

SUGAR SCOOP

Mid –Michigan’s Finest Recreational Community

January / February
2021

Due to Covid -19 there are still restrictions in place that we need to follow for activities being held in our facilities. Please check in advance with the committee/ groups that you participated in to verify meeting times and dates.

Our Sugar Springs Fireworks show is funded by donations only. Any type of monetary donation is greatly appreciated. You can make your donations at the POA office anytime throughout the year.

We are in the process of planning to have our SS Craft Show and our fireworks display on July 3, 2021. More information will be provided regarding this event in the coming months.

WELCOME TO 2021

As we turn the page to 2021, things seem eerily similar to our world the past 10 months. We are still locked down, distanced and the virus has control. That being said, our battle cry is,

“MOVE FORWARD AND DON’T LOOK BACK”.

2020 had its challenges but as I started to acclimate myself to Sugar Springs I saw a community that worked together for the good of all. I applaud you all for your efforts and accomplishments.

Despite a slow start the golf course rebounded to have a very good year. Golf leagues and tournaments were cancelled early in the year due to restrictions but came on strong when we were able to open. Mark and his team thought “outside the box” to get leagues running, creative scrambles going and to get outside play to a record level. We even stayed open 9 days into November due to great weather with record play! Dwight and his team kept the course in great shape all year. According to Mark we had many first time groups playing our course. I am sure many will be back this summer!

Construction at the Manchester bath house was completed and opened in August. I plan to open all beach clubs on time this year. We will do this safely and with restrictions if necessary.

The pool and fitness center remain open with limited capacities. Yearly or six-month passes are available at the POA Office. We will open other groups and activities as we are able to. Stay tuned for all upcoming events.

Have you had a chance to see the new addition at the Hearth? It is very impressive! The new deck will be a great spot to enjoy the view. Every time we gained momentum at the restaurant we were shut down. So what did we do? We added delivery to Sugar Springs residents along with pick up and curbside options. My plan is to continue delivery service and even offer it to beach clubs during the summer months. Great job by Tina, Andrea, Brian and the whole team as we continue to raise the bar for excellent food and service.

The lakes were busy all summer and fun was had by all. Please continue to follow Sugar Springs regulations and boat safety rules. Beach Clubs are for our members and their guests. We have purchased aeration equipment for the lake to help reduce the accumulation of muck and will expand the project when we see the results. The Manchester bath house was rebuilt and others will be renovated or replaced in the coming years. Our lakes are a big asset for our members and guests. We must all do our part to keep them clean and safe for generations to come.

Welcome to all people that are new to Sugar Springs. It is a great place to be full or part time. Remember to read and understand our Bylaws and Covenants along with the Rules and Regulations for the Sugar Springs Property Association. I personally have been coming to Sugar Springs for over 30 years and love it more every day. Finally, I would like to thank you for welcoming me into your community. As you will see, I take a “hands on” approach to my position. I will never ask someone to do something that I would not hesitate to do. We are all in this as one. We are moving forward and not looking back!

God Bless You All and Welcome 2021!

David Harris

GENERAL MANAGERS REPORT

SSPOA NEWS

From the Board of Director, President

Open letter to Sugar Springs Members. This communication is for Sugar Springs Property Owners Association members and cannot be reproduced/ pasted or shared to social media

Happy New Year to All!

Wow, 2020 was a challenging year for all. I would like to thank all the members for their patience and understanding this year.

I would also like to thank all of the volunteers that still found the time to help out with many different projects.

Thank you so very much! Hopefully, we will be able to get back to a more normal life this coming year.

There are a lot of new exciting things coming in 2021. A new website which will make it much easier for communications, the new addition on the restaurant to accommodate more patrons, a digital marketing to help drive business at the golf course and restaurant. And also a golf simulator to help drive golf memberships and sales.

Thank you again for your patience and understanding.

I would like to formally “Welcome” our new General Manager, David Harris. He has hit the ground running. He has been working closely with the restaurant staff and even making deliveries himself, implementing new policies and procedures, adding a new security system to our storage facility and chalet and making sure that the building projects have been completed.

Once again “Welcome David.”

SUGAR SPRINGS PROPERTY OWNERS ASSOCIATION

(SSPOA)

BOARD OF DIRECTORS MEETING

DECEMBER 12, 2020

The continuing Pandemic of Covid-19 restrictive measures have increased. This included allowing only a small number of attendees in the building. Members were requested to submit their comments and/or questions in writing prior to the meeting and those were incorporated into the discussions.

OFFICERS & DIRECTORS PRESENT: President, Tom Hug, Vice President, Craig Taunt; Directors: Catherine Bowman (via Proxy Votes by James Issitt), Dale Dunham, Laura Gentry, John Hawkins, James Issitt, Jeff Weeman; SSPOA GM David Harris, and SSPOA Treasurer, Matt Schindler.

OTHERS PRESENT: Nine (9) SSPOA Members and SSPOA Golf Pro, Mark Bayer.

At 10:00 a.m., the Sugar Springs Property Owners Association (SSPOA) December 12, 2020 meeting was called to order by President, Tom Hug.

President Hug reminded attendees of the SSPOA BOD *Resolution* regarding recording of meeting. No video recording taken.

Following the Pledge of Allegiance to the Flag, President Hug opened the meeting with the Regular Order of Business, pursuant to the published Agenda.

ADDITIONS/CHANGES TO THE AGENDA: Added Agenda Item XII-XI: 2021 BOD Meeting Dates And Agenda Item XII-XII: Update Bank Signators

FINANCIAL REPORT:

TREASURERS' REPORT:

Treasurer, Matt Schindler, submitted a financial report to the Board prior to this meeting. Report accepted as reported.

COMMUNICATIONS:

Several communications received prior to this meeting. They were in regard to proposed golf equipment and will be addressed during this meeting by Golf Pro, Mark Bayer.

GENERAL MANAGERS REPORT:

General Manager, David Harris, stated that we continue to work under the State of Michigans Pandemic Guidelines. We are limiting capacities in all areas. Pool is limited to ten people, Fitness Center to six. We must accept the rules. Until restrictions are lifted this will remain.

Construction update on facility addition: "I have been guaranteed that construction will be complete by December 18. The railing has been installed and it is beautiful. Regarding the Hearth...in October we were up from the prior year in sales \$ 8,000. That's with limited hours, we were able to open up into the new addition. November had a shutdown mandated on the 18th and we were down \$5,000 in sales. Again we would have exceeded last Novembers figures.

Sales are in the right direction and we are starting to hone in on costs. No two days are alike – yesterday was a phenomenal day at the Hearth. Today's storm brings a power outage so unfortunately it is closed. Deliveries will hopefully continue to be available.

The Lakes Committee held a work day during the week and volunteers did a cleanup of the Kings Way tributary. Massive amounts of debris was removed and logs were taken to the Chalet for use in the fireplace. The work was impressive.

New signs will be added to existing entry signs indicating that Sugar Springs is a Covenant Guided Community. This will ensure people coming into the community that Sugar Springs has ByLaws and Covenants that are followed.

We continue to explore communicating BOD Meetings electronically.

Docks will be inspected on a regular basis.”

OLD BUSINESS:

Security cameras and signs have been installed at Camper Storage and Chalet areas and are being monitored.

Motion made to Approve purchase of TrackMan Golf Simulator - \$53,000.00. \$35,000.00 already raised.

M/Hawkins,S/Dunham

Discussion: Mark Bayer, SSPOA Golf Pro spoke to the issue. This simulator tracks golf balls and analyzes swings among other things. This will be located in a portion of the Activity Center with a ten foot screen and about eight feet high. This item is being used in over 100,000 courses throughout the country. It has a multi-use function with a 4k projector that can be used with a variety of backdrops. With various fund raisers throughout the golf associations, Recreation Committee, Memorial Committee and individual donations, we have the majority of it paid for. Revenue from use is projected at \$20,000.00 plus per year. The probability of us having memberships to use is being explored. There is a gaming feature on it. On inclement days it may be used if course is closed. Clinics on use will be held. As a multi-use piece of equipment, movies can be shown, TV parties for extracurricular activities is an example. This will not interrupt other activities held in the area.

(Laura Gentry added that Mark provided them with a very thorough business plan at an earlier BOD work session to thoroughly acquaint Board with this product.)
