"Hanky" The Caterpillar

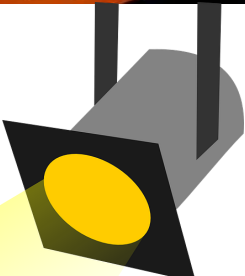

**Congratulations!**

& a big thank you to all participants

THE SUGAR SPRINGS SPOTLIGHT IS ON ...

### THE AIRPARK AND CAMPING COMMITTEES!

THE AIRPARK – “Come Fly With Me” says an old song – this is not the case in Sugar Springs. The Airpark Committee, however, does a wonderful job of educating the members and sharing the knowledge of flying. Our 1600-plus grass air strip on Highlanders Way permits all pilots of smaller planes to enjoy our scenery, perhaps play a round of golf, visit friends or lunch at The Hearth. Sugar Springs members and guests who have access to planes were attracted to Sugar Springs because of this amenity. There’s a gazebo to use for members and guests to simply sit for a while and enjoy the surroundings. The hangar is used for all meetings and necessary storage of equipment.

The annual Fly-in and Pancake Breakfast held each August has been hugely successful. The event has an average of 30 planes flying in from Michigan and Ohio (weather dependent) and pilots offer tours and interviews. Three hundred plus attendees enjoy a pancake breakfast and have the opportunity to win specialty baskets donated by members. Among the amenities at Sugar Springs, the Airpark holds a special place, and we thank those involved for their efforts. This includes appreciation to our Buildings and Grounds crew for their attention to the area.

Hats off to Rebecca Duggan, Janine Foxx, David Wood, Diane Creed, and Brian Horton who along with other high-flying members of the committee keep the area and events enjoyable for all.

THE CAMPERS – What a fun bunch! In this issue it’s good-bye for the year. It’s been great to have you around. The work involved in “setting up” is amazing and in no time, you’re gathered by a firepit and enjoying the good things in life. Sharing seems to be second nature as you wave invitations to other residents to ‘come sit a spell’. The effort you have put into landscaping your specific areas makes Sugar Springs even more attractive. The rebirth of the Camping Committee has brought some new, viable ideas to the community and members are eager to support your endeavors. The annual Trunk or Treat sponsored by the committee will be held on Saturday, October 4, 2025, starting at 3:00 p.m. at the Chalet. Many residents join in the fun for the afternoon by decorating their car trunks and passing out treats.

As you close down your campsites, the community wishes you a safe and healthy Winter season and looks forward to your return. Thankful to have you around!

# General Managers Report

## Welcome to Fall

Hope everyone is enjoying the Indian summer weather we are having. We have already lowered the lakes the normal one foot for the winter. This was done earlier than normal so that the contractor for the dam repair project can get started so that it will be done by the spring. They already have their equipment here and have started on the weir repair on Lake Lancelot.

In early September, we were able to for the 4<sup>th</sup> consecutive year to host the Golf Association of Michigan's Senior Women's Amateur championship. It was an honor once again to be able to host these wonderful ladies. They had nothing but compliments for our golf course and service at the restaurant. Unsolicited, the director from GAM told the pro shop that our golf course was in the best condition of all courses that hosted their various events throughout the year. That is out of over 20 courses. This is another testament to the exceptional job that Dwight and his staff do in keeping our course in great playing conditions all year long.

As we are transitioning to the last quarter of the year, it is a good time to remember to start getting things buttoned up for the year. That means making sure your boats are out of the water the sooner the better since the lakes have already been lowered. The camping season ends at the end of November. Camping units will need to off of their lots at this time. If you are done camping for the year, it is best to not wait until the end of November to move your unit because the weather can be pretty dodgy at that time of the year.

It was nice seeing everyone enjoying themselves again this summer and here's hoping that you get to enjoy these last few warm days of the year.

**Matt Schindler**

# From the Board of Director President, Tom Hug

*Open letter to Sugar Springs Members. This communication is for Sugar Springs Property Owners Association members and cannot be reproduced/ pasted or shared to social media*

**Happy Fall!**

As the summer season comes to a close there are a few areas I would like to give a shout out to.

### **Golf Course Maintenance Team:**

As most of you know we host the seniors women tournament in early September. We received a letter from the tournament director complimenting Sugar Springs on the condition of the course. One of the best conditioned courses they played this year!

That's quite a compliment considering they played over 20 plus tournaments this year.

Sales are up in both the restaurant and the golf course over last year.

Well done teams.

I would like to give a big shout out to the Lakes Committee, a great bunch of volunteers. There are many tasks that they perform through out the season, lake testing, swim buoy deployment and removal, and also weed management through PLM.

Hats off to Mario and his team.

Recreation Committee, well what can I say about this great team that has consistently provided our community with additional fun activities for all ages to enjoy.

Thank you for all you do!

Several big projects were completed this year. A new HVAC system has been installed in the restaurant to better control the environment and also to help reduce cost. We are continuing the siding project on our buildings. The POA office and the Activity Building have been completed along with a handicap ramp in place. The next building to be completed later this fall is the chalet at the campground.

The loading dock and ramp behind the restaurant with much needed repair will be removed and replaced. A generator will be installed at the POA office.

Thank you to all of our members for supporting the restaurant, golf course and the BOD we will continue to make improvements for the benefit of the community.

Much appreciated and hope you all have a great fall and winter season.

**Tom Hug**

Trunk or Treat – Saturday, October 4th at the Chalet.

Cookies with Santa – Saturday, November 29 inside the Activity Building, with the tree lighting ceremony immediately following.

Gladwin Festival of lights Christmas parade – December 6th. We will have another float.

**Come cheer us on!!**

**SUGAR SPRINGS PROPERTY OWNERS' ASSOCIATION  
(SSPOA)**

**ANNUAL MEMBERSHIP MEETING MINUTES**

**JUNE 21, 2025**

**OFFICERS & DIRECTORS PRESENT:** President, Tom Hug, Vice President, Laura Gentry; Directors: Corporate Secretary and Director, Jeff Weeman, James Issitt, Eve Kaltz, Craig Taunt and Sherri Visnaw; SSPOA General Manager, SSPOA Treasurer, Matt Schindler and Recording Secretary, Melissa Zelt.

**OTHERS PRESENT:** Forty-nine (49) members

At 1:00 pm the Sugar Springs Property Owners Association (SSPOA) Annual Membership Meeting was called to order by President, Tom Hug at the SSPOA Activity Center. A video recording did not occur.

Following the Pledge of Allegiance to the Flag, President Hug opened the meeting with the Regular Order of Business pursuant to the agenda.

**ADDITIONS/CHANGES TO THE AGENDA:** None

**REVIEW AND APPROVE PREVIOUS ANNUAL MEETING MINUTES**

Minutes of the SSPOA Annual Meeting June 21, 2025, and the SSPOA BOD Meeting, June 21, 2025, were approved at the September 20, 2025, meeting.

## **FINANCIAL REPORTS:**

### **TREASURER'S REPORT:**

Treasurer, Matt Schindler, submitted a financial report to the Board prior to this meeting.

### **President's Report:**

Tom Hug, President, announced that our outside auditing firm Andrews, Hooper & Pavlik PLC, of Midland, MI. were not able to attend the Annual Membership meeting due to unforeseen circumstances and will be attending the September 20<sup>th</sup>, 2025, Board of Directors meeting. The report is complete, and rest assured everything is fine with Sugar Springs.

Tom wanted to then point out all the projects that were able to be completed in 2024. Such as the beach club playscapes, golf course equipment...rough mower, greens mowers, fairway mower along with building and grounds getting a new mower, replacing airpark signs, rip- rap parts of the island by Berkshire and along Butman Road where our main silt basin is, windows at the POA office and Activity Building, sided the Pro Shop, bocce ball court, drive going back into the campground, security system at the restaurant, water softener at the pool, dredging Kings Way beach area and some irrigation on the golf course.

The plans for 2025, we will continue to take care of the POA office and the Activity building with siding, continuing on to the beach clubs while these building are still in great shape this will help to keep our buildings protected for as long as we can keep them, air-conditioning and heating system installed at the restaurant, generator for the POA office, cart path repairs will happen in the fall is the plan, leveling par 3 t-boxes, a waterline for the irrigation system broke underneath the road on Linksvie and we had to hire an outside boring company to come in.

We have the POA picnic today at the Berkshire beach club so come on out and have some fun, hotdogs, chips, and pop.

## **2025 BOARD OF DIRECTORS ELECTION RESULTS:**

On behalf of the Election Committee, Jane Giffin, announced the following results.

Two (2) candidates ran for two (2) positions, each term is for three (3) years.

Successful candidates are :

Eve Kaltz (incumbent) - 476 votes

Craig Taunt (incumbent) - 487 votes

There were 2,239 ballots representing 2,690 eligible member votes.

There were 20 people who received write in votes, totaling 31 votes.

Total voided ballots 6.

Without objection, Connie Gullen, Chairperson for the Sugar Springs Election Committee, declared that Eve Kaltz and Craig Taunt have been elected as Directors for a 3-year term commencing today June 21, 2025, and continuing through the Annual Meeting in June 2028.

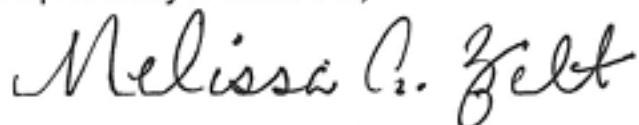

## **COMMENTS:**

There was discussion regarding the NeighborHood Watch. The Board and the volunteers were thanked for all their hard work that they do. Concerns regarding the fee structure of pool and fitness room usage, members and public along with the amount of the Social Membership.

## **ADJOURNMENT OF THE SSPOA ANNUAL MEMBERSHIP MEETING:**

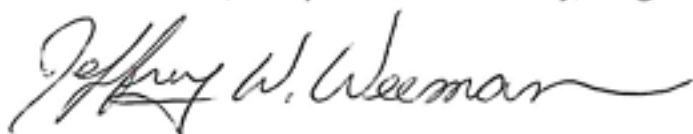

With all Agenda items completed and without objection, President Hug adjourned the meeting at 2:45 pm.

Respectfully submitted,

Melissa A. Zelt, Recording Secretary, Sugar Springs Property Owners Association

Jeff Weeman, Corporate Secretary, Sugar Springs Property Owners Association

## **ANNUAL STANDING COMMITTEE REPORTS:**

### **ARCHITECTURAL & ENVIRONMENTAL CONTROL COMMITTEE: (Bd Rep: L. Gentry)**

Chairman Scott Jones submitted a report prior to this meeting. Year to date included new home/adds: 15, Lot modifications: 12, Outbuildings: 4, Tree maintenance: 21, Maintenance: 33, Other:19 for a total of 104 actions. Violations included unauthorized trailer parking: 11, unauthorized items on lot: 3, Camping permits: 9, Other, 9 and STR letters: 0 for a total of 32 actions.

### **BUDGET COMMITTEE: (Bd. Rep: T. Hug)**

Chairman, Noel Clark submitted a report prior to this meeting. The committee met November 7, for the 2025 budget with the committee members and reviewed it with the BOD. The 2026 budget (revenue and expense) information will be provided by November 1, 2025. Proposed capital improvement projects will be reviewed to ensure revenue 2026, can meet or exceed expenses.

### **BUILDINGS & GROUNDS: (Bd. Rep: J. Weeman)**

Chairman, Ron Francetic submitted a report prior to this meeting. The committee is currently working on one project, and this is painting the west end of the cart barn. The committee is also looking and reporting to Ken, B&G Superintendent, of any other projects that may need attention.

### **ELECTION COMMITTEE: (Bd. Rep: J. Issitt)**

Chairman, Connie Gullen submitted a report prior to the meeting. The committee consists of eleven members and a Board of Director Representative who meet when there are ballots or proxies to be mailed, validated and counted. June 20, 2025, the committee met to open and count the verified ballots received for the election of the Board of Directors. The results of the 2025 Board of Directors election will be announced at the 2025 Annual Membership meeting held on June 21, 2025.

### **GOLF COMMITTEE: (Bd. Rep: S. Visnaw)**

Chairman, Rick Fuller, reported that the committee meets twice yearly and discusses outside play. The committee had a discussion of eleven topics. A full report was submitted by Frank Bisogni, prior to this meeting.

### **LAKES COMMITTEE: (Bd. Rep: E. Kaltz)**

Chairman, Mario Laudicina, submitted a full report prior to this meeting. The Lakes Committee meets April through October second Thursday of the month. Meetings are held at the Activity Building at 2:00 pm. The agenda and minutes are maintained regarding topics and activities discussed by the Committee. The public is always welcome. PLM (lake treatment company) are contracted and performing lake treatments as needed along with pre-posting of information to all residents. The committee performs many tasks such as the aeration system, water testing both lakes, working with the Lake Authority Board, ensuring all signage of both lakes are repaired and free from brush for visibility, hosting educational booth at the Craft Show and at the Annual Picnic, Boater Safety Class, installation and removal of all swim buoys. The Pike Derby was held in February 2025, with Mark Smith as the Project Leader, and we had a much better weather than last year and over 100 participants. Between Lake Lancer and Lake Lancelot 60 fish were caught and donated to the ARK. It has been recommended for a 2026 Pike Derby to be held in February on the Free Fishing weekend. New signage for the boat launches has been created and will replace older signs, and we will see what happens in 2026 with the goose roundup.

### **PLANNING COMMITTEE: (Bd. Rep: J. Issitt)**

Chairman, Kim Erhke, submitted a full report prior to this meeting: The committee has worked on several projects. POA picnic/Meet and Greet, Sugar Springs float for the Christmas Parade in Gladwin for the Festival of Lights parade, Book Trail at the SS Campgrounds. Will also be working on improvements to the walking trail, a nature area and redoing the walking trail map along with doggie doo boxes being installed.

### **NOMINATING COMMITTEE: (Bd. Rep: J. Issitt)**

Chairman, Scott Jones, submitted a full report prior to this meeting. Two members submitted the appropriate paperwork to be considered as candidates on the ballot for the 2025 Board of Directors. They were both incumbents. After deliberations and a unanimous vote, a proposed ballot was prepared with two members' names and presented to the Board at its March meeting. The committee agreed that next year there would be two reminders communicated to the members concerning the deadline for nominations.

### **RECREATION COMMITTEE: (Bd. Rep: J. Jucewicz)**

Chairman, Pat Issitt, submitted a full report prior to this meeting: Events were Winter Fest, Super Bowl Party, Card Party, Easter Egg Hunt and Pool Party, Ice Cream Social, Bocce Ball League, Pickle Ball, Members Picnic and the Annual Arts and Craft Show , Corn Hole, Elvis Concert, Trunk or Treat, Road Rally along with Cookies with Santa.

## **AD -HOC COMMITTEES**

### **AIRPARK COMMITTEE: (Bd. Rep: C. Taunt)**

Chairman, Rebecca Duggan, submitted a full report prior to this meeting. The Airpark committee has 22 members strong, of both pilots and non-pilots. The committee host six meetings between July 2024 and June 2025 at the Airpark Building. Brian Horton was selected to be the new Airport Manager. The Airpark was found to be in good condition and meets the Basic Utility licensing standards. Activities held were the Ice Cream Sale, Fly-In Breakfast. Just under 500 people attended. Karaoke at the Airpark. Improvements are Building Maintenance, Landscaping, Gazebo painting and Ground Erosion. The Committee is grateful for the support of the Sugar Springs community, the Board of Directors and especially the many volunteers who help run the Fly-In Breakfast.

### **CAMPING COMMITTEE: (Bd. Rep: C. Taunt)**

Chairman, Cindy Immonen submitted a full report at the Annual Meeting. The committee meets May thru September. The committee is developing and managing an email list for information pertaining to campers. A brochure was developed for campers regarding the camping rules. A kayak rack launch was installed at the Queens Way in 2024. Another kayak launch is being considered in Fairfield. Boat parade scheduled for July 26<sup>th</sup> with a rain-date of Saturday, August 2<sup>nd</sup>. The Camping committee hosted the annual Trunk or Treat on Saturday, October 12, 2024, and will again host the Trunk or Treat Saturday, October 4<sup>th</sup> 2025.

### **MEMORIAL COMMITTEE: (Bd. Rep: S. Visnaw )**

Chairman, Jo Hagey, submitted a report prior to the meeting. Donations received were used towards benches on the golf course and upkeep of memorial gardens. The Memorial Committee members petitioned the Sugar Springs Board of Directors to dissolve the Ad Hoc Memorial Committee. Memorial Funds had ceased to be received. The March BOD meeting, the Board voted to dissolve the Ad Hoc Memorial Committee.

The committee thanks all who have donated to the Memorial Committee over the years. We are proud of all of the beautification projects and the Memorial Library completed for our community.

Hello Sugar Springs -

The older I get the faster the seasons seem to change and  
already fall is upon us.

What a great summer we had!

I'm happy to report there were very few incidents, even with the record  
number of family and friends in over the holiday weekend.

With the colder months approaching, please remember to secure your home if  
you are away for an extended period of time. Some folks may choose to have  
a company or neighbor check on their property. It's also not a wise decision to  
announce your absence on social media.

Just a reminder to maintain stickers on any and all vehicles using  
Sugar Springs facilities.

The speed limit on all interior roads through Sugar Springs is 25 m.p.h. Thank  
you for your cooperation in observing these reminders to ensure Sugar  
Springs remains a safe and secure place to live and play.

As always, 911 is the best and quickest call to make in an emergency

**Have a great fall!**

**Paul Coon**

**Chief, Safety & Security**

## GOLF SHOP NEWS

While the season is coming to a close, there is still a lot of great golf to be played in October! We will be closed on Monday's in October for course maintenance. Green aerification is scheduled for October 13-14 and possible the 15th depending on weather.

A big thank you to all of our league players as well as Sherri Visnaw, Al Strieter, and Mike Visnaw for running the three leagues.

Lots of golf shop credit still out there on accounts! Call or stop in to see how much you have on your account. It expires at the end of the year so stop in soon while I still have a nice selection in stock!

**Every week I try to feature some items available in the golf shop to highlight what makes them so special.**

**Sun Ice Hamilton Full Zip**

This sleek, nimble hybrid performs like a thermal jacket and lets you move like a well-tuned stretch performance layer. Climaloft quilted insulation at front and back is incredibly light and thin yet surprisingly warm, even in wet conditions (warmth as low as 50F/10C). The stretch side panels and sleeves allow you the freedom to feel like nothing can block your way. Full-zip front with chin guard. Zippered pockets.

This highly breathable performance pullover features our Superlite FX ultimate lightweight layering system. Ideal for windy, cool conditions. Maddy 2.0 achieves the highest degree of lightweight stretch comfort while ensuring thermoregulation, so your body is always at the right temperature. Contrast flatlock stitching makes a stylish, form-flattering statement. Includes an invisible left side pocket, plus UV 50+ protection.

**Sun Ice Maddy 2.0 1/4 Zip Pullover**

## Yeti Rambler 20oz Tumbler with MagSlider Lid

A go-to for coffee on the go.

- Cupholder compatible
- Splash resistant
- Dishwasher safe
- Double-wall vacuum insulated

## TaylorMade Milled Grind 4 Wedges

**Sale - \$149.99**

When it comes to their wedges, tour professionals value consistently high spin rates as much, if not more, than any other trait. This can prove difficult in wet conditions, where even the slightest amount of morning dew can create a barrier between the face and the ball, drastically reducing friction and spin.

TaylorMade engineered the MG4 with all-new Spin Tread grooves to eliminate this issue. Spin Tread consists of deep laser-etched channels between the grooves that funnel water away upon impact, ensuring direct contact with the ball. Combined with TaylorMade's Raw Face and Raised Micro-Ribs, the MG4 produces immense levels of spin with virtually no dropoff in wet conditions.

TaylorMade finishes the MG4 with True Temper's Dynamic Gold Tour Issue 115 shaft and Lamkin's Crossline 360 grip.

TaylorMade MG4 Milled Grind Wedges Feature:

- Reshaped top line, leading edge, and hosel blend to create a smoother and fuller look for improved shot-making
- RAW Face technology omits plating from the face for more spin, precision, and feel
- Raised Micro-Ribs positioned between the full grooves add texture to the face for increased spin
- Spin Tread deep laser etching between grooves provides a channel for water to escape at impact, maintaining spin in wet conditions
- Fully machined sole ensures the exact grind and bounce geometry with every wedge produced

## 2025 Sugar Springs Bocce Ball Season Concludes

The 2025, Bocce Season was action-packed for the mix of fifty-six experienced and novice players participating on fourteen teams. Much appreciated were the seventeen substitutes on our list. The eight-game season ended on August 28th, with eight teams playing a single-game elimination tournament. Scores were close and the competition fierce.

Many thanks to Ron Krecioch, for setting up the tournament for the past 13 years and using the same poster board!

Watch for the 2026 Bocce Ball sign-up information in the spring on Facebook and in the March/ April and May Sugar Scoop. The league is always looking for new members and no experience is necessary.

Please invite friends to play next year.

Becky Miller, is the new Commissioner of Sugar Springs Bocce Ball.

The Sugar Springs Stitchers and Quilters recently honored Elaine Gagnon, for her 25th year of membership in the guild. Elaine, was one of the original members to join after the guild was created in 1999 by, Pat Campbell and Marylyn Shaffer. Only one other member has made it to 25 years.

Elaine regularly attends our meetings, service projects , and retreats.

Congratulations to her!!

# 2025 GLADWIN SHOWCASE OF QUILTS

Sugar Spring Activity Center

Presented by Sugar Springs  
Stitchers & Quilters Guild

# *Thank You!*

The Airpark Committee wants to thank everyone who attended the annual fly-in breakfast at the Airpark on Saturday, August 23rd! A special thank you to all the volunteers who worked to help make the fly-in successful. It is the support of the Sugar Springs community that makes the fly-in a great community event for all. We look forward to welcoming everyone again next year. Mark your calendar for Saturday, August 22, 2026.

Waste water dump station located within the campground.

(not open during winter months due to freezing)

Approved fire rings and picnic tables at each site.

Refunds are only given when notified seven (7) days  
before the arrival date.

### **A Message from Your Lakes Committee**

As we begin our fall season and look forward to enjoying the spectacular colors here in Sugar Springs, it is also time to make plans for tending to fall chores and the care of our shoreline properties.

The leaves are lovely to look at, however, they create quite a problem for our lakes. If not cleaned up and disposed of properly, the wind usually blows them into our lakes where they become saturated and sink to the bottom. As the leaves decompose and turn into silt and muck, **we lose depth and square footage of our lakes.**

It is your responsibility as lake front homeowners to evaluate your shorelines and perform the necessary maintenance to remove weeds and fallen leaves from the water, damaged or overhanging tree branches, low lying brush/foliage extending over the shoreline and the water. If there is an area of concern that you cannot handle, please reach out to your fellow neighbors. Several members who are physically challenged have hired Jay's Lawn Care (Jason Koshorek 989-701-6596) to perform this service.

As a reminder, please purchase phosphorous free fertilizers or request this of your lawn care service. The runoff negatively affects the chemistry of our lakes and promotes weed and algae growth. Also, please be mindful of directing the grass clippings and leaves away from the shoreline and bagging and disposing as much as possible. Please advise your fall cleanup service specifically of these concerns.

Following the above recommendations will make a huge difference in decreasing the amount of silt we generate each year. **Removing silt from the lake is extremely costly.** We are urging everyone's help to take care of your leaves, clippings and trees and help us communicate the importance to all property owners to do so.

Let's all work together to keep our lakes healthy and in good condition.

Thank you for your understanding and commitment!

Sincerely,  
Your Sugar Springs Lakes Committee

## NOTICE Sugar Springs Lakes 2025 Treatment Program

The property owners in this area are planning to have the waters chemically treated to control lake weeds and/or algae. This notice is being circulated in accordance with Department of Environment, Great Lakes & Energy (EGLE) procedures. Due to the uncertainty of weather, the treatment schedule is approximate. Please watch your shoreline for the posting of the 8.5 x 11 inch, yellow or green signs. The signs will indicate the date of the treatment, the products used, and any restrictions on the use of treated water for swimming, watering lawns, etc. One or more treatments involving water restrictive products may be applied. Please be aware that only products approved by the State of Michigan and the Federal government are being used. We have experienced **no adverse effects on people, fish, wildlife or domestic pets since applying these products.** We anticipate using one or more of the products listed. Please read the restrictions.

## 2025 Tentative Treatment Schedule

Treatments will be occurring throughout the summer months. Please watch your shoreline for posting signs with specific restrictions. Please also note that you will see PLM on your lake many times this summer. We will not always be treating the lake, but performing many surveys, water quality testing, etc. Thank you for your understanding as we work to preserve and protect Sugar Spring Lakes. *The following weeks of have been tentatively set but may be adjusted as the season progresses due to many factors (permit restrictions, growth, weather, etc.) Always watch for posting signs.*

### Sugar Springs Lakes—Lake Lancer & Lance Lancelot

**May 5:** Survey (Lancelot)

**May 12:** Survey (Lancer) or Weed & Algae Treatment (Lancelot)

**May 19:** Weed & Algae Treatment

**June 9:** Survey

**June 16:** Weed & Algae Treatment

**June 30:** Survey, Pre 4th of July Algae Treatment

**July 7:** Weed & Algae Treatment

**July 28:** Survey

**August 4:** Weed & Algae Treatment

**August 25:** AVAS Survey, Algae Treatment

**September 15:** End of Year Survey

## WATER USE RESTRICTIONS

**Sculpin G/2,4-d amine:** Swimming or bathing: N/A. Household use, irrigation, lawns and turf: 0 Days. Non-crops "gardens": 2-14 Days depending on treatment conditions. Growing crops: assay of less than 100ppb. Livestock watering: See product label. Fish consumption: No restrictions.

**Renovate/Triclopyr:** Swimming or bathing: N/A. Irrigation of Established lawns and turf: 0 Days. Household use & Irrigation excluding grasses: 120 days or once assay determines product to be non-detectable. Fish consumption: No restrictions.

**Renovate OTF/Triclopyr:** Swimming or bathing: N/A. Irrigation of Established lawns and turf: 0 Days. Household use & Irrigation excluding grasses: 120 days or once assay determines product to be non-detectable. Non-crops "gardens": 2-14 Days depending on treatment conditions. Livestock watering: N/A.

**Florpyrauzifen-Benzyl/ProcellaCOR:** Swimming or bathing: N/A. Household use, irrigation, lawns and turf: 0 Days. Non-crops "gardens": 2-14 Days depending on treatment conditions. Growing crops: until assay indicates 1ppb or less. Livestock watering: N/A.

**Aqua Strike/Endothall Diquat dibromide:** Swimming or bathing: 1 day. Animal consumption of treated water: N/A. Domestic water use and irrigation of turf & ornamentals: 3 days. Crop irrigation: 5 days.

**Tribune/Diquat dibromide:** Swimming or bathing: N/A. Animal consumption of treated water: 1 day. Domestic water use and irrigation of turf & ornamentals: 3 days. Crop irrigation: 5 days.

**Hydrothol 191/Dimethylalkylamine salt of Endothall Aquathol K/Dipotassium salt of Endothall:** Swimming or bathing: N/A. Household uses, irrigation, livestock watering: 2 weeks.

**Clipper, Propeller, Schooner/Flumioxazin:** Swimming or bathing: N/A. Domestic water use and irrigation of turf & ornamentals: 3 days. Crop irrigation: 5 days.

**Nautique/copper carbonate, Komeen/copper, Komeen Descend as elemental:** Swimming or bathing: N/A.

**PLM Blue, Cygnet Select:** water dye (tracer), **Copper Sulfate:** copper sulfate, **Cutrine Plus-Ultra, Captain-XTR, SeClear and SeClear G:** chelated copper, **Cygnet Plus, PolyAn:** Adjuvant, **AquaSticker, M.D. pellets:** gram negative, naturally occurring bacteria.

**PLM Enzyme:** enzymes, **Phoslock:** phosphorus locking technology, **Eutrosorb:** phosphorus locking technology. **NO RESTRICTIONS!!** For a complete listing of all product labels, please see our website.

**Site-Specific recommendations to limit ornamental irrigation with ProcellaCOR, Renovate & Sculpin granular treated water will typically last 2-14 days. Contact PLM for further information.**

**EGLE has removed the swimming restriction that they had previously placed on herbicides. There are currently no swimming restrictions listed on the labels of the products. Posting signs have been adjusted to reflect this change and swimming restrictions have been removed to not unnecessarily restrict use.**

The chemicals used for Aquatic Nuisance Control are registered by the U.S. Environmental Protection Agency and the Department of Environment, Great Lakes and Energy. The potential for damage to fish and other non-target organisms is minimal provided that the product is used as directed on the product label and the permit. To minimize the possible effects on health and the environment, the treated water is restricted for the above purposes.

**Method of Application:** Chemical application will be made via boat, back pack, and/or land vehicle applying liquid surface products by surface spray and/or injection. Granular product application will be surface broadcast.

**PLM Lake & Land Management Corp. Certified Applicators:** Adam Jones, Andrew Weinberg, Andy Tomaszewski, BreAnne Grabill, Casey Shoaff, Colton Risner, Cory Robinett, Daulton Higgins, Dennis Vangessel, Dustin Grabill, Elijah Quinn, Eric Reed, Ethan Ford, Garrett Johnson, Hailey Birchmeier, Hannah Cornell, Holden Elsner, Jaimee Desjardins, Jake Hunt, James Scherer, Jason Broekstra, Jeff Fischer, Jeff Tolan, Keith terHorst, Kyle Heath, Landon Conroy, Lucas Slagel, Michael Pichla, Nathaniel Draper, Noah Hanson, Pierce Johnson, Preston Adgate, Raquelle Robbins, Raymond McConnon, Reese Ransom, Riley Ransom, Samuel Bailey, Shelby Robinett, Steve Hanson, Tate Gardner, William Conklin, William Ducham

## PLM Also Works With Invasive Terrestrial Plants

Phragmites and purple loosestrife are two invasive plants to be on the lookout for. Both Phragmites and purple loosestrife tend to grow near the water's edge and can potentially take over your frontage if something is not done. Phragmites is a grass that can grow very tall up to 13 feet and at very high densities. Once phragmites begins to grow on your lake frontage it can take over lots

[http://farm5.staticflickr.com/4102/4853228185\\_b15e6ee13e\\_z.jpg](http://farm5.staticflickr.com/4102/4853228185_b15e6ee13e_z.jpg)

of other healthy native emergent plants such as cattails and bulrush. The state of Michigan has seen a rapid

increase in the amount of phragmites throughout the state in the past few years. Purple loosestrife is considered to be an invasive herb and it can grow anywhere from 4-10 feet tall if not addressed. Purple loosestrife is similar to phragmites in the sense that it has the ability to grow at high densities and it also has the ability to out compete native plant populations.

<http://www.nswa.org/wp-content/uploads/2016/02/phragmites2.jpg>

## Water Level Fluctuation in our Lakes

Water levels can fluctuate every few years, every year, every month or even every day. There are lots of factors that influence when and how much water levels fluctuate in our lakes, rivers and streams. One of the main things that impact when water levels fluctuate is seasonal changes. Typically water levels increase in the spring and early summer and then decrease in late summer and fall. A few other factors that make water levels rise and fall in our lakes include rainfall, evaporation, and snowmelt. Groundwater levels also play a crucial role, as high groundwater can increase lake levels while low levels can decrease them. It is important to remember that these changes are completely normal and water level fluctuation in our lakes has been happening for many years. Some years lakes will have an overall higher than usual water level while other years they may have an overall lower than usual water level.

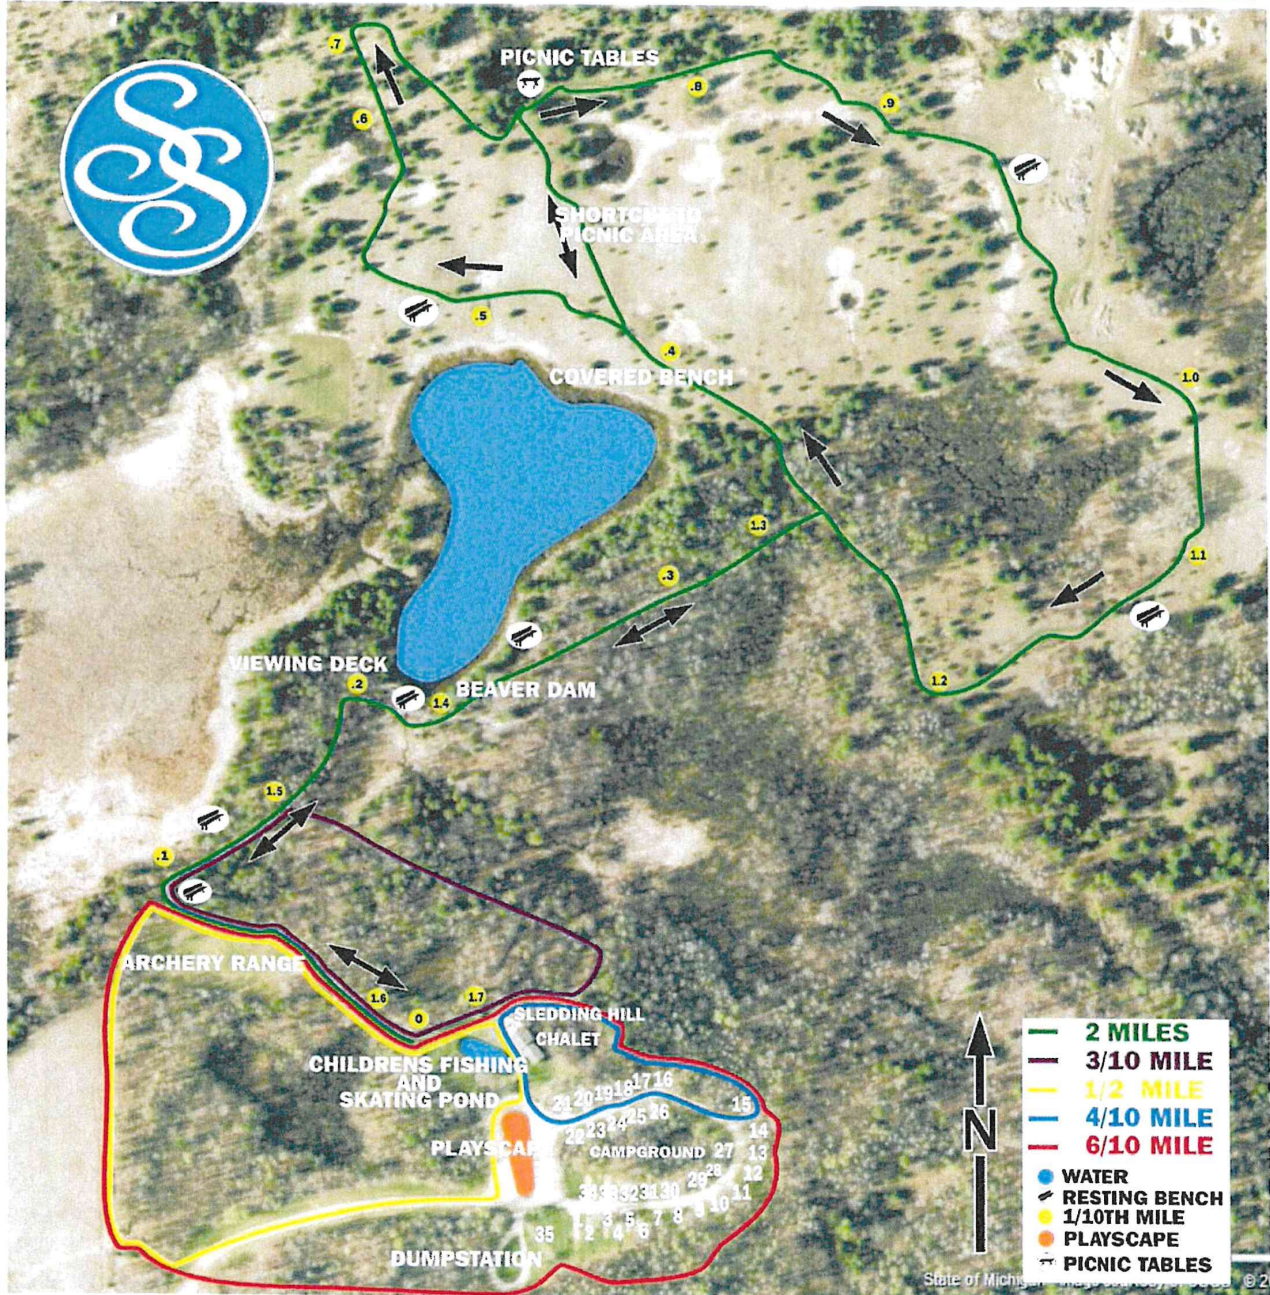

## Algae Blooms in Michigan

Algae blooms have become a growing concern of many lake residents. Algae blooms in Michigan are primarily driven by the presence of excess nutrients, especially phosphorus and nitrogen, which come from sources like agricultural runoff, wastewater, and stormwater. These nutrients provide a rich food supply for algae, encouraging rapid growth, especially in warm weather conditions. Algae, which are microscopic plants, naturally thrive in bodies of water, but when the nutrient levels are too high, they can multiply rapidly, leading to blooms. These blooms are more likely to occur in nutrient-rich, shallow lakes and rivers, where the water is warmer and slower-moving. The combination of these factors creates an ideal environment for algae to rapidly multiply. Sometimes these blooms can be harmful. Harmful blooms can deplete oxygen levels in the water and release toxins. These toxins can pose risks to aquatic life. Understanding where the nutrients come from and how they interact with the environment is key to managing algae blooms in Michigan's waters.

Reach out to the restaurant manager for catering details and pricing.

### A Short History of Sugar Springs

Farmers, woodsman, and tradesman homesteaded this area starting in the 1800's drawn to the area by the Sugar River. Many English, Dutch, Scotch, German, Swiss and Irish settled in this area. In 1878 the community was named Millsville, and was a community with schools, stores and a post office. Over time, lumber ran out and the town was abandoned. The land was mostly farms until it was purchased and developed by Isaacson & Associates in the 1960's, and in 1972 the first home was built. In 1978, the Sugar Springs Property Owners Association was formed and in 1987 officially took over operations from the developer. The idea of Sugar Springs was designed to be a place that family and friends could escape and enjoy sports, recreational activities and nature. To this day it is still considered "Mid-Michigans best kept Secret!"

# Appetizers

|  |         |

**CONTACT:** Theresa Richardson,

25 years experience, Certified Yoga Teacher

**Comments:** All levels Welcome, stretching, basic yoga & pilate poses, restorative & breathing exercises.

Facebook page: Soul sister Yoga SS

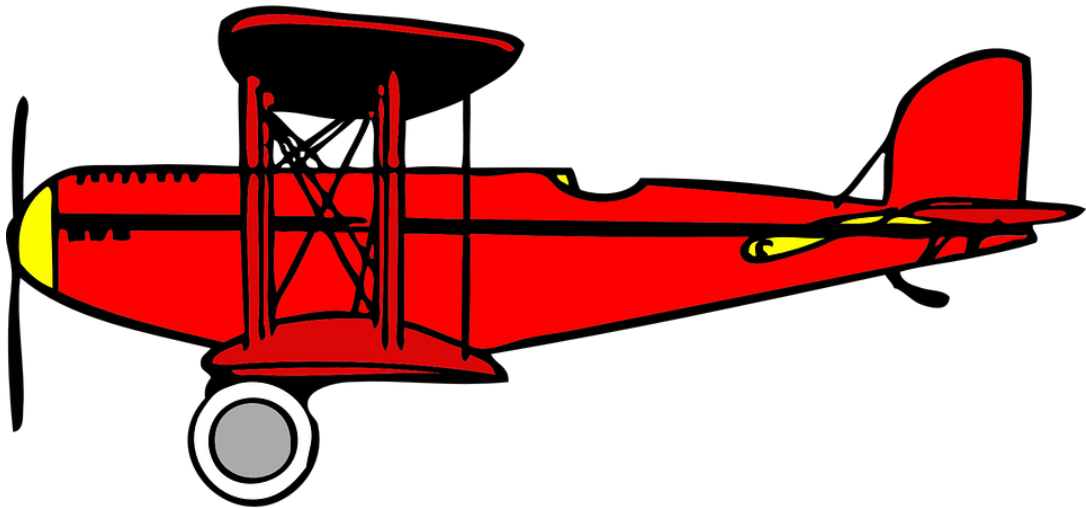

# Veterans Memorial Garden

In the spring of 2021, Sugar Springs was successful in establishing a garden plot surrounding the flag poles erected across from the Activity Center. We were able to accomplish this due to the leadership of our POA President, Tom Hug, and through the efforts of our Building And Grounds Department, under the guidance of David Harris, our POA General Manager. This garden plot was dedicated to the men and women of Sugar Spring who served in the US military.

Along with the plaque dedicating the Veterans Memorial Garden a small bronze plaque provided by the Veterans Administration to Mr. Hug's family honoring Tom's father and his military service was placed in the garden. Another plaque was donated in honor of Bob "Juice" Jucewicz by a group of his friends. Yet another plaque has been purchased by a group for another Sugar Springer and will be dedicated and placed this spring. Therefore, it would seem there might be a demand for groups or individuals to have the opportunity to purchase a commemorative plaque to be placed in the Veterans Memorial Garden at Sugar Springs.

In cooperation with the Sugar Springs Memorial Committee, a fund is being established to support the upkeep of the Veterans Memorial Garden and to assist with the purchase and placement of these very nice bronze plaques. If any POA member wants information on these standardized plaques, please contact the Memorial Committee. If members would like to make a contribution to be used for the Veterans Memorial Garden upkeep, also please contact the Memorial Committee.

As we start to enter the winter months, only authorized personnel and vehicles are allowed on or near the runway.

If a person has to enter the runway, they should call the Airpark Manager for permission, except in an immediate emergency.

**No Snowmobiles, ATV's or unauthorized personnel allowed!**

Brian Horton

Cell: 989.359.0632

Airpark Manager
