Daily Pike Possession Limit Regulations Have Changed on Lake Lancelot; in Effect Now.

In a 14 October 2021 News Release, the Michigan DNR announced that daily Pike possession limits would change effective 15 October 2021 on 21 bodies of water in Michigan. Lake Lancelot is one of the bodies of water. The daily possession says: *“Up to five northern pike of any size may be taken, with only one greater than 24 inches allowed.”* This change mirrors the daily Pike possession limit that has been in effect on Lake Lancer for years.

The Sugar Springs Lakes Committee encourages anglers on both Lake Lancer and Lake Lancelot to keep the Pike they catch within the new possession limit. Anglers who do not eat pike have an opportunity to donate their fish to the A.R.K. (Association to Rescue Kritters), a Wildlife Rehabilitation Center located at 3878 S. Maple Valley Road, Saint Helen, MI 48656, between Houghton Lake and St. Helen. The fish are used as food to help in the rehabilitation of sick, injured, and orphaned wildlife so that the animals can be returned to their natural habitats as soon as they are able to live independently. The A.R.K. phone number is 989-389-3305.

Welcome to 2022

Another year has come and gone and we continue to move forward. We continue to make improvements despite the challenging environment. While we continue to stay safe in our world, we have opened up activities and events during 2021. What a fun year it turned out to be. We ask if you or a family member do not feel well to stay home until any symptoms are gone. This is to keep everyone safe and healthy. Thanks to everyone for your understanding.

Prices remain high on just about everything in today's world. This will not keep us from completing projects and getting things done. Some fees went up slightly to help offset a small part of rising fuel and commodity prices. Strong sales at the Hearth have helped offset rising prices. I know we all feel it going to the grocery store, gas station or a hardware store! I remain committed to making sure we stay open, safe and fiscally responsible for all members.

2022 marks Sugar Springs' 50th Anniversary. A list of activities are included in the Scoop. Our 2nd annual Sugar Springs Picnic will focus around our anniversary and should be fun for all members and their family.

Stay safe and enjoy all Sugar Springs has to offer.

David Harris

SSPOA NEWS

From the Board of Director, President

Open letter to Sugar Springs Members. This communication is for Sugar Springs Property Owners Association members and cannot be reproduced/ pasted or shared to social media

Greetings to all members,

I hope you had a wonderful holiday season.

Happy New Year to each and everyone of you.

Have just a few things to update you all on. Restaurant had the best year ever as far as sales revenue. Thank you for supporting the amazing amenity. The new point of sale equipment is in place and our employees and customers love how it operates. To Tina and the staff, thank you for your hard work and fighting through the challenges we had the past year. It's great to see how all of you pulled together to make this happen.

We just have one more hurdle at the restaurant starting next week replacing all of the kitchen equipment. It was a necessity to upgrade the equipment as most of it is original to the building meaning fifty years old. The technology has increased so much since then.

Plus we could not get replacement parts.

Golf course had its highest revenue in 10 plus years, we added many new members to the mens and womens gold association. Mark and his team worked hard to provide many new golf outings. Trackman has started at a brisk pace. The winter league has started with many members playing. If you happen to come up for break and want to try it out please contact Mark and Dale at sugartrackman@gmail.com.

Thank you to the marketing and planning committee to get the ball rolling on the 50th Anniversary activities. We have an activity every month for the membership to enjoy. Please look over the flyer and mark your calendars, come enjoy the fellowship and make new friends. These items are all listed on our website, sugarsprings.net . If you have not been to our new website, I encourage you to check it out.

**SUGAR SPRINGS PROPERTY OWNERS ASSOCIATION
(SSPOA)
BOARD OF DIRECTORS MEETING
DECEMBER 11, 2021**

OFFICERS & DIRECTORS PRESENT: President, Tom Hug, Vice President, Craig Taunt, Corporate Secretary, Laura Gentry; Directors: Dale Dunham, John Hawkins, James Issitt, Jeff Weeman, Sherri Visnaw; SSPOA GM, David Harris, SSPOA Treasurer, Matt Schindler and Recording Secretary, Judith Sullivan.

OTHERS PRESENT: Eighteen (18) SSPOA members.

At 10:00 a.m., the December 11, 2021 Sugar Springs Property Owners Association (SSPOA) Board of Directors meeting was called to order by President Tom Hug at the SSPOA Activity Center. No one video recorded the meeting.

Following the Pledge of Allegiance to the Flag, President Hug opened the meeting with the Regular Order of Business pursuant to the Agenda.

ADDITIONS/CHANGES TO THE AGENDA: None

FINANCIALS:

TREASURER'S REPORT:

Matt Schindler, SSPOA Treasurer, reviewed the report. Revenues are in a favorable direction. Financial statement is available to members at the office. Report accepted as presented.

GENERAL MANAGERS REPORT:

David Harris recalled that the December 2020 BOD meeting was held during a loss of power and again today the meeting will be held without power. A Covid Pandemic update included the fact that the State of Michigan reports a high number of cases and Sugar Springs will continue honoring restrictions. This includes the pool usage to be limited to a 25 person capacity. Members are encouraged to stay at home if not feeling well and to seek medical advice.

2021 was a "battle" in many ways, The Hearth has dealt with obstacles such as labor shortages and commodity prices. In spite of problems, our revenue is up. Much needed (and long overdue) new kitchen equipment will be delivered in February. There is a possibility that the restaurant may be closed during installation days, but notifications to members will be made in advance. Currently the goal is to keep The Hearth open 7 days a week – lunch and dinner – depending on business. Reservations are appreciated in order to properly schedule staff.

The TrackMan has been a bonus for the Golf course and we are looking forward to having increased use. Leagues will be forming soon.

We have partnered with Consumers Energy to reduce energy usage and costs. We have the possibility of having 900 light bulbs on at any given time. Consumers has a program to absorb the cost of replacing those bulbs with LED lights leading to substantial savings in our monthly bill.

Lastly, 2022 is a big milestone in Sugar Springs. It is our 50th Anniversary with a lot of events being scheduled. A membership picnic is being planned to be held on June 25, a new Logo has been designed for 2022, and a calendar of events is being prepared to notify members so they can plan appropriately.

PRESIDENTS REPORT:

Tom Hug announced that the Dredging Unit has been put in place for cleaning silt traps and will deal with other areas that require the equipment.

Sugar Springs

Artists

The Sugar Springs Artists are introducing a new monthly activity called “DISCOVER AND SHARE”

Starting with WATERCOLORS to be held on the first Tuesday of each month. It will begin on Tuesday, August 4th starting at 9:00 am for the beginner (and whenever the SSA member wants to join us anytime between 8:30 am to 10:00am. This activity may continue to other Tuesdays, if there is an interest in our community. This informal get together (without and instructor) is for all levels of artists as well as people who would like to try watercolors to see if they would like to learn more. Bring whatever watercolor supplies you have and if you don't have any supplies we encourage you not to buy them before joining us on a few Tuesdays of the month as the artists can share what supplies they would recommend a beginner to purchase. The Sugar Springs artists have all the watercolor supplies you will need to start on your journey into watercolors. We will watch beginner watercolor DVD's, we will learn basic water supplies and will start with simplified classical painting techniques (e.g., brush strokes, washes, etc..) and will practice what we learn on practice paper so that even the most cautious beginner can experience success in the learning process. We may start painting on a small 4" x 6" project in the near future. We will not watercolor a painting until we feel comfortable with some of the different techniques. The intermediate and experienced artists will be painting on each of their own projects (PAINTING ON YOUR OWN) so the beginners will have an opportunity to watch them paint and ask questions. We all love to share what we have learned and it will refresh us as well. Some of us may be painting along with the beginners. Beginners will be able to practice on any Tuesday of the month and are welcome to ask questions as well.

We are asking the beginners to let me know if you plan to attend next Tuesday so we can prepare the supplies for your use.

You may come to this first Tuesday without becoming a member. Sugar Springs Artists membership fee for Sugar Springs Property Owners is \$10 annually. If you do not own property in Sugar Springs you may become a Social Member for an annual fee of \$50, which allows you to join many of the social activities in this community.

If you have any questions regarding the start of “DISCOVER AND SHARE”, please either email me at caronkre@gmail.com or call me at 989/426.0414
