We would like to wish each and everyone of you a

Very Merry Christmas and a

Safe & Healthy New Year!!

David, Matt, Melissa and Samantha

WOW.... THAT WAS FUN. THAT WAS INSPIRING. THAT WAS TRULY A GIFT TO SEE ALL OF OUR MEMBERS ENJOYING SUGAR SPRINGS AND WHAT IT HAD TO OFFER IN 2021. I personally met many great people that showed me what a wonderful gift we have in our community.

The Hearth has had a record year and we are looking forward to moving forward and getting better in 2022. We have a new computer software system and kitchen equipment coming soon to help us continue to move forward. I encourage everyone to come and support The Hearth. We cannot do it without your feedback and support. Thank You!

The golf course is also having a strong year with the course being in great condition all season. With the combination of league play, tournaments, scrambles and open play there was a whole lot of excitement on the links. Our new simulator Trackman has also been a huge success. It has paid for itself in one season and we are gearing up for another winter of indoor golf. Leagues will be forming soon. Players of all levels are invited and welcome!

Some of the events that took place and had us smiling were The Winterfest, The Superbowl Party, The Ice Cream Social, The Member Appreciation Event (now called The POA Picnic), The Craft Show and Fireworks, The Airpark Fly In Breakfast, Trunk or Treat and Cookies With Santa and Tree Lighting to be held on Saturday November 27. These activities and more are currently being scheduled for next year!! **2022 is Sugar Springs 50th Anniversary and we plan on making it memorable for all. Stay tuned for our 50th Anniversary Calendar of Events.**

I personally would like to thank the POA Staff, our Board of Directors and all committees and volunteers or making Sugar Springs what it is today. Each and every Sugar Springs member makes this a great place to live, work and play!

Stay safe and have a Happy Thanksgiving, A Merry Christmas and a Great New Year.

HAPPY 50TH SUGAR SPRINGS!

David Harris

SSPOA NEWS

From the Board of Director, President

Open letter to Sugar Springs Members. This communication is for Sugar Springs Property Owners Association members and cannot be reproduced/ pasted or shared to social media

2021..Sugar Springs was on the run!! We, with the membership support , were able to add new items and enhanced several of our amenities. Started the year off by completing our building addition and new bath-house, along with the new addition of the Trackman golf simulator enjoyed by many, golfers and big game spectators alike. We quickly moved on to the lakes and added the aeration equipment with better than thought results. We were also able to address the cart paths on the course and fix the safety concerns.

Completed another section in our storage facility. Launching of the new website sugarsprings.net was definitely a great communication tool along with Constant Contact notices. If you are not receiving the Constant Contact information please contact the POA office and provide your email address. New member appreciation gathering was a huge success and enjoyed by all so much that we are going to have it again in 2022 with the name changed to POA Picnic.

2022.. is for you. We will be adding a new POS system in the restaurant to help serve you better. Along with the long overdue replacement of kitchen equipment, most if not all equipment is original to Sugar Springs. New menu will be complete before the start of the 2022 season.

We are currently reviewing a program offered by Consumer Energy to help contain our energy consumption. It most likely will be an investment from Sugar Springs with a return on the investment in cost savings.

With our committees help, we are in the final stages of planning activities to celebrate our 50th Anniversary. I for one am very proud to be a Sugar Springer, we have such an outstanding community of people, so many wonderful things to offer and an overall area that's well maintained.

As 2021 comes to close we have excellent news to report; restaurant set new sales revenue numbers. And the golf course had its best revenue year in 12 years. Thanks to all for your patronage!

A big thank you all of our members and volunteers You help to make Sugar Springs a Success.

I would be remised if I did not thank all of our staff, POA, Building and Grounds, Pro Shop, Golf course, and the Hearth staff. You all do an outstanding job!

Wishing you all a Merry Christmas and Happy New Year! Stay safe and enjoy your family.

**SUGAR SPRINGS PROPERTY OWNERS ASSOCIATION
(SSPOA)
BOARD OF DIRECTORS MEETING
SEPTEMBER 18, 2021**

OFFICERS & DIRECTORS PRESENT: President, Tom Hug, Vice President, Craig Taunt, Corporate Secretary, Laura Gentry; Directors: Dale Dunham, John Hawkins, James Issitt, Jeff Weeman, Sherri Visnaw; SSPOA GM, David Harris, SSPOA Treasurer, Matt Schindler and Recording Secretary, Judith Sullivan.

OTHERS PRESENT: Twenty (20) SSPOA members and one (1) guest.

At 10:00 a.m., the September 18, 2021 Sugar Springs Property Owners Association (SSPOA) Board of Directors meeting was called to order by President Tom Hug at the SSPOA Activity Center. No one video recorded the meeting.

Following the Pledge of Allegiance to the Flag, President Hug opened the meeting with the Regular Order of Business pursuant to the Agenda.

ADDITIONS/CHANGES TO THE AGENDA: None

FINANCIALS:

TREASURER'S REPORT:

Matt Schindler, SSPOA Treasurer, reviewed the report. Year- to- date revenue is up from the same period last year. He reported on expenses and income. Financial statement is available to members at the office. Report accepted as presented. 1

GENERAL MANAGERS REPORT: David Harris: “ We were able to reopen our facilities which were closed due to the Coronavirus Pandemic. I will review events of 2021 which began with the Winterfest in January and continued with the Ice Cream Social and Member Appreciation Day (that event will be revisited under a new name for the Sugar Springs 50th Anniversary in 2022). July brought the Craft Show and Fireworks followed by the Airpark Fly-In Breakfast which were all phenomenal. Many golf events were held and I must highlight the Gladwin Veterans Golf Outing and the Butman Township Fire Department outing. Both were fundraisers for worthy causes. I feel that those continue to put Sugar Springs “on the map”.

There are a lot of new Sugar Springers here this year and I feel our biggest goal is to educate people on our basic policies rules and regulations. They are not hard ... but we have them. Going forward we will continue to remind people that car stickers and guest passes are going to be required at beach clubs. With renting a boat slip members will need to have their stickers facing the dock so that if there is any kind of an issue, we can identify the boat and owner. Recently a pontoon was sinking and we could not inform that owner due to lack of a sticker. Fortunately through an acquaintance, the problem was solved.

Capital improvements continue. We just received notice that the aeration system installed in Lake Lancer had results much better than expected. PLM stated that the muck level in those areas was reduced by two feet. This was considerably more than we anticipated. The muck reduction in other areas averaged two feet. Going forward we will look at a few spots on Lake Lancelot. We are in the process of getting permits for that. The targeted areas were a resounding success.

The Hearth continues to do record sales – we are currently looking at the possibility of being open seven days. We cannot commit to it yet, but if it meets fiscal responsibility, we will do it. Obviously if it loses money we will not continue with those hours of operation.

Our Golf Course is in phenomenal condition. If you are able to enjoy the course this fall, please thank Mark Bayer and his staff for a remarkable year.

Our lake buoys have been removed and lake levels will begin to be lowered early to mid October.

Veterans Time Capsule: This is a reminder to members to submit names of members (former and present) to the office for the Time Capsule which will be placed in the ground on Veterans Day in November. Please print name of person, Military Branch and dates of service.” 2

COMMUNICATIONS:

Responding to several requests to change boating/no wake hours on the lakes: These rules are a DNR issue which are generally statewide. It would be a long and difficult process to get them changed.

Complaints of both noise and misuse of ORV's/golf carts/side-by-sides: Butman Township has a Noise Ordinance that citizens can file complaints with and vehicle misuse should be reported to the Gladwin Sheriff, 989-426-9284 or Michigan State Police, 989-345-0955.

Additionally weed control comments were received and PLM (lake treatment) is addressing.

With regard to yard signs: A&E Committee Rules and Regulations are firm on yard signs as stated in Bylaws. Flags are not considered yard signs.

An appeal from the Airpark Committee requesting assistance with installation of electrical power in Airpark building that will be reviewed at BOD work sessions.

OLD BUSINESS:

Camper storage phase 2-3 complete. Main sewer complete.

NEW BUSINESS:

Approve the purchase of the portable suction dredge pump system not to exceed \$ 10,000

Motion made to Approve the purchase of the portable suction dredge pump system not to exceed \$ 10,000

M/Weeman,S/Taunt

Discussion: To improve muck levels in lakes and ponds. In researching this system, we learned we can obtain a portable system that will hook on to a boat instead of using a backhoe which allows material to go back into the lake. DNR regulations require that when removing material from lakes, upon draining, the water must be returned to the lake. A quote received to remove silt/muck from a specific area in Lake Lancelot was \$35,000. Our option is to purchase this system and be able to use it in both lakes and golf course ponds. Buildings and Grounds will be able to operate this and will store removed material in appropriate B&G areas as required by law.

Motion unanimously approved

COMMITTEE REPORTS:

ARCHITECTURAL & ENVIRONMENTAL CONTROL: (Bd Rep: L. Gentry)

Scott Jones, Chairperson, reported an extremely busy season. Listed was 1 home, 6 lot modifications and multiple tree removal situations. Violations occurred with members who do not understand SSPOA Rules and Regulations. Totals were 54 including unauthorized items on lots and removal of campers. Sewer responsibilities are under the Butman Township requirements.

BUDGET COMMITTEE: (Bd Rep: T. Hug)

Noel Clark indicated that Committee will meet in November to determine budget for 2022.

BUILDINGS & GROUNDS COMMITTEE: (Bd Rep: D. Dunham)

Ron Francetic reported that an audit of all facilities has been done and a full report on repairs needed will be given to the Board for future considerations.

GOLF COMMITTEE: (Bd Rep: J. Hawkins)

No report.

LAKES COMMITTEE: (Bd Rep: J. Weeman)

Mario Laudicina, Chairperson of the Lakes Committee announced the Goose Round-up in June had about 50 Geese taken and relocated. The Goose population appears to be substantially less than in prior years so that program is working. A booth was set up at the Craft Show where we distributed educational materials, gift certificates and gift baskets were donated by Sugar Springs Marine. A raffle supplied funds for our newly created lake improvement fund. Our Boater Safety class was held in July - 22 people in attendance with most students passing the exam and receiving certificates. On August 11 we sponsored a Clean Water/Clean Boat afternoon with the assistance of the Michigan Lakes and Streams Association and Michigan State University. The lake treatment company, PLM, has done a good job in treating our waters of weeds and invasive species. The aeration system is being monitored and it is hoped that this project will continue. The Gladwin County Drain Commissioner will continue to inspect the spillway. E-coli levels have remained low and water testing is complete for the year. Silt traps are being inspected and buoys have been removed from beach areas. We plan to continue shoreline clean-up over the winter. Volunteers and BOD along with the POA Staff were thanked for all their contributions on behalf of the Lakes Committee.

NOMINATING COMMITTEE: (Bd Rep: J. Issitt)

No report.

PLANNING COMMITTEE: (Bd Rep: J. Issitt)

Report by Chairperson, Mike Visnaw, indicated that the Digital Marketing Campaign remains on hold due to the current continuation of Covid 19 restrictions. It is hoped that when business returns to normal, the campaign will get underway. A restaurant survey is being finalized and will be available through Constant Contact for members to respond to. An all Chair (of committees) meeting will take place immediately following this meeting to begin preparations for planning a 50th Anniversary celebration of Sugar Springs to take place in 2022.

RECREATION COMMITTEE: (Bd Rep: S. Visnaw)

Pat Issitt, Chairperson, reported having 90 vendors at the Craft Show in July and the Rummage Sale brought forth a record number of much needed volunteers. Looking ahead, October 2 is the Poker Run which will be held dependent on the appropriate number of tickets sold by September 28. October 30 is the UofM/MSU Football game Potluck Party at the Activity Center.

ROSEMARY DAVIS VOLUNTEER APPRECIATION AWARD – 2021

Presented to:

SCOTT AND SUE JONES

AD-HOC COMMITTEES:

AIRPARK COMMITTEE: (Bd Rep: C. Taunt)

Danny Foxx, Chairman, reported that 535 persons were served a pancake breakfast at the Fly-In along with many pilots who brought in a variety of interesting planes. Funds generated will go towards Airpark improvements. Danny thanked the volunteers and those that donated gift baskets for the raffle.

CAMPING COMMITTEE: (Bd Rep: C. Taunt)

Dan Feinauer spoke on behalf of the Camping Committee. He was elected Chairperson earlier in the day and reported that the Committee was planning on having a Trunk or Treat celebration on October 23. They are hoping to have a boat parade in 2022 and a Springtime Welcome Back event. SSPOA members are all welcome to get involved with the Committee.

MEMORIAL COMMITTEE: (Bd Rep: S. Visnaw)

No report.

ADDRESSES TO THE BOARD:

Members voiced

- Concerns about safety in Sugar Springs. Township has an Ordinance Officer but the area needs more. Could a hired person be funded by members? Consider possibility of working with Sheriff to get funding for patrols. Sheriff #: 989-426-9284
- Suggested a "Neighborhood Watch" program using volunteers.
- Residents should contact the State Police when in need. MSP response is mandatory.
- Michigan State Police#: 989-345-0955 (this is West Branch post)
- Parking lot in Pickle Ball needs resurfacing as does the Tennis Court

7

COMMENTS FROM BOARD MEMBERS:

All members (residential and camping) should have their address listed with the Gladwin County Building Department. Please call them to provide that information so that it can be entered in the 911 Call system. 989-426-5931

SSPOA BOD work sessions will now include Committee representation.

NEXT BOARD OF DIRECTORS MEETING: DECEMBER 11, 2021

ADJOURNMENT:

With all Agenda Items completed and without objection, President Hug adjourned the meeting at 11:35 a.m.

Respectfully submitted,

Judith Sullivan, Recording Secretary, Sugar Springs Property Owners Association

Laura Gentry, Corporate Secretary, Sugar Springs Property Owners Association

Sugar Springs

Artists

The Sugar Springs Artists are introducing a new monthly activity called “DISCOVER AND SHARE”

Starting with WATERCOLORS to be held on the first Tuesday of each month. It will begin on Tuesday, August 4th starting at 9:00 am for the beginner (and whenever the SSA member wants to join us anytime between 8:30 am to 10:00am. This activity may continue to other Tuesdays, if there is an interest in our community. This informal get together (without and instructor) is for all levels of artists as well as people who would like to try watercolors to see if they would like to learn more. Bring whatever watercolor supplies you have and if you don't have any supplies we encourage you not to buy them before joining us on a few Tuesdays of the month as the artists can share what supplies they would recommend a beginner to purchase. The Sugar Springs artists have all the watercolor supplies you will need to start on your journey into watercolors. We will watch beginner watercolor DVD's, we will learn basic water supplies and will start with simplified classical painting techniques (e.g., brush strokes, washes, etc..) and will practice what we learn on practice paper so that even the most cautious beginner can experience success in the learning process. We may start painting on a small 4" x 6" project in the near future. We will not watercolor a painting until we feel comfortable with some of the different techniques. The intermediate and experienced artists will be painting on each of their own projects (PAINTING ON YOUR OWN) so the beginners will have an opportunity to watch them paint and ask questions. We all love to share what we have learned and it will refresh us as well. Some of us may be painting along with the beginners. Beginners will be able to practice on any Tuesday of the month and are welcome to ask questions as well.

We are asking the beginners to let me know if you plan to attend next Tuesday so we can prepare the supplies for your use.

You may come to this first Tuesday without becoming a member. Sugar Springs Artists membership fee for Sugar Springs Property Owners is \$10 annually. If you do not own property in Sugar Springs you may become a Social Member for an annual fee of \$50, which allows you to join many of the social activities in this community.

If you have any questions regarding the start of “DISCOVER AND SHARE”, please either email me at caronkre@gmail.com or call me at 989/426.0414

Butman Township News

A Note from your Butman Township Treasurer:

It's the time when some of our property owners go elsewhere for the Winter months. Please note that we do NOT change addresses during this Time period. Sewer billings and tax billings will be mailed to the address of Record (for most it is their Sugar Springs address). We recommend one of two Options for the sewer bills due to the new possible delays in the mail. Option 1 would be for you to prepay the sewer billings for January and April before you leave (\$180.00); Option 2 would be for you to prepay the entire year (\$360.00) on either July 1st, our fiscal year start, or on October 1st. Any payments received in this office after the 30th of January or April will be charged a \$9.00 late fee.

Our tax bills will be mailed on December 1st and are due in this office no later than February 28th, 2022 or they will be turned over to the County as delinquent on March 1st with added penalties. Make sure you file a "forwarding address" with the post office so your mail will be sent to wherever you are for the winter. You may access your tax bill by going to: AccessMyGov.com and putting in your parcel ID code or your last name. You may open the bill by clicking the + sign next to the bill you want to open. From there you may print that bill and use it to send in your payment or to check your payment status. Please note that if you have a mortgage company they wait until the very last week to get the payment to us and it may take us a few days to post the payment for the 28th of February due to the high volume.

If you have any questions, please don't hesitate to contact me at butmantreasurer@gmail.com or call 989-426-4351 Option #5. Thanks for your cooperation, Susie W. Ruppert

December 1, 2021

Dear Camper:

This letter is being sent to advise you of the existing sewer ordinance that will be fully enforced in the upcoming 2022 camping season. For those of you that are not aware, there has always been a sewer requirement dating back to the 70's. The ordinance can be read on the Butman Township website: <http://butmantwp.com>. The intended purpose is to preserve the integrity of our lakes and drinking water.

All campers must secure a sewer permit prior to setting up their camper on their lot. These permits can be obtained at the Waste Water (Sewer) Department, located at 4989 N. Hockaday Rd. The township will be giving each camper a 911 sign that will enable township officials to know that you have acquired your sewer permit and intend to have your sewer system installed before the deadline of the camping season 2023. This will be at no cost to you. If the company you have hired cannot meet the deadline, you will be given an extension of the deadline. Once you have obtained your sewer permit, the ordinance officer will deliver your 911 sign personally so that it can be promptly displayed. If you already have a 911 sign, another one will be provided.

Failure to comply with obtaining a sewer permit before setting up your camper will result in a five hundred (\$500.00) dollar fine imposed for non-compliance and will be diligently enforced.

If you have any questions, please contact the Butman Township Enforcement Officer.

Thank you,

Mary Urbanczyk
