Sponsored by the  
Sugar Springs Lakes Committee

# General Managers Report

Summer has arrived.....officially or unofficially it is here!!! Welcome back all to Sugar Springs for our 50<sup>th</sup> Anniversary. We continue to move forward as a team to accomplish our goals. As we open up our campers and homes it is important to respect our neighbors and follow the covenants and bylaws and our rules and regulations. They are available on our website along with other important information.

The golf course started off slow with the wet start we experienced but turned it on the second half of May. Remember tee times can be made 7 days in advance for your convenience. The pro shop has all kinds of great merchandise for on and off the course. It is also not too late to get a golf membership. See Mark and his team for details. Many fun and competitive events are scheduled for all skill levels and everyone is welcome!

Our next big event is our Second Annual Member Appreciation Picnic! This is for all members and your families. Please bring your membership card. This will be held on Saturday, June 25 from 2pm – 5pm on the POA lawn across the street from the Hearth. Games for all ages. Food and drinks. Live Band. Carnival Games. Sack Races. Egg Race. Cornhole. Water balloon toss. Bring your blanket and chairs! Meet new people. Listen to good music. Have fun!

The Hearth Restaurant will extend their hours next week for the summer. Mon – Thurs 11am – 9pm. Fri-Sat 11am – 10pm. Sun 12 pm – 8pm. We still need full and part time help in all positions. We are still in a staffing crisis like most small businesses. Please be patient. We have an incredible team that is dedicated to serving all. We just need more of them. Thank You in advance for your understanding.

Finally I would like to thank Connie Sullivan and the entire Garden Club for getting our grounds in great shape. They spent MANY Hours to make this happen. More perennials were planted this year that will be enjoyed for years to come.

We continue to move forward and I am looking to a memorable 2022. Happy 50<sup>th</sup> Sugar Springs!

David Harris

**NOW HIRING!**

# SSPOA NEWS

## From the Board of Director, President

*Open letter to Sugar Springs Members. This communication is for Sugar Springs Property Owners Association members and cannot be reproduced/ pasted or shared to social media*

Dear New Sugar Springs Member,

On behalf of the Sugar Springs Property Owners Association Board of Directors and the other members of Sugar Springs, we welcome you to our community. Over the coming months we look forward to meeting you, whether it will be walking down the streets, at the pool, or at one of our many community activities.

The operation of your property owners association is governed by a board of volunteer directors. The eight Board members are elected on a staggered basis by the community. Elections are held prior to the annual property owners meeting in June, where they are announced. The Board is responsible for overseeing the daily functions and financial responsibilities of the Association, and for maintaining members' compliance with the established rules and guidelines. Please take the time to read through the Covenants and Bylaws you received during your property purchase process. Copies are available online or in the POA office. There is a quarterly Board meeting, held on the third Saturday of March, June, September, and December at the Activity Center. All members are invited.

As a new POA member, you may already have some ideas on how you would like to improve your property. Please keep in mind, the Association has an Architectural and Environmental Control Committee to help maintain the quality of our neighborhood. Its function is to evaluate the plans for all exterior landscaping, repairs and remodeling (such as painting, decks, fences, trees and bushes, replacement roofs, etc....) in order to ensure compliance with all covenants, restrictions and guidelines. The purpose of this review is to protect our scenic environment and maintain the value of our homes. Modifications to the exterior of your home and property must be submitted to the Architectural and Environmental Control Committee for approval before any work begins. If work is started without prior approval, the homeowner may be required to alter or remove the changes.

Continued...

## **From the Board of Director, President continued...**

Our community website, [www.sugarsprings.net](http://www.sugarsprings.net), is a repository of information regarding Sugar Springs and the surrounding area. Upcoming activities and events, announcements, a community calendar, Declarations and Bylaws, architectural review forms, and volunteer committee information can all be found there. Please take a few minutes to visit and familiarize yourself with this resource and to get to know your community. The website provides ready answers to most of the questions members may have.

**Again, welcome to the Sugar Springs community!**

**We know you will find that this neighborhood is a great place to live, and we encourage your participation in our activities and functions.**

Sincerely,

Tom Hug

President, Board of Directors

Sugar Springs Property Owners Association

The following pages contain the biographies as submitted by the three members running for the two open Board of Directors seats in 2022

## Board of Directors Candidate 2022

### John Hawkins

#### **Resume of Candidate:**

Education: Bachelor of Music, Alma College 1978; Master of Music - Central Michigan University 1983.

Professional Experience: 1979 - 2011 Director of Bands, West Branch - Rose City Schools, 1992 - 2006 Health Club Owner; Owner of Powerhouse Gym of West Branch, Powerhouse Gym of Bay City, and Arena Fitness - Gladwin Community Arena, 2020 to present Green-Craft, LLC - Senior Advisor to the President, Human Resources Director Team Leader.

Boards of Directors: Sugar Springs POA, Powerhouse Gym of Bay City, Michigan School Band and Orchestra Association District 9, East Shore Wind Symphony, West Branch - Rose City Boosters, Gateway Community Band.

Eagle Scout, 1973, Kalamazoo, MI.

**Reason for wanting to serve as a Director on the S.S.P.O.A Board:** To continue to work for the benefit of our wonderful community, to stand as an advocate for the membership and residents of Sugar Springs, to ensure full transparency of the Board of Directors and provide a conduit between members and the board, to promote fiscal responsibility through proper due diligence and thorough examination of expenditures, to ensure the assets of Sugar Springs are protected through proper and measured adherence to our covenants, to work diligently to develop an approach to our association that promotes our POA as a reason come and STAY here, rather than the residents leave.

**Recreational interest include:** Playing music - trumpet guitar, piano, German Band, East Shore Symphony, All things outdoors, especially fishing, the beach, camping, boating. I enjoy all sports; formerly H.S. quarterback, basketball player, golf, fitness training, martial arts. Cooking, and study of craft cocktails!

**Board of Directors Candidate**  
**2022**  
**Craig Taunt**

**Resume of Candidate:**

Retired electrical contractor. Graduate of Gladwin High School. We attend First United Methodist Church, I am a trustee there. Hospice Volunteer.

**Reason for wanting to serve as a Director on the S.S.P.O.A Board:**

To continue serving on the Board, continue working with property owners and to help work out problems if some arise.

**Recreational interest include:**

Golf, boating and camping

## Board of Directors Candidate

2022

Eve Kaltz

### **Resume of Candidate:**

Married, four married children and seven grandchildren. Retired from Center Line Public Schools where I served as a teacher, principal, curriculum Director and the last 13 of my 32 years I served as the Superintendent. I have loved visiting Sugar Springs part time from 2010 – 2020 when we moved up full time.

### **Reason for wanting to serve as a Director on the S.S.P.O.A Board:**

As a leader in a school system with very diverse needs, interests, and expectations, I learned to listen, process all opinions and research options so that points of discussion and final recommendations are well thought out and explored. I would apply these same practices to the work with the board in Sugar Springs with the hope of promoting unity.

### **Recreational interest include:**

Boating, swimming, sugarsize, golf, pickleball

**SUGAR SPRINGS PROPERTY OWNERS ASSOCIATION**

**(SSPOA)**

**MEET THE CANDIDATES FOR BOARD OF DIRECTORS  
ELECTION**

**MAY 14, 2022**

**ELECTION WILL BE HELD ON JUNE 18, 2022**

The following was recorded on the above date (May 14, 2022) at a Meet the Candidates meeting sponsored by the SSPOA Board of Directors. Candidates are running for Board positions. There are two positions open with three candidates running. Election Ballots will be mailed (using USPS) to members during the last week of May. Ballots are to be returned no later than Friday, June 17 at 4:00 p.m. This can be done by returning by USPS mail, in person, or dropped into the Drop Box adjacent to the steps leading into the office. Election results will be announced at the SSPOA Annual Meeting on June 18, 2022 at 1:00 p.m. at the Activity Center.

**Transcribers note: In several instances, audience sounds prevented audio recorder from picking up verbiage. Those moments are indicated as such: (\*\*\*)sound interference).**

Meeting began at 11:00 a.m. with SSPOA General Manager, David Harris, giving directions to attendees asking those with questions to write them down on paper provided and include the name of candidate that question is directed to. He introduced the three candidates: John Hawkins, Craig Taunt and Eve Kaltz. He introduced Liz Sullivan as the SSPOA Webmaster and suggested members use the site – [www.sugarsprings.net](http://www.sugarsprings.net) – for information, questions, forms, information and interaction. Members may use that Website or call the office with questions they may have.

President, Tom Hug, began with the question regarding videotaping of the meeting. No one responded. The Pledge of Allegiance to the Flag was recited by all. Candidates were asked to give a brief (3 minutes) overview of why they were running for BOD positions. Appearing on the ballot as approved by the Sugar Springs Nominating Committee and SSPOA BOD are John Hawkins, Craig Taunt and Eve Kaltz. The first person to speak is:

1

**John Hawkins (Incumbent):** I'm glad to be here today. I just completed my first term on the Board of Directors and to say the least, I got an education. I'm happy to report that I sincerely believe that the people who are on the Board right now have nothing but good intentions and are very sincere about their best wishes for the organization of our POA and for the good of our community. So it's been a pleasure working with them. For those of you who don't know me I spent a career as a public school band director, I have a degree from Alma College, a Masters Degree from CMU in music and after that had a small chain of health clubs. These were in West Branch and Bay City and I was the founder of a health club in the Gladwin Community Arena and currently I am the Vice President of the Green Craft Cannibus Company which my son-in-law started in Muskegon. I have quite a wide range of experience with an eclectic perspective. That actually has helped me quite a bit and having said that, my focus just really hasn't changed from when I started. I have a card that I keep with me that reminds me of why I am here. The headline on my card says "Advocate for the Membership". I wanted to be someone who you could talk to without fear of reprisal of getting pushed aside. I just wanted to be that conduit for the Board where you could have a comment and get an answer and making sure that those comments would be heard by the Board. By the way ... they are. Mr. Harris is very good at Work Sessions – we talk about comments and questions that were given to us and those concerns are talked about. I feel good about that and I didn't used to feel that way ten or fifteen years ago. I want to champion transparency and I want a place where people want to be here and not a place that people want to run away from. I want to advocate for you and I want to make sure that monies we spent has had proper due diligence and that decisions are made based on the value and interest of the entire membership. My feelings about why I am doing this haven't changed. I feel the same as I did before and I don't see ever changing. I don't have a chip or grudge on my shoulder. I just want this POA to be as well managed as it can be and that the membership is treated as fairly as they can be. We have Covenants and Bylaws. We need to follow them. There's protection for the POA and also protections for you and I don't think we should extemporize on those and I don't think we should improvise or add to them that might at some time be detrimental to your property rights.

**Eve Kaltz:** My inspiration in my life is my husband of 41 years, Marty, our four kids, their spouses and seven grandchildren with another on the way. Our blessings rain down constantly. We purchased a home in Sugar Springs in 2010 and loved it even when our neighbors called us "trunk slammers". We'd rush up in traffic on Fridays and again on Sundays. When I neared retirement my husband said I'd really like to get away from the hustle and bustle of downstate and I'd really love to live up here. I thought " We lived at 19 and Schoenherr where I could walk to stores and restaurants and I worked 12 to 14 hours a day as a Superintendent of school system. How am I going to acclimate to that kind of life? But just the time we spent when we visited on weekends and the people we got to know, I knew it would be okay and I know that it has far surpassed anything that I expected. The people we have met, just the serene community

that we live in ... we sit out on our deck and it's almost unreal and I tell Marty I can hear the grass grow. It's just so different than what we have experienced in our whole life as we raised our kids. I spent 32 years in Centerline Public Schools and I graduated from there. I knew I wanted to go back and serve that community because I think that civic responsibility as they look for our responsibility and our strengths and utilize those in a way that we can continue to work with people to make it better. In that district I loved the kids and I wanted to continue to provide opportunities for them that could enrich their lives. We were able to do some wonderful things – one of the greatest things I learned from working in Centerline was the privilege of working with seven elected members of the community and how we came together with a single focus and that was to keep moving Centerline forward. We needed to take up every hurdle and obstacle that we encountered from our district whether it was from our children, our parents or our community at large. We tried to figure out collectively how to rectify with input from that community and how to best solve that in the right direction. I think that transparency through conversation and soliciting information from lots of stakeholders and making decisions that align with Covenants and Bylaws in making that decision is ultimately made. In that respective, I'd love to serve .

**Craig Taunt (Incumbent):** Thank you. Well, I've got to say I've finished out my first term. I've enjoyed it. I was forced to move to Gladwin back in 1967 after the riots in Detroit. I was a "greaser", I had the boots and black pants and the rolled up t-shirt and the first day in school in Gladwin was a nightmare. I looked around and here are all these farm boys in crusty boots and farm refuse all over their pants but quickly learned that they were hard working fellows. As I got to know these guys I learned that their hearts were in their farms and decided that this was "very cool". Back in 1972 my Dad and I started setting pedestals in Sugar Springs for builders and RVs so I have been involved in Sugar Springs so my heart is here. My Dad and I saw tremendous changes here because we love our people here. My goal is to continue on with what I'm doing – one of the things I look out for is our maintenance people; I make inspections on buildings. They might get a little aggravated with me on some issues – like safety issues. The employees we have are phenomenal workers and my goal is to help them out along with the campers and the people who have moved into Sugar Springs. This is what I want to do. Thank you.

**QUESTIONS AND ANSWERS:** Persons asking questions are not identified in this transcript. If the question was directed at a specific candidate, that name is posted. If it was directed at all three, that is indicated.

**Q. Directed to Eve Kaltz:** There is a school named after you. Can you tell me a little about that please?

**A.** That is true. When our Board of Education called me after my retirement, I was called and asked to come to another Board meeting. It was great fun, photos were taken with people I had worked with. That was the result of my working with the Board of Education and having a heart for those I served and serving in a collective way. Wanting to work hard with the Board of Education, with the community, with the kids and parents so it was really inclusive. We also transformed our high school with the Internet - our median household income was about \$33,000, so our kids had a lot of hurdles – and we created an environment so that it was a school that had a career pipeline. It continues to delight me when I see what is going on with the students from Centerline .

**Q. Directed to all three candidates: What three qualities would you bring to the table as a Board member and what three things could you work on?**

**A. John Hawkins:** First of all I must speak to why I am doing this. It's because I am motivated. I truly enjoy doing this. I do this without any regard for personal gain. I just like to help out and as I mentioned, I have had a lot of experiences in my life that give me perspectives that not everybody has, but more than that, you can probably see that if you have a certain part of your personality that is giving, and you can't go through a career of teaching without that. I think that is the main thing I would say. My overall desire to help people, extensive experiences in many areas and I have had many conversations with David Harris involving the restaurant and the many things we do. I might add that I brought a little music to the place. You may have seen me in Lederhosen playing with a German band, you may have seen me at the Winterfest with a guitar in my hands playing a little music for those people, you may have seen me at the flagpole when we dedicated that area as I played the Star Spangled Banner and America the Beautiful. That gives me a little bit of a unique quality. Those three things ... just to reiterate my passion for the place, my experience across many different areas and the fact that I have some unique qualities that kind of added to the place that wasn't necessarily here before. I also want to say that the three things we want to change are the restaurant which I have always been kind of interested in and I appreciated Dave's willingness and the time that he kindly spent with me as I was able to bring comments from people and from experiences I have had at the restaurant. Some good, some not. We were able to discuss those; Dave is not threatened by that. I feel

That we have made some progress in that situation. I did take some time last summer when we were struggling to get employees. I paid for employment services for candidates to try to employ some people. Every day I'd send them off to David and we really had a hard time getting people to apply for the jobs. I tried doing that. Another thing that I alluded to in my first speech was that I didn't feel that peoples concerns were getting our support. I believe that everyone who messages or calls me will either be referred to David or I try to find out the answer. Never turn anyone away – that's an important part because if we don't have that communication I don't see how you can have the trust. The same thing with transparency. If we are not transparent with what we do, I don't see how we can have the trust with those we serve. Those are my points of emphasis. Thank you.

**A. Craig Taunt:** I have given thoughts on things we could work on. I have given many points on which to work on and have enjoyed that. I get many phone calls on 'what can we do' and 'how can we handle that?' which have been brought to the Board. My goal is to be friends and make this a place a happy place where people want to be and not be upset and feel that they can't handle this and want to be elsewhere. All I know is that I have a passion for Sugar Springs and it is my goal to make sure that Sugar Springs is maintained and improved to the best of my ability.

**A.Eve Kaltz:** I am a people person and work to solve problems and I like to work collectively. I think the power of a Board with a General Manager or a Superintendent has so much power to work collectively to solve issues. I am also a good listener which is and has been a big part of my life and I also think I am compassionate. (\*\*\*)**sound interference**) There are people with concerns and I think we must work with people who are disrespectful and work proactively to remedy that. As a Superintendent I had a 33 million dollar budget so I am aware of financial statements and am always working on those. I am working on being more patient with people who get up at Board meetings and scream about issues. It's very difficult to hear when that happens, so I would always encourage them to meet with me in a different setting and work through things to make sure there was a resolution

**Q. Directed at all three candidates. What has been your involvement in committees or events in Sugar Springs thus far?**

**A. John Hawkins:** That has actually been something that has been good for me. I was not involved in committees before I got on the Board. I was one of the residents here – I have been here since 1997 and I was working – as a band director I'd work, come home, go to bed and do

it all over again the next day. I didn't have time for any of that, so my days were filled. Then I retired in 2009 and had more discretionary time. Having started on the Recreation Committee as a Board Representative, I found that Mrs. Issitt is an unbelievably good facilitator on that committee and they do a gazillion things that I had no idea of. I spent a year with them and I participated in various activities that they did and then was assigned the Golf Committee. The first year with that committee was during Covid which was pretty bad and we never met. What I did do with that I took the opportunity to learn more about the golf program and learned about our Golf Pro, Mark, and about the great things he does. When we researched and started our TrackMan I was so impressed with things he did there because it added something new but also added interest to our golf course and made some money. Not only that, but he was doing clinics for the ladies in the afternoons to get them to feel more comfortable with the hopes that they could become members. It was good ... I watched them. I've been on board with the Winterfest a couple of times with my guitar and I've played a little Neal Diamond and as I mentioned earlier, I participated with the dedication of our flag area that was just a beautiful ceremony. I believe Mr. Visnaw had a lot to do with putting that together.

**A.Craig Taunt:** As a Board Representative, I was placed with the Airpark and Camping Committees. What a rewarding experience it has been. I have gotten to know and work with campers. Sometimes they come up with no knowledge of what has happened here and have questions. Talking with them and helping with their education of Sugar Springs and have always assisted with their problems. I am assisting A&E with driving around Sugar Springs and identifying road signs which are unreadable and am working with Butman Township to rectify that. I have talked to the Fire Chief and will get a CPR class going. I am kind of a "safety guy" and concentrate on that. I enjoy it.

**A.Eve Kaltz:** I have not served on any committees, but selfishly have participated in a lot of the activities with grandchildren. We have loved them and appreciate them and am in awe of the volunteers we have in Sugar Springs. There is so much to do here it's incredible. I know how important volunteerism is and the importance of stepping up. I look forward to getting more involved and look forward to making that happen.

**Q. Directed to John Hawkins: When you ran three years ago, one of your mantras was "no incumbent should EVER be re-elected." What has changed?**

**A. John Hawkins:** It wasn't my mantra. My feeling is we should have term limits on the Board of Directors. The reason for that is that there are lots of people who should have the opportunity

to serve if they are elected. Our Board of Directors if they are on the Board for ten, twelve or fifteen years takes that spot for a long time. I feel that if we do have a Board member who is on that Board for an extended time, I feel that they get to a point where they have too much influence on what's going on and I think that we should let those people take a break for a while and come back later. Those are my fears for not having term limits. I don't think that you should never be on the Board again, I think you should just take a break for a term. Let somebody else do it and if you want to come back later, then get elected and come back. I just think we should let other people have a chance. Let them give us their knowledge. We will flourish with the ideas of many rather than the ideas of a few. Thank you.

**Q. Directed to all three Candidates: Where do you stand on the issue of Short Term Rentals? Would you entertain a ByLaw amendment vote to eliminate Short Term Rentals?**

**A. John Hawkins:** Probably a lot of people know how I stand on that. I am not in favor of an amendment to community documents to eliminate Short Term Rentals. I think it comes out of this reasoning: we have protections in our Covenants and we have protections in our POA members and I think sacred are the property rights we have as homeowners. Anytime we start going out beyond what was intended originally here to try to usurp those property rights I think we are on the wrong side. I don't believe that we as a POA should be taking property rights away from our homeowners. By the way, before I go into that, I have been here since 1997. This issue was never brought to my attention until there was a small group of homeowners that created a committee and brought it to our attention before we took action on it. For me at the time I was a little surprised that there were two sides in this community and I had lots of friends who had never heard of the term Short Term Rentals was such a huge issue here and all of a sudden here it is. I felt at the time and I still feel the same - we are trying to get a solution to something we don't have a problem with. Yes, a certain person may have had an issue with Short Term Rentals that may have gone awry but I have to say that isn't the standard. Because of the way we use this community ... a lot of these homes are vacation homes. I have homes on either side of me that are not just used by the owners but by their relatives and friends. They are not renting the house, it's just the way they use it. And because they use it that way, it doesn't have to be known as a rental house. I think that happens all over Sugar Springs. I don't think you change that situation by eliminating Short Term Rentals. The other thing I want to get into is that if you have someone breaking the law and they are damaging property we have agencies for that. We have a police department for that, we have a sheriff's department for that. I know what the other side says about that..."If I call them, they don't come or if I call them, they don't do anything." Now I have called them and they came and I have had three issues addressed to me. Aside from that I would

say to you that if your law enforcement agency does not serve you well, your argument is with them. It isn't with the property owners here, the property owners who are not represented here today. They don't come to these meetings. We don't know what the community actually thinks. But the point is, we have been granted these property rights by the State of Michigan and it's something that can't be so easily taken away from you by a group of eight people here in a closed meeting where no information was allowed inside that meeting. There are people who wanted to express their opinions for or against that issue who were not allowed in that meeting although we had the floor and the presentation given to us by our A&E Committee. When I stood at that door with a stack of probably 50 petitions who didn't want this to happen, the President would not let me in the door. He locked the door and when I knocked on the door he said, "You are part of them." Part of what? These people want to have their opinions heard. We broke our own Covenants that say that before discussion, people can have their opinions heard. We didn't allow that. There is so much wrong with this. Property rights, improper actions by the Board, the rights of the people here...that's why I feel the way I do.

**A.Craig Taunt:** Not too much legally we can talk about Short Term Rentals. I can say that I am not in favor at all of Short Term Rentals. The amount of phone calls that I have had from people who have experienced rental properties close to them reported having 30 tenants at a time in them and it has happened a lot. There has been wild drinking situations going on and grandchildren have been fearful. I have no problem with long term rentals (6 months or more).

**A.Eve Kaltz:** I've been doing some research on what's been going on and it occurred to me that I'd be interested in knowing what precipitated what went on that people came forward to try to eliminate Short Term Rentals. Why did that happen and what's been happening. We have a Short Term Rental next door to us and having not experienced some things I never knew the people there were renters but we had a few things happen and we spoke to the homeowners directly and requested that he be respectful of our property. It didn't matter whether it was he or other members of his family or renters, we said it was really important to be respectful of our property. Another neighbor had an outdoor camera and he called us to report that people were fishing off of our dock and on our property using our sandbox. As far as agreeing to something like that, I can honestly say I would spend a lot of time understanding where this community is and I know that it's out of our hands and in the hands of the court. I personally never experienced it in the city and quite frankly, was surprised that we had the situation here. I would have to gather more information on and look into deeply.

**Q. Directed to John Hawkins: What are your duties at Green Craft LLC and what do they do?**

**A. John Hawkins:** Green Craft LLC is a commercial Cannabis farm that my daughter and son-in-law started. I had no knowledge of Cannabis whatsoever. When I was a young guy I just didn't do it ... I didn't want to be part of that culture. Didn't want to break the law – I just didn't. The State outlook on that is totally different now. So when my son-in-law decided to do this, I said "I will help you" and as I have hired and fired, I have done HR work. I have tried to learn and train myself in all areas of growing Cannabis – how to start it, how to grow it – how to mix it and mix it and right now I am training in a lab to learn how to protect it against any virus. We have a PHD, Director of Cultivation who is from the University of Massachusetts who has worked for 25 years and has five years of commercial directorship in California. We pay him \$200,000 a year to teach us how to do it. I'm really involved in every facet of the business and I hope that I can help my daughter and son-in-law be successful.

**Q. Directed to John Hawkins: In regard to the Machiniak and Aldrich Lawsuit against the SSPOA, have you contributed money to their lawsuit, met with their lawyers or shared BOD information with them?**

**A. John Hawkins:** I haven't done any of that. They are all on their own. The answer is No.

**Q. Directed to all three Candidates : What are your plans/thoughts on building our infrastructure – adding docks, advanced technology, cleaning of commons areas?**

**A. John Hawkins:** One of my favorite things that's happened in the last couple of years is the new Website and if you could take it a notch further and purchase our memberships on line or maybe we could have Sugar Springs Garden that we could buy on line; maybe play computer games through the Website on line. That would be one of my prime goals to really maximize the potential of the new Website. I know that one of our issues here for a long time is not enough docks. I wish there was something we could do about that and I'm still not convinced there isn't. I'll be looking at some areas and thinking that we could put some docks in there. It's just a matter of us collaborating and I think I would like to see if there is any possibility for those. Other than that, as far as infrastructure, I would like to keep everything going. We've talked about a lot of things and keeping things repaired .

**A.Craig Taunt:** Cleaning Commons areas: Last year we had a plan to have members volunteer to clean out the ditches and commons areas – some areas had lots of trash, some places had very little. I would like to see it again this year. As far as the docks go, the way I understand it I could be wrong – but I don't think so – that we can't add more docks because this would consider Sugar Springs a marina. This was mentioned by an employee of the State of Michigan. That's what I have been told. I am happy with the Website – it is good. Be careful what you read on Social Media, please. The Constant Contact is good. If you are not on Constant Contact, please call the POA and have them include your email address. It is a worthwhile site.

***Members please note: You may also sign up for Constant Contact through the Website. Under the Membership Tab there is a place to sign up and there is also a ton of information!***

**A.Eve Kaltz:** I think that if we have short term plans based on needs assessment from the community as well as long term plans it is imperative that you designate funds through capital funds and look to the future because you always have to be understanding of the potentials so that you can build your budget over a period of years to address those needs. When I started as Superintendent, the entire bus system had to be overhauled. As far as infrastructure goes and designating funds, that has to be a very strategic plan based on people who love the golf course, there are people who love the campgrounds, there are people who love the beaches ... all of those people have to be taken into consideration. If this community wants to see advancement or enhancement to technology infrastructure or whatever, that can be achieved as long as everyone understands that those things can be put into short and long term programs. As far as the Commons Areas go, this place is maintained beautifully. I saw a woman yesterday in a golf skirt along the side of the road picking up trash. This is a community of people who love it here and want to maintain it. There's always folks who have passions about certain things and that all has to be considered in the big picture – the budget always needs understanding – what's needed now and what needs to be done in the future.

***Tom Hug, President of the SSPOA spoke: What we've done as far as infrastructure goes, obviously it's the new Website. How we handle Capital Expenditures – we "sprinkle it around" – some to the Golf Course, some to the Storage Area for security ( we have one more phase of that project). As far as buildings go, we replaced all lights with LED lighting. The B&G Committee went to every building to examine compliance issues, aesthetic issues, safety issues, etc. Those issues were addressed by our maintenance staff and they will continue working on those as time allows. Members who are not here full time are requested to block off cubby holes in mail receptacles where flyers and newspapers are delivered to prevent papers from being scattered.***

10

**Q. Directed to all three Candidates: What is your position on allowing campers to stay all year?**

**A. John Hawkins:** To me that's kind of a tough issue. We have homeowners who spend hundreds of thousands of dollars on their house and they don't want to have that being a campground. The other side of it is (this is rather a cursory issue from what I hear) is that "why do I have to pay full assessment when I can only be there one half of a year? Why can't I leave my camper on my lot and why can't I have a storage shed?" I guess that particular thing is in the Covenants that you can't have a storage shed. I had a talk with a serious camper and asked her what she thought. "Is it fair that campers cannot use their camper here all winter?" I asked. She said, "They don't want to use their lot, they just want to store their camper on it." She maintained that it was in the Covenants that they could leave their camper on the lot during the Wintertime. It does say that in special circumstances you may store your camper on your lot in the Wintertime with the POA's permission. I think we could maybe be a little more flexible as far as dates and allowing campers to come back a bit earlier and leave a bit later – depending on frost situations. I don't know if that could be looked at and maybe adjusted if that philosophy makes sense. It behooves us to listen to the campers and listen to the homeowners and really survey the different concerns that they have. I don't want it to turn in to a 'us against them' and it has turned into that somewhat. I have seen some aggressive comments on social media about campers and vice versa I've seen pictures of peoples property on social media to shame them. It's a complicated issue.

**A. Craig Taunt:** I don't recall any of that or having read any of that. Over the years that I've been in Sugar Springs the rule was that you could leave your camper on for an additional two weeks, but then it must be removed. I will have to do additional research. There have been some modifications in the last few years.

**A. Eve Kaltz:** We have campers two lots from us who now have two campers on the lot. They are extremely cognizant of their grounds and ours and I think it comes down to respect of personal property and the property of those around you. I was impressed with the changes in the dates allowed for campers and the flexibility given to them. I think most importantly is that if there are rules in the ByLaws and Covenants that affect people, we must share those with people. I can assure you that rules that guide really work. A friend of ours at Pratt Lake has said multiple times that she wishes whomever is working Sugar Springs infrastructure would come to Pratt – there are many unsightly areas that need guidance. We built a home here and went to the A&E with ideas. Some were not approved and that was okay as we wanted to live in a community

where the expectations were fine. But they have to be shared and we have to make sure everybody buying a lot knows that the expectations are according to our Covenants and ByLaws. If the people who are buying into the community know what the expectations are and agree to them.

*Scott Jones, Chairman of the A&E Committee stated that there is the Gladwin County Ordinance that states that campers may only be permitted for six months with Sugar Springs getting special dispensation for extending our limit for a short time.*

**Q. Directed to all three Candidates: Where do you stand with requiring campers to use sanitary sewers?**

**Please note:**

*Prior to candidates responding, GM David Harris announced that this was a Butman Township issue.*

**A. John Hawkins:** I didn't like the way this was imposed upon our campers. The thing that struck me was that we have this township ordinance that says you have to have a sewer if you are a camper but nowhere else except Sugar Springs was this said. The ordinance read: Sugar Springs. It didn't say that in Butman Township if you have a camper on your lot you must be hooked up to the sewer.

*(It was then pointed out that the rest of Butman Township does not have a sewer system – Sugar Springs is the only area in the township that has the system.)*

Instead of saying "sewer", it should say "septic system". If it said septic system, it could remain self-contained. It could have said that. They singled us out here. Do I think it's a good idea for everyone to have sewers? Absolutely. It would have been more fair if you had a longer time line so that people could afford it, I think so. It's not that I am against sewers, I am against unequal treatment and I am thinking that it could have been done better.

**A. Craig Taunt:** I am 100% for sewers. Butman Township did go through several years where they did not enforce it. What really brought it up were that several campers were actually caught dumping sewage in the ditch or into a commons area. I was also told by a DNR representative that waste was dumped from a pontoon into the lake. I was also told that the culprits got in

serious trouble for doing so. The sewers were installed for campers and homes and all should be connected to them.

**A.Eve Kaltz:** The first thing that occurred to me was what happened to make Butman Township to have that enforcement required? (\*\*\*)**audience interference**) If anybody dumps that waste into a commons area it would make people feel that something should be done. I don't know a ton about it, but I guess I would be in favor – it protects even campers and can affect everyones ground. That ensures that whatever happened to cause people to go to Butman was important.

**Craig Taunt reentered the conversation with** Cindy and I are campers and have been to parks where they don't have sewers and we have stayed anywhere from two days to weeks. I have never run into a camper yet that would ever dump their sewage just anywhere because campers care. A few people here who have done that ... spoiled it for everyone.

**Q. Directed to John Hawkins: You say you support the restaurant but as someone who practically lives there, why do you not support this amenity? I have never seen you there.**

**A.John Hawkins:** Is that saying I don't go to the restaurant? I do go to the restaurant and I don't see you there either. I don't go a lot as I am on Social Security. I can't go every day. When my wife and I do go we enjoy the meals.

**Q. Directed to all three Candidates: What would you do to help protect our lakes? Everything that gets dumped on the ground goes into our lakes. The rivers feed into our lakes.**

**A.John Hawkins:** We have a very active Lakes Committee. They do incredible work and are dedicated people who are constantly monitoring the waters. Obviously I can't imagine any Board member who would condone anyone dumping terrible things into our lakes.

**A.Craig Taunt:** Along with our Lakes Committee, there are several other committees and volunteers who have constantly cleaned up areas to prevent debris from going into our lakes. We have a Bubblers Project to help clean up the muck. Volunteers have been diligent about seeing to it that our lakes are clean. Boat washing when launching is critical and people are being educated in that aspect – watch for Constant Contact on our educational days for learning how.

**A.Eve Kaltz:** It seems to me that there is a company that is monitoring all the lakes to determine what kind of products to put into the lakes. My brother is a senior scientist and he holds lakefront in Indiana. They can pick up on high levels of Ecoli. Anyone who owns property here I would say is probably concerned with maintaining the lakes. Some years you see more weeds. I think if you have a really reputable company to give that scientific report on what they think is a problem then that must be addressed. I think it's imperative that we maintain the integrity of the two lakes.

**Final statement by David Harris:** We test the water a week before every holiday. Our levels are so incredibly good and it's something we have to keep up. We test for everything from Ecoli to phosphorous to oxygen. Everything. Along with our PLM which is our weed control company, we spend over \$250,000 a year in maintaining the lakes. They are our biggest amenity and we must take care of them. We use the experts and bring all reports to the Board for approval.

Candidates were thanked for their participation.

#### **SSPOA BOARD OF DIRECTORS ELECTION**

Ballots will be mailed to members the last week in May and are to be returned to the POA office no later than Friday, June 17, 2022 by 4:00 p.m. They may be returned by mail allowing ample time for office to receive them or dropped off at office or dropped in the mail drop adjacent to the POA Office entry door.

There are two positions open with three candidates running. Candidates are:

**John Hawkins, Incumbent**

**Eve Kaltz**

**Craig Taunt, Incumbent**

Meeting recorded and transcribed by Judith Sullivan, SSPOA Recording Secretary, May 14, 2022

Dear Member's/Property Owners,

Golf Season is in full swing with a lot of activities weekly. Stay posted for upcoming events and tournaments. The holidays are also additionally heavy in traffic for the facility. Tee times can be made 7 days in advance throughout the season. Pro Shop Number is 989.426.1162.

Junior Camp for June still has openings and availability. See the information attached as to the date and time. There will be an additional Junior Camp in July as well to get the children off to a solid foundation.

Father's Day in June is a great time to get the special person in your life the gift of golf!! Golf Certificates, Merchandise & Lessons are a great way to treat dad!!

### - GOLF FLAG ALERT -

**Please be on the lookout for several flags that were stolen off the golf course over the holiday weekend.**

**If you had renters or guests that may have wanted a souvenir, please return to the pro shop.**

**The authorities have been contacted but appreciate any assistance.**

Swing Easy,  
Mark Bayer, PGA

## 2022 Sugar Springs Ladies Golf Introduction & New Players to the Game

Swing Clinic Followed by:  
"3, 6, 9 Holes" – 3:45 PM GOLF Start – Ladies Choice  
**Thursday's Golf Starting May 19<sup>th</sup>**

### CLINIC Schedule – 3PM Start

May 19 <sup>th</sup>	Putting & Chipping
May 26 <sup>th</sup>	Swing Work – Iron Play
June 2 <sup>nd</sup>	Driver and Long Clubs
June 9 <sup>th</sup>	Bunker – Trouble Shots
June 16 <sup>th</sup>	No Clinic – Ladies Swing
June 23 <sup>rd</sup>	Swing Work & On-Course Event

***\*Ladies MUST be Members of SSWGGA to participate – Clinic is no charge and designed for new and beginning players***

### **Cost for Golf after Clinic –**

3 Holes	\$12 per person
6 Holes	\$18 per person
9 Holes	\$25 per person

# Sugar Springs Golf Club - Junior Golf Camps 2022

## Session I - June 21<sup>st</sup> - June 24<sup>th</sup>

### Tuesday - Friday

Ages 7 - 11 - 9:00AM - 9:45AM

Ages 12 - 16 - 10:00AM - 10:50PM

Each Session Cost \$90 and includes: Golf Instruction, Daily Snack and Drink, Golf Balls upon successful graduation from 4 day clinic and on course play. Each session is limited to 8 children.

## **ATTENTION WOMEN GOLFERS**

*The 39th Annual Sugar Springs Swing will be held on*  
**Thursday, June 16, 2022.**

Entry forms will be available in the Pro Shop in April. The cost will be \$65 per player plus a \$12 cart fee for players who have not paid for an annual 2022 Sugar Springs golf course cart fee.

The entry fee or fees provide for 18 holes of golf with a cart, continental breakfast, lunch, skill and position prizes and a gift for every participant.

**All winnings will be paid in Pro Shop credits.**

**Raffles and a 50/50 drawing will also take place.**

For those new to Sugar Springs the Spring Swing is a women's tournament open to Sugar Springs golfers as well as golfers from other neighboring golf courses.

The purpose of the event is to showcase our course and provide a fun day of golfing and dining, as well as forming and enjoying new friendships.

Entry to the event is on first come first serve basis. The format for the tournament is 18 holes using the net 2-best balls for the 4-person team.

If you have any questions regarding the 2022 Spring Swing please feel free to contact this years hosts.

Debbie Dickenson at 989.246.0229 or Robin Klott at 989.426.7295

# Great Lakes Home Watch Solutions

*Your Bridge between Homes*

Great Lakes Home Watch Solutions is a locally owned and operated home watch service. We provide a detailed, personal visit to your home while you are away. We are a trusted business serving all of Gladwin, Roscommon and Midland counties.

## **What is home watch**

A home watch is a visual check of the interior and exterior of a home or property looking for obvious issues.

**Our goal at Great Lakes Home Watch Solutions is to check an extensive list of items to identify any problems early on that could cause further damage to your home. Hopefully all is well, but in the event a problem is detected, we will notify you immediately and come up with a plan to resolve it.**

**Please contact Chuck Norris for a free in home consultation.**

**Call: 989-859-7628**

**INVITATION TO PLAY BOCCE BALL SPRING/SUMMER 2022**

With the nice weather it's time to think about a fun outdoor activity – Bocce Ball. We are looking for individuals who enjoy socializing and a little competition. You need **NO EXPERIENCE** as it is an easy game to learn. Games will be played once a week on a day agreed upon by the teams beginning the week of June 5<sup>th</sup> through August 6<sup>th</sup>. If you know 4 people who could make up a team, please use this form to list member information and indicate your captain. If you are interested in playing and do not have a team, please sign up as a group of 3, 2 or even as an individual and teams will be set-up. If you are not able to commit to a full season, but would be interested in subbing, please sign up on the Substitute Player section.

**Questions? Contact Dick Fawcett: Cell: 989.329.0152 or Email: dadfawcett@gmail.com.**

# Veterans Memorial Garden

In the spring of 2021, Sugar Springs was successful in establishing a garden plot surrounding the flag poles erected across from the Activity Center. We were able to accomplish this due to the leadership of our POA President, Tom Hug, and through the efforts of our Building And Grounds Department, under the guidance of David Harris, our POA General Manager. This garden plot was dedicated to the men and women of Sugar Spring who served in the US military.

Along with the plaque dedicating the Veterans Memorial Garden a small bronze plaque provided by the Veterans Administration to Mr. Hug's family honoring Tom's father and his military service was placed in the garden. Another plaque was donated in honor of Bob "Juice" Jucewicz by a group of his friends. Yet another plaque has been purchased by a group for another Sugar Springer and will be dedicated and placed this spring. Therefore, it would seem there might be a demand for groups or individuals to have the opportunity to purchase a commemorative plaque to be placed in the Veterans Memorial Garden at Sugar Springs.

In cooperation with the Sugar Springs Memorial Committee, a fund is being established to support the upkeep of the Veterans Memorial Garden and to assist with the purchase and placement of these very nice bronze plaques. If any POA member wants information on these standardized plaques, please contact the Memorial Committee. If members would like to make a contribution to be used for the Veterans Memorial Garden upkeep, also please contact the Memorial Committee.

### **"June Is The Gateway To Summer"**

June is filled with tons of fun!

Sugar Springs 50th Anniversary Picnic will be held June 25th, behind the Activity Center. Tons of games and fun for members and their families.

The annual Arts and Craft show and Fireworks will be July 2nd!

The golf course is rolling and ready to play. The Veterans golf outing is June 13th. Contact the Pro Shop for more information.

Curious about more summer fun? Contact the SSPOA office for more information on events to come.

Or go to [www.sugarsprings.net](http://www.sugarsprings.net)

As the summer months ramp up remember to be safe out on the water, be kind to thy neighbor and to have fun.

## Fertilizer Reminder for Sugar Springs Residents

All lakes need protection from the pollution that robs them of oxygen and aquatic life. We can't do anything about nutrients from natural sources and the sun's warmth, but we can work to prevent excessive nutrients and sediments from human activity from getting into lakes and waterways.

Just as applying fertilizer to gardens and farm fields helps crops grow, nutrients entering lakes and rivers feed the growth of algae, bacteria, and other tiny organisms. Water bodies require some nutrients to be healthy, but too much can be harmful. When lakes receive an overabundance of nutrients, especially phosphorus, they can become polluted by excessive amounts of algae. Die-off and decomposition of algae blooms can reduce dissolved oxygen and suffocate fish and other aquatic life. Some forms of algae (blue-green) may produce toxins that can be harmful if ingested by humans and animals.

Remember that the watershed that supplies water to our lakes is impacted by every resident of Sugar Springs. Almost all surface water in Sugar Springs eventually finds its way into our lakes. We are all responsible for maintaining our watershed to ensure we are constantly protecting this valuable resource.

Please check your lawn fertilizer for the N-P-K value and ensure the P value is 0. Ask your lawn service to do the same. Refer to the diagrams below.

Save money! An established lawn needs primarily nitrogen since it is not producing any fruit or flowers. Nitrogen is the least expensive of the nutrients.

Do our lakes a favor! Don't buy a formula that has phosphorous or high potassium when you don't need them.

In summary, when fertilizing, do so appropriately to prevent pollution and maximize plant health by following these helpful tips:

- Understand and read the labels when selecting a fertilizer.
- Choose slow-release products with potassium and no phosphorus.
- Don't get fertilizer on hard surfaces, if you spill it then clean it up – DO NOT RINSE EXCESS FERTILIZERS INTO DRAINS OR WATER BODIES.
- Maintain a 20-foot-wide unfertilized buffer along lakefronts and wetlands.
- Plant your lakefront with a variety of trees, shrubs, and ground cover, rather than turf grass, to prevent runoff and nutrient movement to the lake.
- Don't fertilize before a heavy rain.
- Avoid using "weed and feed" products.

Thank you! Your Lakes Committee

# SUGAR SPRINGS GARDEN CLUB

The Garden Club meets at 9:30 am on the 3<sup>rd</sup> Thursday of the month at the Activity Building. If you enjoy gardening then please join us. Our club focuses on the beautification of Sugar Springs though designing and maintaining the garden found throughout the Sugar Springs at the Beach Clubs, POA office and Sugar Springs entries. We enjoy participating in plant sales, adventures to garden walks and commercial gardens, craft activities and guest speakers. You do not need a GREEN THUMB to be a member.

Contact: Holly Miller 989-848-9920, millerh.1953@gmail.com  
and follow us on Facebook "Sugar Springs Garden Club"

# Sugar Springs Artists

The Sugar Springs Artists are introducing a new monthly activity called "DISCOVER AND SHARE" Starting with WATERCOLORS to be held on the first Tuesday of each month. It will begin on Tuesday, August 4th starting at 9:00 am for the beginner (and whenever the SSA member wants to join us anytime between 8:30 am to 10:00am. This activity may continue to other Tuesdays, if there is an interest in our community. This informal get together (without and instructor) is for all levels of artists as well as people who would like to try watercolors to see if they would like to learn more. Bring whatever watercolor supplies you have and if you don't have any supplies we encourage you not to buy them before joining us on a few Tuesdays of the month as the artists can share what supplies they would recommend a beginner to purchase. The Sugar Springs artists have all the watercolor supplies you will need to start on your journey into watercolors. We will watch beginner watercolor DVD's, we will learn basic water supplies and will start with simplified classical painting techniques (e.g., brush strokes, washes, etc..) and will practice what we learn on practice paper so that even the most cautious beginner can experience success in the learning process. We may start painting on a small 4" x 6" project in the near future. We will not watercolor a painting until we feel comfortable with some of the different techniques. The intermediate and experienced artists will be painting on each of their own projects (PAINTING ON YOUR OWN) so the beginners will have an opportunity to watch them paint and ask questions. We all love to share what we have learned and it will refresh us as well. Some of us may be painting along with the beginners. Beginners will be able to practice on any Tuesday of the month and are welcome to ask questions as well.

We are asking the beginners to let me know if you plan to attend next Tuesday so we can prepare the supplies for your use.

You may come to this first Tuesday without becoming a member. Sugar Springs Artists membership fee for Sugar Springs Property Owners is \$10 annually. If you do not own property in Sugar Springs you may become a Social Member for an annual fee of \$50, which allows you to join many of the social activities in this community.

If you have any questions regarding the start of "DISCOVER AND SHARE", please either email me at [caronkre@gmail.com](mailto:caronkre@gmail.com) or call me at 989/426.0414

Carole Krecioch

# The Bulletin Board

## Memorial Committee Update

Here is a sampling of projects complete because of donations made through the Sugar Springs Memorial Committee:

- New Trees
- New Landscaping
- New Flags
- A Wonderful Lending Library
  - Hearth Equipment
  - Golf Course Needs
  - Beautification Projects

If you would like to honor the memory of a person's life, a birthday, an anniversary, a Veteran, a friendship, a thank-you, or whatever the reason, your Memorial Committee can make it happen. Simply contact the SSPOA Office for a form to fill out and make the donation no matter what the amount. All donation amounts are kept confidential. You may designate a specific project or work with the committee in making decisions. It's easy, rewarding and appreciated.

Happy 50th Anniversary Sugar Springs  
1972 - 2022

## AIRPARK REMINDER

As the weather improves, the airpark will become more active. Only authorized personnel and vehicles are allowed on or near the runway. If a person has to enter the runway, they should call the Airpark manager for permission, except in an immediate emergency.

Dave Wood

Cell: 317-523-3131

## Butman Township News

Butman Township welcomes back all our Seasonal Residents and Campers! It's always nice to see activity returning to Sugar Springs after a **long, long** winter!

- Voter cards were sent out by the Gladwin County Clerk, required by law due to District changes. You will still need picture ID when voting.
- August 2, 2022 is the Michigan gubernatorial election. Absentee applications will be sent out covering both the **August** and **November** election.
- Butman Township Officials and Employees have changed email addresses at the recommendation of our IT department. Please check the ButmanTwp.com website for more information.
- Camping lot sewer installation permits are mandatory this season. We have purchased 911 signs with Butman stickers to identify who has applied for their permit. Please contact the Township Ordinance officer, Ext. 9 if you have questions.
- Crannie Signs will be installing a new electronic sign for the Township this summer. It will resemble the sign at the Camp. We are excited to be able to communicate with the community in a much better way, especially during the months when we need an ice chipper to open the compartment to make changes. We are hoping to reuse the existing sign at the boat launch. We have also ordered a new non-electronic sign for the Fire Department.
- Clean up has begun at Butman Cemetery! Our new lawn care team have been working hard to remove winter decorations and branches etc. As the Sexton of Butman Township, after walking through the grounds multiple ordinance violations were discovered. It appears that this is not a recent problem, but one that must be corrected. The board will be looking at the current ordinance and discussing if changes need to be made to the satisfaction of both residents and the township.
- Butman Township Office will be closed on Monday May 30<sup>th</sup>.
- Rose Pest Solutions will be spraying for mosquitos on Wednesday evenings, beginning May 25<sup>th</sup>, 2022.
- Butman road will be closed to through traffic beginning June 1st. Please be considerate to the people who live on that road and use a alternative route to help keep the dust down until the road is paved.

Thank You  
Alayna  
Butman Clerk

## Butman Township News Continued...

Please be advised that the Sewer Ordinance for Butman Township will be fully enforced effective with the 2022 Camping Season. If you already have a sewer system installed or have obtained your sewer permit you can disregard this notice.

Those that have not, have three (3) choices;

1. Contact Brian Owens at Wastewater Sewer Department (989-324-8688) for information on obtaining your sewer permit.
2. Remove your camper off the lot.
3. Receive a citation for failing to comply with the ordinance (\$500.00 fine).

Feel free to contact me for additional information.

Mary Urbanczyk

Butman Township Ordinance Enforcement Officer

(989) 426.4351, Extension 9

## **BUTMAN TOWNSHIP ORDINANCE # 40-21 FIREWORKS**

### **SECTION A: Purpose**

The purpose of this ordinance is to protect the public health, safety and general welfare of the inhabitants of the Township, the land and resources lying within the township, by limiting and restricting activities that cause excessive noise within the Township, to prescribe penalties for the violation thereof and to repeal all ordinances or parts of ordinances that are inconsistent therewith:

### **SECTION B: DEFINITIONS**

- a) **Consumer fireworks**, referred to as 1.4G would include: roman candles, bottle rockets and other items that leave the ground.
- b) **Novelty items** such as sparklers, snakes, snaps and poppers remain legal for sale and use. Novelty fireworks are not regulated under the Michigan Fireworks Safety Act.
- c) **Low Impact Fireworks** such as ground sparkling devices, ground based or handheld sparklers also remain legal for sale and use in Michigan.
- d) **Display fireworks**, typically referred to as 1.3G, are large and explosive items typically used for public display and are locally permitted for use by professionals. They are not regulated by the Department of Licensing and Regulatory Affairs (LARA).

### **SECTION C:**

Michigan Fireworks Safety Act, 635 of 2018 shall regulate the ignition, discharge, or uses of consumer fireworks on the following days after 11 a.m.:

- December 31 until 1 a.m. on January 1.
- The Saturday and Sunday immediately preceding Memorial Day until 11:45 p.m. on each of those days.
- June 29 to July 4 until 11:45 p.m. on each of those days.
- July 5, if that date is a Friday or Saturday, until 11:45 p.m.
- The Saturday and Sunday immediately preceding Labor Day until 11:45 p.m. on each of those days.

State law requires that consumer-grade fireworks only be ignited from personal property. It is illegal to ignite fireworks on public property (including streets and sidewalks), school property, church property, or another person's property without their express permission. State law makes it illegal to discharge fireworks when intoxicated or under the influence of drugs.

When fire-related incidents involve consumer, low impact, or illegal fireworks resulting in property damage, injury or death of another person, individuals are subject to a misdemeanor or felony punishable by imprisonment of not more than five years and fines of up to \$10,000 or both.

**SECTION D:**

Butman Township shall **prohibit** the ignition, discharge and use of consumer fireworks, novelty fireworks, low impact fireworks and display fireworks on all calendar days and times **except** on the days described in Section C.

**Violations and Penalties**

All violations of Section C shall impose a civil fine of \$1,000.00 for each violation of the ordinance and no other fine or sanction. The ordinance must provide for the remittance of \$500.00 of the fine collected under the ordinance to the local law enforcement agency responsible for enforcing the ordinance.

All violations of Section D shall impose a municipal civil infraction as defined by Michigan law and subject to a civil fine of not more than \$500.00, plus enforcement costs, which may include all direct or indirect expenses to which the Township has expended in connection with the violation, as permitted by law. In no case, however, shall costs of less than \$9.00 or more than \$500.00 be ordered. Each day that a violation shall continue constitutes a separate offense.

**SECTION E**

The provisions of this ordinance are hereby declared to be severable and if any sentence, work section, paragraph, or provision is declared void or unenforceable, for any reason, by a court of competent jurisdiction, the remaining portions of said ordinance shall remain in force and such decision shall not affect the remaining provisions of this Ordinance.

**SECTION F: REPEAL**

This Ordinance specifically repeals Firework and Noise Ordinance 35-1.

**SECTION G: EFFECTIVE DATE**

This Ordinance will take effect thirty (30) days following publication hereof in the Gladwin County Record on December 22 2021.

We, Danny Gonzales Supervisor, and Alayna Alexander, Clerk, for the Township of Butman, Gladwin County, Michigan, hereby certify that Ordinance #40-21 was adopted at a public meeting of the Butman Township Board held on December 15, 2021.

BY ROLL CALL:

Alayna Alexander	<u>aye</u>	Jac Groppuso	<u>aye</u>
Danny Gonzales	<u>aye</u>	Susie Rupert	<u>aye</u>
Mike Mahaffy	<u>absent</u>

An advertisement for Great Lakes Home Watch Solutions. The background is a photograph of a suspension bridge over water. A semi-transparent blue box is overlaid on the image, containing the text "GREAT LAKES HOME WATCH SOLUTIONS" and "CHUCK NORRIS" in white, all-caps sans-serif font. At the bottom of the advertisement, there is a dark blue horizontal bar with white text: "5153 Winsor Way Gladwin MI 48624" on the left and "(989) 859-7628 greatlakeshomewatch@gmail.com" on the right.
