “Opening Day” of the 2021 Bass season? Many anglers know both Lake Lancelot and Lake Lancer have an extremely healthy Bass Fishery. It is not uncommon to hook into a Bass above the legal size of 14 inches. For those who have caught Bass, you know the thrill of the fight this predator fish provides us. Speaking of predator fish, **Did You Know** that in addition to large Bass, we also have an abundant population of another ferocious predator fish in our lakes, the Northern Pike? These two predators (Bass and Pike) have unsatiable appetites and their menu is basically the same – Pan fish. Taken together, in large populations such as we have in our lakes, these predators can have a significant impact on the pan fish population that is usually seen by low numbers of Pan fish that survive to a larger “keeper” size. Those of us who have eaten Bluegill and Crappie know they rate toward the top of good eating freshwater fish.

“Balance” is important in all ecosystems. Our lakes are no different. Keeping our predator fish from proliferating is an important step toward maintaining “balance”. That said, the Lakes Committee is encouraging those fishing both Lake Lancelot and Lake Lancer keep legal size Bass and Pike. As a reminder, the state regulations for Pike and Bass are as follows:

Northern Pike in Lake Lancer is five (5) of any size with only one greater than 24 inches allowed in the daily limit possession. (Page 14 Northern Pike special regulations, Michigan Fishing Guide 2021)

Northern Pike in Lake Lancelot is two (2) being a minimum of 24 inches in length daily possession limit. (Page 12 Michigan Fishing Guide 2021)

Large Mouth Bass regulations are the same for both lakes. A minimum length of 14 inches with a daily possession of five (5). (Page 12 Michigan Fishing Guide 2021)

Finally, **Did You Know** that many people consider Pike very tasty, some people ranking its taste comparable to that of Walleye? Many people don’t keep legal Pike because their Y-bones require different filleting techniques. There are several popular techniques anglers use to get tasty fillets off Pike. Like many other topics, YouTube has several very good videos that will have you filleting Pike with confidence. Just search by “Filleting Pike”. You can also find several videos on YouTube discussing recipes for cooking Bass.

So as our summer of fun starts this Memorial Day weekend, please consider keeping the legal-size Bass and Pike you catch in both Lake Lancelot and Lake Lancer.

“Tight Lines” from your Lakes Committee!

A Message from our Lakes Committee

Sugar Springs: Lake Lancer & Lake Lancelot

Important Michigan Boating and Personal Watercraft (PWC) Safety Rules

- Michigan law prohibits anyone from boating while under the influence of alcohol or drugs.
- All Boat/PWC operation must be 100 feet from shore and other vessels when above idle speed.
- Personal Floatation Device (PFDs) must be worn by all tubers, skiers, wakeboarders, and PWC operators/riders.
- PFDs must be worn by children under 6 years old and should be worn by all children on board.
- Keep all channels clear: No anchoring, fishing, swimming, skiing/tubing.
- Non-motorized craft (sailboats, rowboats, canoes, etc.) and any boat being overtaken have the right-of-way over motorboats.
- Observe passenger limits on your boat.
- High speed times: 11:00 am to 7:30 pm. (Per Butman Township High Speed Boating Ordinances)
- All boats/PWCs must be operated in a counterclockwise direction around the lake.
- Observe idle speeds (no white water behind watercraft) in all No Wake areas.
- All boat passengers must be within the railing of the boat. No riding on gunwale, bow or stern.
- All boats operating from sunset to sunrise must display navigation lights.
- All boats/PWCs skiing, tubing or towing must have an observer.

PWC Specific Rules (In addition to the above)

- All PWC passengers must ride **behind** the driver, never in front of the driver. Children who are too small to do this should not ride.
- A PWC shall not cross a boat's wake closer than 150 feet from the boat.
- Anyone riding on or being towed behind a PWC must wear a PFD.
- The lanyard of the PWC engine cut-off switch must be attached to the operator.
- It is illegal to operate a PWC from sunset to 8:00 am.
- Legal PWC Operation:
 - Is not allowed by anyone under 14 years of age
 - Is allowed by those 14 and 15 years of age with a boating safety certificate **and** accompanied by or within 100 feet of a parent/guardian
 - Is allowed by those 16 years of age and born after 12/31/1978 **only if** in possession of a boating safety certificate.
 - Is allowed by anyone born on or before 12/31/1978 without restrictions.

Memorial Fund

Donations to the Sugar Springs Memorial Fund in memory of your loved ones can be made at the POA office. Funds are used to beautify and enhance activities at Sugar Springs

Donations are managed by the Memorial Committee

Projects future and current include:

Trees and flowers around buildings and golf course

Memorial Library (Take a Book- Leave a Book)

Replace picnic tables and benches at recreational areas

Playscapes for beach clubs

Dog Park

**Please consider donating to the Sugar Springs
Memorial Fund**

AIRPARK REMINDER

As the weather improves, the airpark will become more active. Only authorized personnel and vehicles are allowed on or near the runway. If a person has to enter the runway, they should call the Airpark manager for permission, except in an immediate emergency.

Dave Wood

Cell: 317-523-3131

Airpark Manager

Butman Township News

Butman Township

Information and communication are important, and we want to keep the residents of Butman Township informed as changes that are occurring at the Township level. This is the purpose of this column.

Code Enforcement Officer

At our last board meeting, we voted to hire Mary Urbanczyk as our new code enforcement officer. Mary is a year round resident of Sugar Springs. She is a former police officer with 22 years' experience in the Detroit Police Department. Mary will be working in this capacity from April 1st to September 30th. Her duties will entail the following:

- Identifying code violations reported throughout Butman Township.
- Enforcing ordinance violations regarding blight, sewer, and noise.
- Issuing notifications, warnings, and citations when necessary.

Since this is a new position in the Township we will be evaluating it at the end of the year to determine what changes, if any, need to be made. We appreciate Mary's willingness to serve and welcome her on board. If you have occasion to meet her, please give her your complete cooperation.

Golf Carts

Also at our last board meeting, we discussed the use of golf carts on the roads of Sugar Springs. After much discussion, we decided to table the subject until our next meeting.

Currently, golf carts are not allowed on the roads of Sugar Springs, even though they are prevalent. Our discussion centered on approving a resolution allowing golf carts. Our main concern is safety on the roads. Many golf carts are being driven by young underage children, and unaccompanied by any adults. This is not safe or acceptable.

This resolution merely emphasizes the State Laws concerning the operation of golf carts. At the present time there is no desire to create an ordinance to back the resolution. We simply want to allow golf carts use yet emphasize the importance of safety for all. The subject will be brought up for discussion at our June meeting.

Garbage Collection

We are truly sorry and exasperated over the garbage service the last few months. Republic has informed us it has a shortage of drivers and has been unable to keep up with recycling and yard waste.

At our April Board Meeting we voted to accept a bid from American Waste-GFL to begin garbage collection on July 1st. Under this new contract, trash will be picked up on Monday and recycling and yard waste on Wednesday. Large items will be picked up once a month on a specific day that is yet to be determined. New bins will be distributed by American Waste-GFL beginning in mid-June.

In the meantime, we are doing our best to hold Republic accountable, and at the same time look for other options. We appreciate your continued patience with this situation. It is frustrating for everyone..

Conclusion

I trust this information is helpful, even though it does not answer all your questions. Our Board Meetings are on the second Wednesday of the month, at 10:00 a.m., at the Township Hall. We welcome your attendance. If you are available, please consider this an invitation to attend.
